

City of Nedlands

Agenda

Budget Committee Meeting

24 May 2012

ATTENTION

This Agenda has yet to be dealt with by the Committee.

The Administration Recommendations, shown at the beginning of each item, have yet to be considered by the Committee and are not to be interpreted as being the position of either the Committee or Council.

The Minutes of the meeting held to discuss this Agenda should be read to ascertain the decision of the Committee.

Before acting on any recommendation of the Committee a check must also be made in the Ordinary Council Minutes following the Committee Meeting to ensure that Council did not make a decision at variance to the Committee Recommendation.

Declaration of Closure	15

City of Nedlands

Notice of a meeting of the Budget Committee to be held in the Council Chambers at 71 Stirling Highway Nedlands on Thursday 24 May 2012 at 6.00 pm.

Dear Committee member

The next meeting of the Budget Committee will be held on Thursday 24 May 2012 in the Council Chambers at 71 Stirling Highway Nedlands commencing at 6.00 pm.

Michael Cole
Acting Chief Executive Officer
18 May 2012

Council Committee Agenda

Declaration of Opening

The Presiding Member will declare the meeting open at 6.00 pm and will draw attention to the disclaimer below.

(NOTE: Council at its meeting on 24 August 2004 resolved that should the meeting time reach 11.00 p.m. the meeting is to consider an adjournment motion to reconvene the next day).

Present and Apologies and Leave Of Absence (Previously Approved)

Leave of Absence None
(Previously Approved)

Apologies None as at distribution of this agenda.

Disclaimer

No responsibility whatsoever is implied or accepted by the City of Nedlands for any act, omission or statement or intimation occurring during Council or Committee meetings. City of Nedlands disclaims any liability for any loss whatsoever and howsoever caused arising out of reliance by any person or legal entity on any such act, omission or statement or intimation occurring during Council or Committee meetings. Any person or legal entity who acts or fails to act in reliance upon any statement, act or omission made in a Council or Committee meeting does so at that person's or legal entity's own risk.

In particular and without derogating in any way from the broad disclaimer above, in any discussion regarding any planning application or application for a licence, any statement or intimation of approval made by a member or officer of the City of Nedlands during the course of any meeting is not intended to be and is not to be taken as notice of approval from the City of Nedlands. The City of Nedlands warns that anyone who has any application lodged with the City of Nedlands must obtain and should only rely on written confirmation of the outcome of the application, and any conditions attaching to the decision made by the City of Nedlands in respect of the application.

The City of Nedlands wishes to advise that any plans or documents contained within this agenda may be subject to copyright law provisions (*Copyright Act 1968, as amended*) and that the express permission of the copyright owner(s) should be sought prior to their reproduction.

It should be noted that Copyright owners are entitled to take legal action against any persons who infringe their copyright. A reproduction of material that is protected by copyright may represent a copyright infringement.

1. Public Question Time

A member of the public wishing to ask a question should register that interest by notification in writing to the CEO in advance, setting out the text or substance of the question. Questions tabled at the meeting may be unable to be answered due to the requirement for technical research and will therefore be answered direct afterwards.

Questions must relate to a matter contained within the agenda of this meeting.

2. Addresses By Members of the Public (only for items listed on the agenda)

Addresses by members of the public who have completed Public Address Session Forms will be invited to be made at this point.

3. Disclosures of Financial Interest

The Presiding Member to remind Councillors and Staff of the requirements of Section 5.65 of the *Local Government Act* to disclose any interest during the meeting when the matter is discussed.

A declaration under this section requires that the nature of the interest must be disclosed. Consequently a member who has made a declaration must not preside, participate in, or be present during any discussion or decision making procedure relating to the matter the subject of the declaration.

However, other members may allow participation of the declarant if the member further discloses the extent of the interest. Any such declarant who wishes to participate in the meeting on the matter, shall leave the meeting, after making their declaration and request to participate, while other members consider and decide upon whether the interest is trivial or insignificant or is common to a significant number of electors or ratepayers.

4. Disclosures of Interests Affecting Impartiality

The Presiding Member to remind Councillors and Staff of the requirements of Council's Code of Conduct in accordance with Section 5.103 of the *Local Government Act*.

Councillors and staff are required, in addition to declaring any financial interests to declare any interest that may affect their impartiality in considering a matter. This declaration does not restrict any right to participate in or be present during the decision-making procedure.

The following pro forma declaration is provided to assist in making the disclosure.

"With regard to the matter in item x..... I disclose that I have an association with the applicant (or person seeking a decision). As a consequence, there may be a perception that my impartiality on the matter may be affected. I declare that I will consider this matter on its merits and vote accordingly."

The member or employee is encouraged to disclose the nature of the association.

5. Declarations by Members That They Have Not Given Due Consideration to Papers

Members who have not read the business papers to make declarations at this point.

6. Confirmation of Minutes

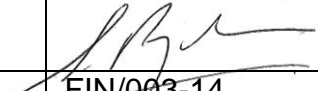

6.1 Budget Committee Meeting 13 June 2011

The minutes of the Budget Committee held 13 June 2011 are to be confirmed.

7. Items for Discussion

Note: Regulation 11(da) of the *Local Government (Administration) Regulations 1996* requires written reasons for each decision made at the meeting that is significantly different from the relevant written recommendation of a committee or an employee as defined in section 5.70, but not a decision to only note the matter or to return the recommendation for further consideration.

7.1 Adoption of the 2012/13 Annual Budget

Applicant:	City of Nedlands
Owner:	City of Nedlands
Officer:	Vanaja Jayaraman – A/Manager Finance
Director:	Rajah Senathirajah – A/Director Corporate & Strategy
Director Signature:	
File ref:	FIN/003-14
Previous Item No's:	Nil.
Disclosure of Interest:	No officer involved in the preparation of this report had any interest which required it to be declared in accordance with the provisions of the Local Government Act (1995).

Purpose

For the Budget Committee to consider the draft 2012/13 Annual Budget prior to adoption by Council.

As requested by Councillors, two options are presented to the Budget Committee for its consideration and selection of the option to be recommended to Council for adoption.

Option 1 is based on a 3 % increase to the rates in the dollar and minimum payments, and is in line with the Notice of Intention to Levy Differential Rates advertised for public comment on 1 May 2012. The 3 % was chosen to reflect the annual increase in CPI for Perth.

Option 2 is based on a 6 % (CPI change + 3 %) increase to the rates in the dollar and minimum payments. This will generate an additional revenue of \$506,000, which may be used to fund additional Infrastructure Works in 2012/13 or be added to the Building Reserve and be used in future years for refurbishment of the City's buildings.

Recommendation to Budget Committee:

Option 1

Council:

- a) **Adopts the 2012/13 Annual Budget as detailed in the Attachment for the year ending 30 June 2013 requiring a 3.0% increase in the rates and a standard residential refuse charge of \$335;**
- b) **Adopts the following rates and charges:**

- (i) a rate of 5.181 cents in the dollar on all residential Gross Rental Value rateable property within the City of Nedlands;
- (ii) a rate of 6.726 cents in the dollar on all residential vacant Gross Rental Value rateable property within the City of Nedlands
- (iii) a rate of 5.708 cents in the dollar on all non-residential Gross Rental Value rateable property within the City of Nedlands
- (iv) a minimum rate of \$1,090 be applied to all applicable residential property; a minimum rate of \$1,440 be applied to all residential vacant property; and a minimum rate of \$1,490 be applied to all applicable non-residential property;
- (v) interest on instalments to be charged at 5.5% per annum calculated daily;
- (vi) an Administration Charge applicable to all approved instalment arrangements be charged at \$8 per instalment other than for the first payment;
- (vii) interest on overdue rates be charged at 11% per annum calculated daily;
- (viii) the due dates for payment be :
 1. if paying in full or, if paying in four instalments, the first instalment, 35 days after the date of the service of the rates notice and;
 2. if paying by instalment the second, third and fourth instalments are each due on the first working day following two calendar months from the previous instalment;
- (ix) residential sanitation charges of:

<u>Residential Sanitation Charges</u>	<u>2012/13</u>
Standard Residential Refuse Collection Charge (120 general waste)	\$335.00
Upgrade Residential Refuse Collection Charge (240L general waste)	\$770.00
Super Residential Refuse Collection Charge (2x240L general waste)	\$1,510.00
Inside Service Charge	\$800.00

Establishment Fee for Refuse Service \$85.00

- (x) Swimming Pool Inspection Fee \$55 (Incl. GST) per inspection, spread over 3 years; and**
 - (xi) All remaining fees and charges as listed in the Schedule of Fees and Charges.**
- c) Approves the annual fee for Elected Members in accordance with Section 5.99 of the Local Government Act 1995, for the 2012/13 financial year, of \$7,000 per Elected Member and the annual fee for the Mayor in accordance with Section 5.98 of the Local Government Act 1995, for the 2012/13 financial year, of \$14,000 both effective from 1 July 2012;**
 - d) Approves the Local Government Allowances for the Mayor and Deputy Mayor in accordance with Section 5.98 and 5.98A of the Local Government Act 1995, for the 2012/13 financial year, of \$42,150 and \$10,540 respectively both effective from 1 July 2012;**
 - e) Approves the Communication Allowance in accordance with Section 5.99A of the Local Government Act 1995 for the Mayor and for Elected Members for the 2012/13 financial year of \$1,000 each per annum effective from 1 July 2012;**
 - f) Approves an IT Allowance in accordance with Section 5.99A of the Local Government Act 1995 for the Mayor and for Councillors for the 2012/13 financial year of \$850 per annum effective from 1 July 2012**
 - g) Adopts a percentage or value to be used in the reporting of material variances for 2012/13 financial year of \$10,000 or 10%, whichever is the greater; and**
 - h) Approves the calling of tenders as follows:**

 - (i) the Chief Executive Officer be delegated authority to invite tenders for works and services in the statutory 2012/13 budget, where required in accordance with the provisions of the Local Government Act 1995; and**
 - (ii) the Chief Executive Officer be delegated authority to specify the selection criteria for all tenders called in accordance with (i) above.**

Option 2

As above, except that clauses “a, b(i), b(ii), b(iii) and b(iv)” are replaced with the following:

- a) **Adopts the 2012/13 Annual Budget as detailed in the Attachment for the year ending 30 June 2013 with a 6.0% increase in the rates and a standard residential refuse charge of \$335;**
- b) **Adopts the following rates and charges:**
 - (i) **a rate of 5.332 cents in the dollar on all residential Gross Rental Value rateable property within the City of Nedlands;**
 - (ii) **a rate of 6.922 cents in the dollar on all residential vacant Gross Rental Value rateable property within the City of Nedlands**
 - (iii) **a rate of 5.875 cents in the dollar on all non-residential Gross Rental Value rateable property within the City of Nedlands**
 - (iv) **a minimum rate of \$1,124 be applied to all applicable residential property; a minimum rate of \$1,484 be applied to all residential vacant property; and a minimum rate of \$1,537 be applied to all applicable non-residential property;**

Strategic Plan

KFA 5: Governance

To ensure that the processes of Local Government are delivered responsibly and in a transparent and consistent manner

- 5.1 Manage the City’s resources in a sustainable and responsible manner.
- 5.6 Ensure compliance with statutory requirements and guidelines.

The draft 2012/13 Annual Budget has been prepared to ensure the City manages its resources in a sustainable and responsible manner in the current economic climate, with an increase in the rate in the dollar and minimum payments of 3.0/6.0 per cent, in line with the increase in CPI for Perth. *(6.0 per cent, being a 3.0 percent on top of CPI change, to enable the City to carry out additional road works / to add to the*

Building Reserve for future refurbishment works on the City's buildings.)

Background

The draft 2012/13 Annual Budget has been considered in stages over the past 4 months with Councillors given the opportunity to review and endorse proposals presented by Administration at a series of budget workshops.

These budget workshops are summarised as follows:

- 1) 31 January 2012 – Overview of the Budget Process, Financial Performance of the City as at 31 December 2011, and preliminary Trend and 10-year Financial Projections.
- 2) 6 March 2012 – Mid Year Budget Review and 2011/12 New Operating Initiatives.
- 3) 29 March 2012 – Draft Operating Budget.
- 4) 17 April 2012 – Proposed Capital Works and Rate increases for inclusion in the Notices for Public Comment.
- 5) 3 May 2012 – Overall review of the draft Operating Budget and Fees and Charges, and Rate increases.

The draft 2012/13 Annual Budget presented in this report reflects the consensus of views reached at the various budget workshops.

Proposal Details

The draft 2012/13 Annual Budget is attached and discussed in more detail below.

In summary, the draft 2012/13 Annual Budget is funded by a 3.0% / 6.0% increase in rates, *of which 3.0% is applied to addressing the City's infrastructure backlog.*

Consultation

Required by legislation:	Yes <input checked="" type="checkbox"/>	No <input type="checkbox"/>
Required by City of Nedlands policy:	Yes <input type="checkbox"/>	No <input checked="" type="checkbox"/>

As required by the Local Government Act 1995, the City advertised proposed differential rates on 1 May 2012, inviting comments over a period of 21 days. At the close of submissions, no responses had been received.

Legislation

The Local Government 1995 Part 6, Division 2 applies to the preparation and adoption of the annual budget. Council is required to adopt its budget for the 2012/13 financial year between 1 June 2012 and 31 August 2012

Budget/Financial implications

Budget and Financial:

Budget and financial impacts are outlined below.

Risk Management

A risk management approach has been applied throughout the preparation of the 2012/13 Annual Budget to ensure the ongoing maintenance, upgrade or replacement of the City's buildings and infrastructure and other assets. Over recent years there has been some minor damage to buildings, partly as a result of storm damage, that highlight the need to ensure regular and routine maintenance of all buildings and infrastructure is carried out.

Discussion

Option 1

The budget incorporates the following key elements:

1. A differential rate in the dollar for residential properties has been imposed and set at 5.181 cents, residential vacant set at 6.726 cents and a differential rate in the dollar for non-residential properties set at 5.708 cents. This represents a rate increase of 3.0%
2. The minimum rate will be \$1,090 for residential property, \$1,440 for residential vacant and \$1,490 for non-residential property.

Option 2

3. A differential rate in the dollar for residential properties has been imposed and set at 5.332 cents, residential vacant set at 6.922 cents and a differential rate in the dollar for non-residential properties set at 5.875 cents. This represents a rate increase of 6.0%
4. The minimum rate will be \$1,124 for residential property, \$1,484 for residential vacant and \$1,537 for non-residential property.

5. The proposed 2012/13 sanitation fees and charges have been increased to meet the full cost of providing these services, with the standard residential service charge being \$335.

Other key elements are outlined as follows:

In accordance with the City's Five Year Forward Works Program, approx \$3.0 million per annum is required in order to maintain the roads, paths and drains at current levels.

In 2011/12 the City commenced the first major refurbishment of our buildings with the refurbishment of John Leckie Pavilion. The project has received grant funding and the balance of \$2.2 million is funded from a new loan. No major refurbishments are proposed for 2012/13, pending the development of a Master Plan for David Cruickshank Reserve.

As noted in previous budgets, the City of Nedlands has kept debt to a minimum but over recent years has borrowed for infrastructure and building projects. The debt ratio as at 30 June 2011 was 6.7%. No loan funding is proposed for 2012/13, and the debt at the end of that financial year will be \$6.0 million.

Integrated Strategic Planning

The City commenced comprehensive Integrated Strategic Planning in 2012/13, and has completed extensive community consultation which will form the basis of the Strategic Community Plan. Following that the 10-year Asset Management Plan will be developed, and this will influence the 2013/14 and subsequent years' Budgets.

Refuse Charges

The proposed increase in the standard refuse charge from \$325 to \$335, a 3.1% increase, reflects the cost of providing this service. The City's contracts with the service providers provide for the annual increase in costs.

The refuse service is also impacted by the increasing cost of fuel. While the 3 bin system is proving successful, of concern is the substantial increase in tonnes of bulk waste collected from residents as part of the bulk waste collection service.

Fees and Charges

The fees and charges reviewed in May 2012 are reflected in the proposed 2012/13 annual budget. At the last workshop Elected Members expressed a view that fees and charges should at least keep pace with CPI to ease the reliance on rate revenue. Accordingly, most fees and charges over which the City has control have been increased by 3 to 4%. However, following a further review, it has been necessary to increase some fees and charges even higher to reflect the actual cost of providing these services, such as staff and fleet costs as well as meeting the increased cost of utility charges.

Library fees and charges are consistent with other Libraries in the Western Suburbs.

Elected Member Allowances

In line with Council Policy, the allowances payable to Elected Members have been increased by 3.0%, being CPI as follows:

- Mayoral Allowance – \$42,150
- Deputy Mayoral Allowance – \$10,540
- Annual Attendance Fees:
 - Mayoral – \$14,000 (no increase, at maximum level)
 - Councillors – \$7,000 (no increase, at maximum level)
- Telecommunications Allowance – \$1,000
- Allowance for IT – \$850

Key new initiatives

Some key new initiatives in 2012/13 budget include:

\$573,500	Building Major Repairs
\$3,258,800	Roads, Footpaths, Drainage and Traffic Management
\$500,000	Beecham Road Retaining Wall Remediation – Stages 3
\$336,800	Fleet replacements
\$1,020,800	Parks and Natural Areas – Upgrades and new equipment
\$500,000	River wall repairs
\$383,000	IT upgrades, including Disaster Recovery hardware and systems

Conclusion

That Council adopts the 2012/13 Annual Budget, representing an average 3.0% rate increase and a standard residential refuse charge increase to \$335, reflecting the full cost of providing this service.

That Council adopts the 2012/13 Annual Budget, representing an average 6.0% rate increase and a standard residential refuse charge increase to \$335, reflecting the full cost of providing this service.

CITY OF NEDLANDS
NOTES TO AND FORMING PART OF THE BUDGET
FOR THE YEAR ENDING 30 JUNE 2013

1. SIGNIFICANT ACCOUNTING POLICIES

The significant accounting policies which have been adopted in the preparation of this financial report are:

(a) Basis of Accounting

The budget has been prepared in accordance with applicable Australian Accounting Standards (as they apply to local government and not-for-profit entities), Australian Accounting Interpretations, other authoritative pronouncements of the Australian Accounting Standards Board, the Local Government Act 1995 and accompanying regulations.

The budget has also been prepared on the accrual basis and is based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and liabilities.

(b) The Local Government Reporting Entity

All Funds through which the Council controls resources to carry on its functions have been included in the financial statements forming part of this budget.

In the process of reporting on the local government as a single unit, all transactions and balances between those funds (for example, loans and transfers between Funds) have been eliminated.

All monies held in the Trust Fund are excluded from the financial statements, but a separate statement of those monies appears at Note 16 to this budget document.

(c) 2011/12 Actual Balances

Balances shown in this budget as 2011/12 Actual are as forecast at the time of budget preparation and are subject to final adjustments.

(d) Rounding Off Figures

All figures shown in this budget, other than a rate in the dollar, are rounded to the nearest dollar.

(e) Rates, Grants, Donations and Other Contributions

Rates, grants, donations and other contributions are recognised as revenues when the local government obtains control over the assets comprising the contributions. Control over assets acquired from rates is obtained at the commencement of the rating period or, where earlier, upon receipt of the rates.

(f) Goods and Services Tax

In accordance with recommended practice, revenues, expenses and assets capitalised are stated net of any GST recoverable. Receivables and payables are stated inclusive of applicable GST.

(g) Superannuation

The Council contributes to a number of superannuation funds on behalf of employees.

(h) Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, cash at bank, deposits held at call with banks, other short term highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value and bank overdrafts.

Bank overdrafts are shown as short term borrowings in current liabilities on the statement of financial position.

(i) Trade and Other Receivables

Collectability of trade and other receivables is reviewed on an ongoing basis. Debts that are known to be uncollectible are written off when identified. An allowance for doubtful debts is raised when there is objective evidence that they will not be collectible.

CITY OF NEDLANDS
NOTES TO AND FORMING PART OF THE BUDGET
FOR THE YEAR ENDING 30 JUNE 2013

(j) Inventories

General

Inventories are measured at the lower of cost and net realisable value.

Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

Land Held for Resale

Land purchased for development and/or resale is valued at the lower of cost and net realisable value. Cost includes the cost of acquisition, development, borrowing costs and holding costs until completion of development. Finance costs and holding charges incurred after development is complete are expensed.

Revenue arising from the sale of property is recognised in the statement of comprehensive income as at the time of signing an unconditional contract of sale.

(k) Fixed Assets

Each class of fixed assets is carried at cost or fair value as indicated less, where applicable, any accumulated depreciation or impairment losses.

Initial Recognition

All assets are initially recognised at cost. Cost is determined as the fair value of the assets given as consideration plus costs incidental to the acquisition. For assets acquired at no cost or for nominal consideration, cost is determined as fair value at the date of acquisition. The cost of non-current assets constructed by the Council includes the cost of all materials used in construction, direct labour on the project and an appropriate proportion of variable and fixed overhead.

Revaluation

Certain asset classes may be re-valued on a regular basis such that the carrying values are not materially different from fair value. For infrastructure and other asset classes where no active market exists, fair value is determined to be the current replacement cost of an asset less, where applicable, accumulated depreciation calculated on the basis of such cost to reflect the already consumed or expired future economic benefits of the asset.

Increases in the carrying amount arising on revaluation of assets are credited to a revaluation surplus in equity. Decreases that offset previous increases in the same asset are charged against fair value reserves directly in equity; all other decreases are charged to the statement of comprehensive income.

Any accumulated depreciation at the date of revaluation is eliminated against the gross carrying amount of the asset and the net amount is restated to the re-valued amount of the asset.

Those assets carried at a re-valued amount, being their fair value at the date of revaluation less any subsequent accumulated depreciation and accumulated impairment losses, are to be re-valued with sufficient regularity to ensure the carrying amount does not differ materially from that determined using fair value at reporting date.

(k) Fixed Assets (Continued)

Land Under Roads

In Western Australia, all land under roads is Crown Land, the responsibility for managing which, is vested in the local government.

Effective as at 1 July 2008, Council elected not to recognise any value for land under roads acquired on or before 30 June 2008. This accord with the treatment available in Australian Accounting Standard AASB 1051 Land Under Roads and the fact Local Government (Financial Management) Regulation 16(a)(i) prohibits local governments from recognising such land as an asset.

In respect of land under roads acquired on or after 1 July 2008, as detailed above, Local Government (Financial Management) Regulation 16(a)(i) prohibits local governments from recognising such land as an asset.

**CITY OF NEDLANDS
NOTES TO AND FORMING PART OF THE BUDGET
FOR THE YEAR ENDING 30 JUNE 2013**

Whilst this treatment is inconsistent with the requirements of AASB 1051, Local Government (Financial Management) Regulation 4(2) provides, in the event of such an inconsistency, the Local Government (Financial Management) Regulations prevail. Consequently, any land under roads acquired on or after 1 July 2008 is not included as an asset of the Council.

Depreciation of Non-Current Assets

All non-current assets having a limited useful life are systematically depreciated over their useful lives in a manner which reflects the consumption of the future economic benefits embodied in those assets.

Assets are depreciated from the date of acquisition or, in respect of internally constructed assets, from the time the asset is completed and held ready for use.

Depreciation is recognised on a straight-line basis, using rates which are reviewed each reporting period. Major depreciation periods are:

Buildings	50 years
Furniture and Equipment	4 to 10 years
Plant and Equipment	5 to 15 years
Sealed roads and streets	
Formation	Not Depreciated
Pavement	50 years
Seal	
Bituminous seals	20 years
Asphalt surfaces	20years
Gravel roads	
Formation not	Not Depreciated
Pavement	50 years
Gravel sheet	12 years
Formed roads (unsealed)	
Formation	Not Depreciated
Pavement	50 years
Footpaths	20 years
Sewerage piping	100 years
Water supply piping & drainage systems	75 years

The assets residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains and losses are included in the statement of comprehensive income. When re-valued assets are sold, amounts included in the revaluation surplus relating to that asset are transferred to retained earnings.

Capitalisation Threshold

Expenditure on items of equipment under \$1,000 is not capitalised. Rather, it is recorded on an asset inventory listing.

CITY OF NEDLANDS
NOTES TO AND FORMING PART OF THE BUDGET
FOR THE YEAR ENDING 30 JUNE 2013

(I) Financial Instruments

Initial Recognition and Measurement

Financial assets and financial liabilities are recognised when the Council becomes a party to the contractual provisions to the instrument. For financial assets, this is equivalent to the date that the Council commits itself to either the purchase or sale of the asset (ie. trade date accounting is adopted).

Financial instruments are initially measured at fair value plus transaction costs, except where the instrument is classified 'at fair value through profit or loss', in which case transaction costs are expensed to profit or loss immediately.

Classification and Subsequent Measurement

Financial instruments are subsequently measured at fair value, amortised cost using the effective interest rate method or at cost.

Fair value represents the amount for which an asset could be exchanged or a liability settled, between knowledgeable, willing parties. Where available, quoted prices in an active market are used to determine fair value. In other circumstances, valuation techniques are adopted.

Amortised cost is calculated as:

- a) the amount in which the financial asset or financial liability is measured at initial recognition;
- b) less principal repayments;
- c) plus or minus the cumulative amortisation of the difference, if any, between the amount initially recognised and the maturity amount calculated using the effective interest rate method; and
- d) less any reduction for impairment.

The effective interest rate method is used to allocate interest income or interest expense over the relevant period and is equivalent to the rate that exactly discounts estimated future cash payments or receipts (including fees, transaction costs and other premiums or discounts) through the expected life (or when this cannot be reliably predicted, the contractual term) of the financial instrument to the net carrying amount of the financial asset or financial liability. Revisions to expected future net cash flows will necessitate an adjustment to the carrying value with a consequential recognition of an income or expense in profit or loss.

(i) Financial assets at fair value through profit and loss

Financial assets at fair value through profit or loss are financial assets held for trading. A financial asset is classified in this category if acquired principally for the purpose of selling in the short term. Derivatives are classified as held for trading unless they are designated as hedges. Assets in this category are classified as current assets.

(ii) Loans and receivables

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market and are subsequently measured at amortised cost. Loans and receivables are included in current assets, except for those which are not expected to mature within 12 months after the end of the reporting period (classified as non-current assets).

(iii) Held-to-maturity investments

Held-to-maturity investments are non-derivative financial assets with fixed maturities and fixed or determinable payments that the Council's management has the positive intention and ability to hold to maturity. Held-to-maturity financial assets are included in non-current assets, except for those which are expected to mature within 12 months after the end of the reporting period, which are classified as current assets. If the Council were to sell other than an insignificant amount of held-to-maturity financial assets, the whole category would be tainted and reclassified as available-for-sale.

(iv) Available-for-sale financial assets

Available-for-sale financial assets are non-derivative financial assets that are either not suitable to be classified into other categories of financial assets due to their nature, or they are designated as such by management. They comprise investments in the equity of other entities where there is neither a fixed maturity nor fixed or determinable payments. Available-for-sale financial assets are included in non-current assets, except for those which are expected to mature within 12 months of the end of the reporting period (classified as current assets).

(v) Financial liabilities

Non-derivative financial liabilities (excluding financial guarantees) are subsequently measured at amortised cost.

Impairment

At the end of each reporting period, the Council assesses whether there is objective evidence that a financial instrument has been impaired. In the case of available-for-sale financial instruments, a prolonged decline in the value of the instrument is considered to determine whether impairment has arisen. Impairment losses are recognised in the statement of comprehensive income.

(m) Estimation of Fair Value

The fair value of financial assets and financial liabilities must be estimated for recognition and measurement or for disclosure purposes.

The fair value of financial instruments traded in active markets is based on quoted market prices at the reporting date. The fair value of financial instruments that are not traded in an active market is determined using valuation techniques. Council uses a variety of methods and makes assumptions that are based on market conditions existing at each balance date. These include the use of recent arm's length transactions, reference to other instruments that are substantially the same, discounted cash flow analysis, and option pricing models making maximum use of market inputs and relying as little as possible on entity-specific inputs.

Quoted market prices or dealer quotes for similar instruments are used for long-term debt instruments held. Other techniques, such as estimated discounted cash flows, are used to determine fair value for the remaining financial instruments.

The nominal value less estimated credit adjustments of trade receivables and payables are assumed to approximate their fair values. The fair value of financial liabilities for disclosure purposes is estimated by discounting the future contractual cash flows at the current market interest rate that is available to the Council for similar financial instruments.

(n) Impairment

In accordance with Australian Accounting Standards the Council's assets, other than inventories, are assessed at each reporting date to determine whether there is any indication they may be impaired.

Where such an indication exists, an estimate of the recoverable amount of the asset is made in accordance with AASB 136 "Impairment of Assets" and appropriate adjustments made.

An impairment loss is recognised whenever the carrying amount of an asset or its cash-generating unit exceeds its recoverable amount. Impairment losses are recognised in the statement of comprehensive income.

For non-cash generating assets such as roads, drains, public buildings and the like, value in use is represented by the depreciated replacement cost of the asset.

At the time of adopting the budget, it is not possible to estimate the amount of impairment losses (if any) as at 30 June 2012.

In any event, an impairment loss is a non-cash transaction and consequently, has no impact on this budget document.

(o) Trade and Other Payables

Trade and other payables represent liabilities for goods and services provided to the Council prior to the end of the financial year that are unpaid and arise when the Council becomes obliged to make future payments in respect of the purchase of these goods and services.

The amounts are unsecured and are usually paid within 30 days of recognition.

(p) Employee Benefits

The provisions for employee benefits relates to amounts expected to be paid for long service leave, annual leave, wages and salaries and are calculated as follows:

(i) Wages, Salaries, Annual Leave and Long Service Leave (Short-term Benefits)

The provision for employees' benefits to wages, salaries, annual leave and long service leave expected to be settled within 12 months represents the amount the Council has a present obligation to pay resulting from employees' services provided to reporting date. The provision has been calculated at nominal amounts based on remuneration rates the Council expects to pay and includes related on-costs.

(ii) Annual Leave and Long Service Leave (Long-term Benefits)

The liability for long service leave is recognized in the provision for employee benefits and measured as the present value of expected future payments to be made in respect of services provided by employees up to the reporting date using the projected unit credit method. Consideration is given to expect future wage and salary levels, experience of employee departures and periods of service. Expected future payments are discounted using market yields at the reporting date on national government bonds with terms to maturity and currency that match as closely as possible, the estimated future cash outflows. Where Council does not have the unconditional right to defer settlement beyond 12 months, the liability is recognized as a current liability.

(q) Borrowing Costs

Borrowing costs are recognised as an expense when incurred except where they are directly attributable to the acquisition, construction or production of a qualifying asset. Where this is the case, they are capitalised as part of the cost of the particular asset.

(r) Provisions

Provisions are recognised when:

- a) the Council has a present legal or constructive obligation as a result of past events;
- b) for which it is probable that an outflow of economic benefits will result to settle the obligation; and
- c) that outflow can be reliably measured.

Provisions are measured using the best estimate of the amounts required to settle the obligation at the end of the reporting period.

Provisions are not recognised for future operating losses.

(s) Current and Non-Current Classification

In the determination of whether an asset or liability is current or non-current, consideration is given to the time when each asset or liability is expected to be settled. The asset or liability is classified as current if it is expected to be settled within the next 12 months, being the Council's operational cycle. In the case of liabilities where Council does not have the unconditional right to defer settlement beyond 12 months, such as vested long service leave, the liability is classified as current even if not expected to be settled within the next 12 months. Inventories held for trading are classified as current even if not expected to be realised in the next 12 months except for land held for resale where it is held as non-current based on Council's intentions to release for sale.

(t) Comparative Figures

Where required, comparative figures have been adjusted to conform with changes in presentation of the current budget year.

(u) Budget Comparative Figures

Unless otherwise stated, the budget comparative figures shown in this budget document relate to the Revised Budget and Estimate for the relevant item of disclosure.

NOTES TO AND FORMING PART OF THE BUDGET
FOR THE YEAR ENDING 30 JUNE 2013**

2. REVENUES AND EXPENSES (Continued)

(b) Statement of Objective

In order to discharge its responsibilities to the community, Council has developed a set of operational and financial objectives. These objectives have been established both on an overall basis and for each of its broad activities/programs.

Council operations as disclosed in this budget encompass the following service orientated activities/programs:

GOVERNANCE

Provision of Councillor support services, administration, corporate services and strategic planning.

GENERAL PURPOSE FUNDING

Collection of rates, general purpose government grants and interest revenue, to allow for the provision of services.

LAW, ORDER, PUBLIC SAFETY

Supervision of various local laws, fire prevention and animal control, Surf Life Saving building maintenance, Safe Nedlands and State Emergency Service.

EDUCATION AND WELFARE

Maintenance of pre-school building. Home and Community Care services, including meals on wheels, children services & seniors activities.

COMMUNITY AMENITIES

Waste management services, noise control, Town Planning Services and protection of the environment.

RECREATION AND CULTURE

Maintenance of halls, recreation administration, recreation facilities, including reserves, buildings and hard courts, library operations and community festivals.

TRANSPORT

Maintenance of roads, drainage works, footpaths and traffic facilities, control of parking and enforcement of parking local laws.

ECONOMIC SERVICES

Building control, maintenance of the City's buildings and natural assets.

OTHER PROPERTY & SERVICES

Technical services administration, plant operations control and miscellaneous services not able to be classified elsewhere.

**CITY OF NEDLANDS
NOTES TO AND FORMING PART OF THE BUDGET
FOR THE YEAR ENDING 30 JUNE 2013**

3. ACQUISITION OF ASSETS

The following assets are budgeted to be acquired during the year:

	2012/13 Budget \$
<u>By Program</u>	
Governance	383,000
Recreation and Culture	1,520,800
Transport	3,788,000
Economic Services	573,500
Other Property and Services	336,800
	6,602,100
<u>By Class</u>

6. RESERVES (Continued)

In accordance with Council resolutions in relation to each reserve account, the purpose for which the reserves are set aside are as follows:

Plant Replacement Reserve

To provide for the replacement of Council's plant and equipment so that the cost is spread over a number of years. The use of funds in this reserve is ongoing.

City Development Reserve

To fund the improvement of property, plant and Equipment. The use of funds in this reserve is ongoing.

Lot 195 North Street Reserve

To fund the operational and capital costs of community facilities in Mt Claremont, community and recreation facilities in Swanbourne and infrastructure generally. Use of this reserve is ongoing.

Welfare Reserve

To fund the operational and capital costs of welfare services. The use of funds in this reserve is ongoing.

Services Reserve

To provide funds for the purchase of land for parking areas, streets, depots etc town planning schemes, valuation and legal expenses, items of works of an urgent nature such as drainage, street works, provision of street lighting and building maintenance. The use of funds in this reserve is ongoing.

Insurance Reserve

To cover any excess that may arise from having a performance based workers compensation premium.

Waste Management Infrastructure Reserve

To provide for the replacement of Council's rubbish bin stock so that the cost is spread over a number of years. The use of funds in this reserve is ongoing.

Building Replacement Reserve

To fund the upgrade and/or replacement of Council's buildings. The use of this reserve is ongoing.

Development - Swanbourne Reserve

To fund capital works in the Swanbourne area associated with the Swanbourne Masterplan. The use of funds in this reserve is ongoing.

Discounts Totals		8,477	317,964,315			17,351,800	16,675,100

All land except exempt land in the City of Nedlands is rated according to its Gross Rental Value (GRV).

The general rates detailed above for the 2012/13 financial year have been determined by Council on the basis of raising the revenue required to meet the deficiency between the total estimated expenditure proposed in the budget and the estimated revenue to be received from all sources other than rates and also considering the extent of any increase in rating over the level adopted in the previous year.

The minimum rates have been determined by Council on the basis that all ratepayers must make a reasonable contribution to the cost of the Local Government services/facilities.

There have been no changes to the proposed differential rates in the dollar and minimum rates advertised in the local public notice given on 1 May 2012. No written comments were received from the ratepayers or residents in the City.

CITY OF NEDLANDS
NOTES TO AND FORMING PART OF THE BUDGET
FOR THE YEAR ENDING 30 JUNE 2013

9. SPECIFIED AREA RATE - 2012/13 FINANCIAL YEAR

The City of Nedlands is not proposing to levy Specified Area Rates in 2012/13.

10. SERVICE CHARGES - 2012/13 FINANCIAL YEAR

The City of Nedlands is not proposing to levy any Service Charges in 2012/13.

11. FEES & CHARGES REVENUE	2012/13 Budget \$	2011/12 Estimate \$
Governance	89,000	92,300
General Purpose Funding	53,000	54,000
Law, Order, Public Safety	299,000	287,900

**12. DISCOUNTS, INCENTIVES, CONCESSIONS, & WRITE-OFFS
- 2012/13 FINANCIAL YEAR**

There are no budgeted discounts or incentives for the 2012/13 Financial Year. Eligible pensioners and seniors may qualify for the rate concessions funded by the State Government. The Budget includes a provision of \$9,700 for rates write-offs.

**CITY OF NEDLANDS
NOTES TO AND FORMING PART OF THE BUDGET
FOR THE YEAR ENDING 30 JUNE 2013**

13. INTEREST CHARGES AND INSTALMENTS - 2012/13 FINANCIAL YEAR

Interest at the rate of 11% per annum will be charged on all rate payments which are late.

Two option plans are available to ratepayers for payment of their rates;

Option 1 - Full Payment

Full amount of rates and charges, including all arrears, to be paid on or before the due date on the Rate Notice.

Option 2 - Payment by 4 Instalments

First instalment, consisting of all arrears and quarter of the current rates and charges, to be or before the due date shown on the Rate Notice. Second, third and fourth instalments to be made at two monthly intervals thereafter.

The cost of instalment plans will comprise of simple interest of 5.5% p.a. calculated from the first instalment is due, together with an administration fee of \$30.

Rate payers who have difficulty in paying under either of the above options can arrange with the City or regular deductions through direct debit; the administration fee for the arrangement is \$30.

The total revenue from the imposition of the interest and administration charges is estimated at \$214,100, as shown below:

	2012/13 Budget
	\$
Late Payment Interest	61,000
Instalment Interest	90,000
Deferred Rate Interest	10,000
ESL Interest	3,100
Administration Fee	50,000
