1. Public Question Time

1.1 Mr P Graziotti – 91 Circe Circle, Dalkeith –Temporary Classroom at Dalkeith Primary School

The Presiding Member on behalf Mr P Graziotti read aloud the following questions and answers received on 21 October 2011 in relation to the Temporary Classrooms at Dalkeith Primary School.

Question 1

Why didn't the Council inform and consult with the nearby residents prior to approval of the development of temporary classrooms at Dalkeith Primary School as per council Policy 6.4?

Answer 1

The City is not the approval authority for state public school development applications. Because the proposal is located on Local Scheme Reserve, the classroom is not subject to the Town Planning Scheme provisions, but notwithstanding this, it does comply with all residential and non-residential setbacks under the Scheme. As there were no variations to town planning provisions, it was not considered necessary to advertise to adjoining neighbours.

Question 2

Has the Council inspected the buildings since their completion and if so has it registered the fact the buildings do not comply with plans submitted?

Answer 2

Although the City does not manage compliance of state approvals the City undertook a compliance check. The setbacks of the building have been measured by the City and they are in compliance with the plans approved by the Dept of Treasury and Finance.

Question 3

Is the Council aware that planning approval from TPG (Urban Planners) was subject to "the materials and palette being consistent with other school buildings". This condition has not been met and is the Council prepared to register a complaint against the education department?

Answer 3

Given that the school building is brick and tile, it is not expected that the a temporary classroom would be built in these materials. Although it may not be consistent with the main school building it is not considered to have a detrimental impact on the locality. The classroom has a number of trees surrounding it and other vegetation is being installed which softens the impact of the structure on the surrounding neighbourhood.

Councillor Walker left the meeting at 7.04 pm and returned at 7.05 pm.

Council Resolution

The minutes of the Special Council meeting held 18 October 2011 are confirmed subject to the words “professional advice” being added to Councillor Horley’s request for her words to be minuted.

9. Announcements of the Presiding Member without discussion

The Presiding Member tabled the following list of functions he had attended and represented the City since the last Council meeting:

29 September 2011	WALGA	Central Zone Meeting
06 October 2011	UDIA	Green Roofs Presentation
10 October 2011	CoN	Hollywood Aged Care
10 October 2011	AGM	Suburban Nedlands City Hockey Club
18 October 2011	LGPA	WA’s new Building Act
20 October 2011	HCWA	Heritage Planning Workshop
21 October 2011	CoN	Tresillian Art Exhibition Opening
24 October 2011	CoN	Gardenwise Seminar

In relation to the Suburban Nedlands City Hockey AGM, the Mayor commented on the use of Highview Park and access to additional ground.

Mayor Hipkins also commented that the new Building Act has implications with private certification. The City may become a post box for applications.

Additionally, Mayor Hipkins commented upon his election platform and proposals for the city – not to pursue amalgamation with Subiaco; encourage transparency and better communication between elected members, the city’s administration and the public; involvement of key stakeholders in the community in the activities of the city; protection of the city’s attractive family living environment and tighter budget control.

10. Members announcements without discussion

10.1 Councillor James– Nedlands Aged Persons Homes Trust (Inc.)

Councillor James advised that as the result of the Committee delegate appointments last week, subsequent advice confirms there could only be one delegate therefore she would be the deputy delegate to Councillor Collins for the Nedlands Aged Persons Homes Trust (Inc).

10.2 Councillor Walker– First Week as Councillor

Councillor Walker advised that in her first week as Councillor she attended the following:

1. The Tresillian Art Exhibition
2. The Garden Wise Presentation by Beyond Gardens
3. The WALGA Climate Change Councillors meeting - Minutes of the Meeting were distributed to all Councillors

**CARRIED 8/2
 (Against: Crs. Horley & Hodsdon)**

Council Resolution / Committee Recommendation / Recommendation to Committee

Council recommends to the Western Australian Planning Commission to approve the proposed reconfiguration to the existing Waste Transfer Station at No. 60 (Reserve 33986) Lemnos Street Shenton Park in accordance with the application dated 30 June 2011 and plans dated 30 June 2011, subject to the following conditions:

- 1. prior to the issue of a building license a Traffic Management Plan is to be submitted and approved by the City (refer to Advice Note a);**

- 2. prior to the issue of a building license a detailed Landscaping and Screening Plan is to be submitted and approved by the City (refer to Advice Note b);**
- 3. prior to the issue of a building license a site management plan is to be submitted and approved by the City (refer to Advice Note c);**
- 4. further planning approval is required for an increase of traffic to and from the site (refer to Advice Note d);**
- 5. all greenwaste to be stored in a bunded area and filled to a maximum 0.5 m below top of wall height;**
- 6. all storm water from building and paving areas (including driveways) shall be contained on site by draining to soak wells of adequate capacity to contain runoff from a 10 year recurrent storm event and the capacity of soak wells shall be a minimum of 1 cubic meter for every 80 m² of paved or roofed surface on the property;**
- 7. all crossovers to street shall be constructed to the Council's Crossover Specifications and the applicant/owner to obtain levels for crossovers from the Council's Infrastructure Services under supervision on-site, prior to commencement of works; and**
- 8. any additional development, which is not in accordance with the original application or conditions of approval, as outlined above, will require further approval by Council.**

Advice Notes

- a. the traffic management plan shall be for construction and operational traffic and include but not be limited to the following:**
 - i. details of time of works;**
 - ii. details of date of works; and**
 - iii. routes used by truck.**
- b. the detailed landscaping and screening plan shall include but not be limited to the following:**
 - i. all existing and proposed landscaping, including hard landscaping;**

- ii. all existing and proposed screening, including screening of greenwaste areas from public roads;
 - iii. trees are to be planted on the verge to enhance the visual amenity of the site;
 - iv. all proposed landscaping shall be in accordance with the City's Greenway Policy 4.14 i.e. indigenous species to be planted and complementary species of native vegetation retained;
 - v. all proposed landscaping shall be implemented with an appropriate reticulation system and the landscaping and reticulation system continuously maintained to the satisfaction of the City;
 - iv. existing trees on the site shall be retained where possible, however where the removal of a tree is necessitated, a replacement tree of an appropriate size and species shall be planted to the satisfaction of the City.
- c. the site management plan shall include but not be limited to the following to address how day to day operations will be managed:
 - i. ensure greenwaste does not exceed 0.5m below TOW height;
 - ii. ensure there is no windblown dust able to escape the site as a result of any greenwaste tipping area or from any associated operation (i.e. transport or conveyance of greenwaste);
 - iii. ensure offensive odour as a result of greenwaste does not carry beyond the site boundaries;
 - iv. handle contingency conditions so as not to at any time accumulate excessive greenwaste; and
 - v. ensure corrective actions are taken to resolve any complaints relating to dust, odour or noise .
- d. this application states that the proposal will not generate additional traffic to and from the site as exists prior to the approval of this application, therefore any increase in traffic to and from the site will require further planning approval; and

- e. the City recommends that any intended reversing warning alarms utilise non-tonal broadband sound which can still meet occupational health and safety requirements opposed to the traditional 'beeper' alarms.**

Committee Recommendation / Recommendation to Committee

Council approves an application under the City's Town Planning Scheme No. 2 (TPS2) and recommends that the Western Australian Planning Commission (WAPC) approve the application under the MRS for the proposed four storey dwelling (including swimming pool and front fence) at No.7 (Lot 112) Riverview Court, Dalkeith in accordance with an application dated 28 April 2011 and the amended plans dated 6 September 2011 attached hereto, subject to the following conditions:

- 1. prior to the issue of a building licence, the plans shall be amended to show the proposed screen located on the southern side of balcony 4 shall be increased in length by 1.2 m to protrude a total of 4.7 m, in order to comply with Clause 6.9.1 of the Residential Design Codes (RCodes) (as marked in red on the approved plans);**
- 2. the proposed roof decks are to remain non-accessible;**
- 3. the use of the basement and lower levels shall be restricted to the uses as depicted in the plans submitted and dated 6 September 2011 i.e. wine cellar, boat shed, cool room, communications room, toilet, and equipment store for the basement level and; garage, air conditioning plant room,**

garden store, document store, pool store, and toilet on the lower level;

- 4. prior to the issue of a Building Licence for the development the owner shall execute and provide to the City a notification pursuant to section 70A of the *Transfer of Land Act 1893* to be registered on the title to the land as notification to prospective purchasers that the use of the basement and lower levels is subject to the restriction set out in condition 2 above;**
- 5. all stormwater from building and paving areas (including driveways) shall be contained on site by draining to soakwells of adequate capacity to contain runoff from a 10 year recurrent storm event and the capacity of soakwells shall be a minimum of 1.0 m³ for every 80 m² of paved or roofed surface on the property;**
- 6. all crossovers to street shall be constructed to the Council's Crossover Specifications and the applicant/owner to obtain levels for crossovers from the Council's Infrastructure Services under supervision on-site, prior to commencement of works;**
- 7. the parapet wall and footings shall be constructed wholly inside the allotment;**
- 8. the use of bare or painted metal building materials is permitted on the basis that, if during or following the erection of the development the Council forms the opinion that glare which is produced from the building has or will have a significant detrimental effect upon the amenity of neighbouring properties, the Council may require the owner to treat the building/roof to reduce the reflectivity to a level acceptable to Council;**
- 9. a grated channel strip-drain shall be constructed across the driveway, aligned with and wholly contained within the property boundary and the discharge from this drain to be run to a soakwell situated within the property;**
- 10. any swimming pool soakwell shall not be situated closer than 1.8 m to any boundary of a lot, building, septic tank or other soak well; and**
- 11. any additional development, which is not in accordance with the original application or conditions of approval, as outlined above, will require further approval by Council;**

Advice Notes specific to this approval:

- a. Without limiting Condition 10, it is advised that further planning approval shall be required for:
 - i. any proposed dividing fence greater than 1.8 m above natural ground level;
 - ii. any additional fill/retaining not shown on the plans;
- b. you are advised that a new easement along the southern side of the lot is needed for the purposes of stormwater drainage;
- c. with specific reference to the Water Corporation sewer easement located adjacent to the eastern and southern boundaries, you are advised to ensure that the proposed dwelling is clear of all easements located on the property or alternatively the necessary arrangements have been made with the appropriate authorities.
- d. all internal WC's and ensuites without window access to outside air must be serviced by mechanical ventilation, which is ducted to outside air and the minimum rate of air change must be equal or greater than 25 litres per second;
- e. all swimming pool waste water is to be disposed of into an adequate dedicated soakwell located on the same lot, or in a manner approved by the Council's Sustainable Nedlands department;
- f. ensure that airconditioner unit(s) comply with relevant Australian Standards and that noise emissions comply with the Environmental Protection (Noise) Regulations 1997.
- g. it is strongly advised that consultation is undertaken with the installer and adjoining neighbour(s) prior to installation of air-conditioning equipment. In the event of a noise complaint being received by the City, remedial action (including potential relocation or other attenuation measures) may be required or the airconditioner may be prohibited from being used. It is recommended that applicants refer to the City's Visual and Acoustic Privacy Information document and also the fairair noise calculator online at www.fairair.com.au;
- h. any pump or pump enclosure and filter equipment for the swimming pool/spa pool should be carefully located so as to ensure that a nuisance is not caused by unreasonable noise or vibration. Should noise levels exceed those stipulated in the Environmental Protection (Noise) Regulations 1997, equipment

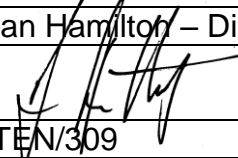

may require relocation or other attenuation measures, or the equipment may be prohibited from being used. It is recommended that applicants refer to the City's Visual and Acoustic Privacy Information document.

The principle and intention expressed in any motion/amendment is solely that of the intended mover and not that of the officer/officers providing the assistance. Under no circumstances is it to be expressed to any party that administration or any Council officer holds a view on this motion other than that expressed in an official written or verbal report by Administration to the Council meeting considering the motion.

15.1 Councillor Binks – Traffic Humps in Carrington Street

Council directs Administration to reduce the oversized Traffic Humps in Carrington Street to humps suitable for 40kph traversing.

Supporting comment.

The current humps due to traffic use have peaked higher than the Australian Standards for 20kph humps. Since the "traffic calming devices" further safety initiatives have been done by administration, that being connecting the chicane just West of the Dalkeith Road roundabout. It is now possible for adults and children using Carrington street to cross at a point which is not congested by vehicles using the roundabout. There is also a reasonable distance for both vehicular traffic and pedestrians to observe each other, making the crossing safer. It is possible for people South of Carrington Street to only cross a major road once as they can get to the controlled crossing at Smyth and Monash Roads using pathways on the westside of Dalkeith and Smyth.

16. Urgent Business Approved By the Presiding Member or By Decision

16.1 Amalgamation of the Cities of Nedlands and Subiaco

Moved – Councillor Horley
Seconded – Councillor James

That the meeting be closed to discuss Item 16.1.

The Presiding Member granted Councillors 3 minutes to read legal advice obtained by administration on Item 16.1 at 7.29 pm.

LOST 1/9
(Against: Mayor Hipkins Crs. Collins
McManus Argyle Binks Hodsdon
Walker James Somerville-Brown)

Moved – Councillor James
Seconded – Councillor McManus

That this Council of the City of Nedlands:

- 1. authorises the Mayor to negotiate a settlement of the legal action initiated by Subiaco, for ratification by Council;**
- 2. advises the Local Government Advisory Board, with copy to the Minister for Local Government, that the City of Nedlands does not wish to amalgamate with the City of Subiaco and requests that inquiries into the matter be terminated; and**
- 3. provides notice to the Nedlands-Subiaco Regional Transition Group that the City of Nedlands withdraws from the process of amalgamation of the two cities, in accordance with clause 6.5 of the Agreement.**

Amendment

Moved - Councillor Walker

Seconded – Councillor Collins

That the following be added as clause 2 and the remaining two clauses be renumbered to follow on as 3 and 4.

- 2. Should the negotiations not be successful and the matter proceed to the Supreme Court with the City of Nedlands as a party to the action – it is not to oppose the proceedings.**

Council Resolution

Council:

- 1. authorises the Mayor to negotiate a settlement of the legal action initiated by Subiaco, for ratification by Council;**
- 2. Should the negotiations not be successful and the matter proceed to the Supreme Court with the City of Nedlands as a party to the action – it is not to oppose the proceedings.**
- 3. advises the Local Government Advisory Board, with copy to the Minister for Local Government, that the City of Nedlands does not wish to amalgamate with the City of Subiaco and requests that inquiries into the matter be terminated; and**
- 4. provides notice to the Nedlands-Subiaco Regional Transition Group that the City of Nedlands withdraws from the process of amalgamation of the two cities, in accordance with clause 6.5 of the Agreement.**

Comment:

The City of Subiaco is aggrieved by the behavior of the State Government and City of Nedlands in relation to the proposed merger of the two Cities and has commenced legal action against the Local Government Advisory Board with the City of Nedlands joined as a defendant.

The recent election clearly demonstrated that the community does not support amalgamation of the Cities of Nedlands and Subiaco.

The honourable course of action is to apologise to Subiaco, negotiate a settlement to the legal action and make it clear to the State Government that the inquiry into the merger should cease.

Ms R Forrest left the meeting at 8.15 pm.

16.2 Dalkeith By-election

Moved – Councillor James
Seconded – Councillor Argyle

That:

1. the extraordinary election to fill the vacancy in the Dalkeith Ward should proceed at the earliest possible date, in accordance with clause 4.9 of the *Local Government Act 1995*, with the Mayor delegated the authority to fix the election day in consultation with the City's administration;
2. the Chief Executive Officer of the City of Nedlands is to be the Returning Officer for the extraordinary election, with in-person voting;
3. the City's administration is to immediately;
 - a) seek the permission of the Electoral Commissioner to proceed with the same electoral role for the extraordinary election as was used for the 15 October 2011 election; and
 - b) proceed with the publication of the required state-wide notice.

Amendment

Moved – Councillor Somerville-Brown
Seconded – Councillor Horley

2. the Chief Executive Officer of the City of Nedlands is to be the Returning Officer for the extraordinary election, with postal voting

LOST 3/6
(Against: Crs. Mayor Hipkins Collins
McManus Argyle Walker & James)

The Substantive motion was put and

**CARRIED 8/2
(Against: Crs. Horley & Binks)**

Council Resolution

That:

- 1. the extraordinary election to fill the vacancy in the Dalkeith Ward should proceed at the earliest possible date, in accordance with clause 4.9 of the *Local Government Act 1995*, with the Mayor delegated the authority to fix the election day in consultation with the City's administration;**
- 2. the Chief Executive Officer of the City of Nedlands is to be the Returning Officer for the extraordinary election, with in-person voting;**
- 3. the City's administration is to immediately;**
 - a) seek the permission of the Electoral Commissioner to proceed with the same electoral role for the extraordinary election as was used for the 15 October 2011 election; and**
 - b) proceed with the publication of the required state-wide notice.**

Comment:

The Dalkeith Ward by-election should proceed while elections are fresh in the electorate's mind and the existing electoral roll can be used.

Voting turnout in the recent election was highest in the Dalkeith Ward so maximising return is not a significant issue.

In-person voting with the Chief Executive Officer as Returning Officer will minimise costs. Only one polling place, at either Dalkeith Hall or Dalkeith Primary School would be required in addition to the Council's Administration Centre, well within the staffing capability of the City.
