1. Public Question Time

1.1 Ms I Tan – 85 Melvista Avenue, Nedlands

Mayor Hipkins and Councillors, you have stood on an Election platform of Honesty and Open and Accountable Government. As such, I have the following questions calling into account certain actions and public comments made by Elected members that have deliberately misled the public and tarnished the integrity and reputation of a number of Councillors past and present, and remain unretracted to date.

The questions are based on facts. I have submitted relevant copies of documents pertaining to the questions for easy reference.

I would like answers to be provided by the Elected Members themselves, and not by Council Officers - and these answers duly recorded in the Minutes. A copy of this document may be forwarded for further investigation of the Council's responses provided. Any Motion by a Councillor that I "may not be heard" can be perceived as arising from a Conflict of Interest and the intentional gagging of a ratepayer of this City seeking clarification of Councillors' actions and intent in the name of Good Governance and Accountability.

PART A

Mayor Hipkins

1. In going on public record as saying “Words can be put up by a Councillor and voted on, they do not have to be what that Councillor believes in.” (Post December 10, 2011), does this duplicity of - “saying one thing but meaning and doing another” reflect your personal idea of Integrity and Political Correctness in Local Government? And do you speak on behalf of this Council as Mayor?
2. As Presiding Member at the Special Electors’ Meeting held on 10th August 2011, why did you not, while the wrong Councillors were being targeted as “pro-merger supporters”, ever correct that wrongful public perception; and advise ratepayers that it was you, Cr Ian Argyle and Cr Ken Collins that had raised your hands to support a forced takeover of Subiaco, and for that takeover to be progressed by the LGAB?
3. Why did you not support Cr Nikola Horley when she tried to set the record straight (Item 4.4.8 in the Minutes)?
4. In the light of impending Local Elections in October, why did you not declare at that Meeting, Impartiality and Financial Interest – in the knowledge that you had well known Mayoral aspirations at the time, and had previously publicly made known your support of the NEA? Are you aware that this constitutes Breaches of the Code of Conduct?

Cr Ian Argyle

1. Why did you fail to declare to those present at this Electors’ Meeting, that you had voted in support of the LGAB progressing a forced takeover of Subiaco?
2. Do you, like the Mayor, think that it is Honest Good Governance for the Office of an Elected Member to say and do something while meaning something else?

Deputy Mayor Ken Collins

1. As the third Councillor who voted for a forced takeover of Subiaco, and also as a Past Rotary International Director, why have you also remained noticeably silent, and in so doing, fail to uphold key principles of “Truth, and Fairness to All concerned”?
2. Do you support Mayor Hipkins’ view (stated earlier) on what constitutes Honesty and Accountability in Local Government?

PART B : Newly Elected Councillors

On their website, the Nedlands Electors Association has declared "Six of the seven candidates who openly supported the aims and ideals of the Nedlands Association were elected to Council on 15th October 2011"

Cr Toni James – in your election pamphlets, you pride yourself on being a founding member of the NEA. In the same pamphlets, you have repeatedly publicly accused Councillors Negus, Tan, and Smyth of "setting up Subiaco for a forced merger". Several key members of the NEA were present at the 7th July 2011 Council Meeting and witnessed the voting patterns as they occurred, yet chose to misrepresent those votes to the public.

I submit a copy of the Minutes of the Meeting for Council's careful and diligent attention.

Your election pamphlets also herald values of sound logic and equitable and fair consideration.

Cr Kerry Walker – you are one of the 6 successful Councillors mentioned by the NEA you were noticeably present at the 7th July 2011 meeting. You have also championed fair and equitable representation of all; and truthful scrutiny of Council affairs.

As such my questions to you, as duly Elected Members of this City, are as follows:

1. Given that the Agenda and Minutes of the Meeting of 7th July 2011 are easily available, why did you still vote to support, at the Special Electors' Meeting on 10th August 2011 - a censure Motion (Item 4.2) by Mr Richard Fernandez and Mr Ken Eastwood of the NEA - of Councillors who had, in fact, rejected an Amendment for a forced takeover of the City of Subiaco?
2. Why did you not, as upright citizens of Nedlands, amend the Motion moved by NEA members to censure Crs Hipkins, Argyle and Collins instead for voting for a forced takeover of Subiaco as clearly documented in the Minutes, which were duly accepted as True and Correct by all of Council?

I accept the fact that you could have also censured Mr John Bell and Ms Sheryl Froese - as Mr Bell did declare (Item 4.2.5) his support of a merger, and Ms Froese did issue a public statement regarding a "forced merger" that Council did not sanction.

Mr G Foster, Chief Executive Officer entered the meeting at 7.10 pm

3. Were any of your opinions and actions influenced in any way by your documented support of the NEA, or made with deliberate intent to discredit rival candidates Tan, Negus and Smyth as “pro-merger protagonists” – so as to ensure the successful election of your fellow supporters of the NEA to Council? If not, please explain your failure to divulge the Truth about the “merger vote” of 7th July 2011 to the people of Nedlands.
4. If you deny any/all of the above, why have you not, as Councillors of this City, to date, neither corrected ongoing errors on the NEA website, nor publicly retracted your accusations of wronged Councillors of this City, bearing in mind the recent decision on Council’s Resolution by Justice James Edelman and your election claims to honest and accountable government?
5. As supporters of the NEA, do you also support the NEA’s request, on their website, for “Confidential messages” to be sent to private email addresses of Councillors so that they will not and cannot be recorded on Council’s TRIM records? Is this secrecy your idea of Open and Honest government? If not, as a founding member and an ongoing supporter of the NEA, will you ensure this message is removed from the NEA website?
6. Will your future decisions on Council matters reflect your own independence of thought, or they will be, in view of the NEA statement above, a cohesive reflection of the aims of ideals of a group that has, through deliberate wrongful public censure of independent Councillors, shown itself to be less than ethical and honest?

These questions were taken on notice and will be answered in writing, and both the questions, together with the answers, will be included in the agenda and minutes of the next ordinary Council meeting scheduled for 28 February 2012.

2. Addresses by Members of the Public

Non-Elector

Moved – Councillor James

Seconded – Councillor Hodsdon

That Mr N Lucas, a non-elect of the City be permitted to address the meeting.

CARRIED UNANIMOUSLY 12/-

Mr N Lucas, 28 Dalley Avenue, Vaucluse NSW
(spoke in support of the recommendation)

Report D65.11

(spoke in opposition of development application)

Mr J Anderson, 3 Adams Road, Dalkeith Adams Road
(spoke in relation to Adams Road)

Mr I Hamilton, Director Technical Services left the meeting at 7.27 pm.

Non-Elector

Moved – Councillor Walker
Seconded – Councillor Hodsdon

That Mr J Burrige, a non-elect of the City be permitted to address the meeting.

CARRIED UNANIMOUSLY 12/-

Mr J Burrige, 73 Princess Road, Claremont Adams Road
(spoke in relation to ground anchors – Adams Road)

Mr E Marron, 5 Adams Road, Dalkeith Adams Road
(spoke in relation to Adams Road)

The Presiding Member granted Mr Marron a further 2 minutes.

3. Requests for Leave of Absence

Nil.

4. Petitions

Nil.

5. Disclosures of Financial Interest

The Presiding Member to remind Councillors and Staff of the requirements of Section 5.65 of the *Local Government Act* to disclose any interest during the meeting when the matter is discussed.

A declaration under this section requires that the nature of the interest must be disclosed. Consequently a member who has made a declaration must not preside, participate in, or be present during any discussion or decision making procedure relating to the matter the subject of the declaration.

However, other members may allow participation of the declarant if the member further discloses the extent of the interest. Any such declarant who wishes to participate in the meeting on the matter, shall leave the meeting, after making their declaration and request to participate, while other members consider and decide upon whether the interest is trivial or insignificant or is common to a significant number of electors or ratepayers.

5.1 Councillor Horley – D70.11 – Lot 2103 Brockway Road, Mt Claremont – Proposed Limited Outline Development Plan for the University of Western Australia Sports Hockey Precinct

Councillor Horley disclosed a financial interest in Item D70.11 - Lot 2103 Brockway Road, Mt. Claremont – Proposed Limited Outline Development Plan for the University of Western Australia Sports Hockey Precinct, her interest being that she was an employee of the University of Western Australia. She advised that she would leave the meeting during this matter.

Mr I Hamilton, Director Technical Services returned to the meeting at 7.43 pm.

5.2 Councillor Argyle – T18.11 - Proposed Parking Restrictions Surrounding Stirling Hwy

Councillor Argyle disclosed a financial interest in Item T18.11 – Proposed Parking Restrictions Surrounding Stirling Hwy. His interest being that he owns property in the area. He advised that he would leave the meeting during this matter.

5.3 Councillor Porter – T18.11 - Proposed Parking Restrictions Surrounding Stirling Hwy

Councillor Porter disclosed a financial interest in Item T18.11 – Proposed Parking Restrictions Surrounding Stirling Hwy. His interest being that he owns property at 61 Dalkeith Road. He advised that he would leave the meeting during this matter.

5.4 Councillor James – T18.11 - Proposed Parking Restrictions Surrounding Stirling Hwy

Councillor James disclosed a financial interest in Report T18.11 – Proposed Parking Restrictions Surrounding Stirling Hwy. Her interest being that she owns property in Archdeacon Street. She requested permission to remain in the room and vote.

6. Disclosures of Interests Affecting Impartiality

The Presiding Member to remind Councillors and Staff of the requirements of Council's Code of Conduct in accordance with Section 5.103 of the *Local Government Act*.

6.1 Councillor James – 16.2 - Adams Road

Councillor James disclosed an impartiality interest in Item 16.2 – Adams Road. She disclosed that she had spoken to Mr Marron previously when she was on Council and as a consequence, there may be a perception that her impartiality on the matter may be affected. She declared that she would consider this matter on its merits and vote accordingly.

6.2 Councillor Hassell – 16.2 - Adams Road

Councillor Hassell disclosed an impartiality interest in Item 16.2 - Adams Road –his interest being that he has had an association with Mr Marron for many years and as a consequence, there may be a perception that his impartiality on the matter may be affected. He declared that he would consider this matter on its merits and vote accordingly.

6.3 Councillor Porter – 16.2 - Adams Road

Councillor Porter disclosed an impartiality interest in Item 14.3 - Adams Road –his interest being that he has been contacted by residents in the street regarding the matter. In addition he disclosed that it was alleged during his election campaign that he was being promoted by Mr Marron and as a consequence, there may be a perception that his impartiality on the matter may be affected. He declared that he would consider this matter on its merits and vote accordingly.

6.4 Councillor Walker – D65.11 - No. 13 (Lot 11194) Bedbrook Place, Shenton Park – Industrial-light (Pathology, Collection & Infusion Centres) within a Two-Storey Building

Councillor Walker disclosed an impartiality interest in Item D65.11 - No. 13 (Lot 11194) Bedbrook Place, Shenton Park – Industrial-light (Pathology, Collection & Infusion Centres) within a Two-Storey Building. She disclosed she had been lobbied and had correspondence with a number of conservationists and representatives of Clinipath and that Mr Berry a leading author on Black Cockatoos whose academic papers are quoted in the many reports she has read is a friend and neighbour, and as a consequence, there may be a perception that her impartiality on the matter may be affected. She declared that she would consider this matter on its merits and vote accordingly.

6.5 Mayor Hipkins – 16.2 - Adams Road

Mayor Hipkins disclosed an impartiality interest in Item 14.3 - Adams Road –his interest being that he has been contacted by residents in the street regarding the matter and he has had 2 complaints from 2 residents in the street against him. As a consequence, there may be a perception that his impartiality on the matter may be affected. He declared that he would consider this matter on its merits and vote accordingly.

6.6 Councillor Argyle – 16.2 - Adams Road

Councillor Argyle disclosed an impartiality interest in Item 14.3 - Adams Road –his interest being that he has been contacted by residents in the street regarding the matter. In addition he had a complaint lodged against him that was subsequently dismissed. As a consequence, there may be a perception that his impartiality on the matter may be affected. He declared that he would consider this matter on its merits and vote accordingly.

7. Declarations by Members That They Have Not Given Due Consideration to Papers

Nil.

8. Confirmation of Minutes

8.1 Ordinary Council meeting 22 November 2011.

Moved – Councillor Shaw
 Seconded – Councillor Binks

The minutes of the ordinary Council meeting held 22 November 2011 are confirmed.

**CARRIED 11/1
 (Against: Cr. Horley)**

12 December 2011	WALGA	National Trust Council
13 December 2011	Dalkeith Primary School	Graduation

10. Members announcements without discussion

10.1 Councillor Hassell

Councillor Hassell advised of his intention to make a personal submission to the inquiry into Local Government. He added his submission would be broadly in line with Council's submission, which was yet to be finalised.

10.2 Councillor Shaw – Attendance at the 2011 ICTC Conference, Hobart – 26th – 28th October.

The 'International Cities Towns and Communities' Society has the following aims: [I quote...]

1. to assist cities, towns and communities to be as environmentally, socially and economically responsible as possible;
2. to bring together the required visionary professionals to discuss the challenges of replacing sprawl with compact environmentally, socially and economically acceptable developments;
3. to enhance the quality of life of inhabitants of cities, towns and communities; and
4. to facilitate world best practices in the planning, development of cities, towns and communities, and particularly that of public places and infrastructure.

I accept the overview statements in principle, and so focused on 'big picture' presentations. I was also particularly interested in those workshops and discussions to do with public places and infrastructure, including for example traffic management, places

for people and transport, 'what makes retail work', and the 'how and why of mixed use development'

I attended 24 presentations over 2 days, and took tour of the MONA [Museum of Old and New Art] on the last half day.

Abstracts from most papers are presented on the website www.ictcsociety.org and by registering [free] membership, all papers can be viewed.

10.3 Councillor Walker – Announcements

Councillor Walker advised that as an elected member she performed the following duties between the 26 November 2011 to the 13 December 2011

1. As part of the Local Government Diploma Course attended the WALGA training courses as follows:
 - Introduction to Council
 - Roles and Responsibilities of Elected Members
 - Ethics & Conduct for Elected Members
 - Land Use
 - Sustainable Asset Management
 - CEO Performance Review Committee
 - Managing Conflict

2. Events and Site Visits
 - The Sustainable Nedlands Committee Christmas gathering
 - QEII site visit to view new development (Phase 1)

11. Matters for Which the Meeting May Be Closed

Council, in accordance with Standing Orders and for the convenience of the public, is to identify any matter which is to be discussed behind closed doors at this meeting, and that matter is to be deferred for consideration as the last item of this meeting.

Nil.

12. Divisional reports and minutes of Council committees and administrative liaison working groups

12.1 Minutes of Council Committees

This is an information item only to receive the minutes of the various meetings held by the Council appointed Committees (N.B. This should not be confused with Council resolving to accept the recommendations of a particular Committee. Committee recommendations that require Council's approval should be presented to Council for resolution via the relevant departmental reports).

Moved – Councillor Hodsdon
Seconded – Councillor Shaw

The Minutes of the following Committee meetings (in date order) are received:

Council Committee **29 November 2011**
Unconfirmed Minutes, Circulated to Councillors on 8 December 2011

CARRIED 10/2
(Against: Crs. Horley & Walker)

Note: As far as possible all the following reports under items 12.2, 12.3, 12.4 and 12.5 will be moved en-bloc and only the exceptions (items which Councillors wish to amend) will be discussed.

En Bloc

Moved - Councillor James
Seconded – Councillor Collins

That all Committee Recommendations relating to Reports under items 12.2, 12.3, & 12.4 with the exception of Report Nos. D64.11, D65.11, D67.11, D71.11, D75.11, T18.11, T26.11, T27.11 & CP44.11 are adopted en bloc.

CARRIED UNANIMOUSLY 12/-

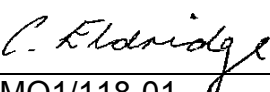

Note: Councillor Horley declared an interest in relation to D70.11 and had intended to leave the room while the matter was discussed. Due to an oversight, this matter was not withdrawn from En Bloc voting.

12.2 Development Services Report No's D64.11 to D75.11 (copy attached)

Note: Regulation 11(da) of the *Local Government (Administration) Regulations 1996* requires written reasons for each decision made at the meeting that is significantly different from the relevant written recommendation of a committee or an employee as defined in section 5.70, but not a decision to only note the matter or to return the recommendation for further consideration.

D64.11	No. 118-120 (Lot 888) Monash Avenue, Nedlands – Change of Use (from Aged Persons Dwellings) to Communal Facilities & Office-General

Regulation 11(da) – Not applicable – Recommendation adopted.

Moved – Councillor Shaw
 Seconded – Councillor Binks

That the Recommendation to Council is adopted.
 (Printed below for ease of reference)

CARRIED 9/3
(Against: Crs. Horley Hodsdon & Walker)

Council Resolution / Committee Recommendation / Recommendation to Committee
Council approves an application for Change of Use (from Aged Persons Dwellings) to Communal Facilities and Office-General at No. 118-120 (Lot 888) Monash Avenue, Nedlands, in accordance with the application and plans dated 14 September 2011, with the following conditions:

- 1. All stormwater from building, paved areas and driveways shall be contained on site by draining to soak-wells of adequate capacity to contain runoff from a 20 year recurrent storm event; and soak-wells shall be a minimum capacity of 1 m³ for every 80 m² of paved or roofed surface on the property.**
- 2. Any additional development, which is not in accordance with the original application or conditions of approval, as outlined above, will require further approval by Council.**

Advice Notes

As a result of community consultation conducted as part of processing this application, the local residents are unified in expressing significant concerns regarding the size and useability of the communal facilities, and poor communication regarding all redevelopment matters. Accordingly, the City recommends that the Landowner take steps in addressing these issues in a meaningful way, in order to promote community wellbeing.

a. Building:

- i. More detailed plans are required for a complete assessment under the Building requirements;**
- ii. Universal access to all buildings will be required;**
- iii. Universal toilet facilities for all buildings are required; and**
- iv. Protection to openings from fire source features and adjoining buildings could be an issue and design modification may be required.**

b. Environmental Health:

- i. Prior to the City issuing a development approval, an applicant shall lodge with the City an Application for Food Premises Alteration / Fit-out which an Environmental Health Officer at the City is satisfied demonstrates food safety outcomes;**
- ii. Applicant is advised to consult the Water Corporation with respect to the disposal of industrial waste and the provision of a grease trap / grease arrestor where necessary;**
- iii. Prior to commencing a Food Business, the premises shall receive an inspection from an Environmental**

Health Officer at the City which cites the Food Business may commence operation;

- iv. Prior to commencing a Food Business, a documented Food Safety Program which meets the requirements of the Australian New Zealand Food Standards Code Standard 3.2.1 Food Safety Programs, shall be deemed satisfactory by an Environmental Health Officer at the City;**
- v. Upon commencement of a Food Business, a Food Safety Program which meets the requirements of the Australian New Zealand Food Standards Code Standard 3.2.1 Food Safety Programs shall be implemented and maintained;**
- vi. Adjacent to any food preparation area, there shall be a dedicated stand alone hand wash basin connected to a supply of warm running potable water, which can be operated other than by hand;**
- vii. Fixtures, fittings and equipment that are designed to be connected to a sewage and waste water disposal system and discharge sewage or waste water shall be connected to a sewage and waste water disposal system;**
- viii. Liquid waste which includes kitchen, scullery and any other domestic or trade wastes that are discharged by means of a drain to a receptacle for drainage shall be disposed of by discharging it into the sewerage system of a licensed water service operator in a manner approved by the licensed water service operator;**
- ix. Applicant is advised to consult the Water Corporation with respect to the disposal of industrial waste and the provision of a grease trap / grease arrestor where necessary;**
- x. Premises shall have a separate cleaners or sluice sink located outside of any area where open food is handled;**
- xi. Designated storage areas for cleaning chemicals and equipment and personal belongings shall be available and separate from any food preparation or food storage area;**
- xii. All internal water closets and ensuites without fixed or permanent window access to outside air or which open onto a hall, passage, hobby or staircase, shall be**

- serviced by a mechanical ventilation exhaust system which is ducted to outside air, with a minimum rate of air change equal to or greater than 25 litres per second;
- xiii. Adequate staff and public sanitary conveniences shall be provided in accordance with the Building Code of Australia;
 - xiv. A sanitary convenience shall not have an entrance opening from a habitable room, a room used for the manufacture or storage of food for human consumption or a room used as a factory workshop or workplace, except through an airlock which has a floor area of at least 1.85 m² and direct ventilation to open air;
 - xv. Access to any public sanitary convenience shall not be through or pass adjacent to, without complete physical segregation from, any food preparation, storage, packing or handling area;
 - xvi. A staff sanitary convenience hand wash basin shall be located adjacent to the sanitary convenience and shall be connected to a supply of warm running potable water;
 - xvii. All downpipes from guttering shall be connected so as to discharge into drains which shall empty into a soak-well and each soak-well shall be located at least 1.8 m from any building and at least 1.8 m from the boundary of the block;
 - xviii. The applicant is advised to consult the City's Visual and Acoustic Privacy Advisory Information in relation to selecting and locating any air-conditioner or swimming pool or spa mechanical equipment such that noise, vibration and visual impact on neighbours is mitigated;
 - xix. The City does not recommend any air-conditioner, swimming pool or spa mechanical equipment is installed near a property boundary where it is likely noise from such mechanical equipment in these locations will intrude on neighbouring properties;
 - xx. Prior to selecting a location to install an airconditioner, applicant is advised to consult the online fairair noise calculator at www.fairair.com.au and use this as a guide on air-conditioner placement so as to prevent noise affecting neighbouring properties;
 - xxi. Prior to installing an air-conditioner or swimming pool or spa mechanical equipment, applicant is advised to consult residents of neighbouring properties and if

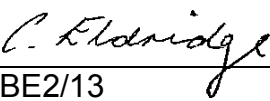

necessary take measures to prevent noise affecting neighbouring properties;

- xxii. Noise from service and/or delivery vehicles should be mitigated and such vehicles should not service the premises before 7:00 am or after 7:00 pm Monday to Saturday, or before 9:00 am or after 7:00 pm on Sundays and Public Holidays;
- xxiii. Removal and disposal of ACM shall be in accordance with *Health (Asbestos) Regulations 1992, Regulations 5.43 - 5.53 of the Occupational Safety and Health Regulations 1996, Code of Practice for the Safe Removal of Asbestos 2nd Edition, Code of Practice for the Management and Control of Asbestos in a Workplace* and any Department of Commerce Worksafe requirements;
- xxiv. Where there is over 10 m² of ACM or any amount of friable ACM to be removed, it shall be removed by a Worksafe licensed and trained individual or business;
- xxv. A construction management plan shall detail how proposed site works will be managed to minimise environmental impacts and shall address but not be limited to:
 - 1) Staging plan for the entire works;
 - 2) Applicable timeframes and assigned responsibilities for tasks;
 - 3) On-site storage of materials and equipment;
 - 4) Parking for contractors;
 - 5) Waste management;
 - 6) Management of noise in accordance with the requirements of the *Environmental Protection (Noise) Regulations 1997*;
 - 7) Management of vibrations; and
 - 8) Complaints and incidents;
- xxvi. An internal laundry shall be provided which has a minimum floor area of 3 m² and minimum width of 1.5 m:

- 1) Where a laundry is situated adjacent to a kitchen, the laundry shall be separated from the kitchen by a wall extending from the floor to the roof / ceiling, or an opening which is not more than 1220 mm wide and has a door which when closed completely fills the opening.**

D65.11	No. 13 (Lot 11194) Bedbrook Place, Shenton Park – Industrial-light (Pathology, Collection & Infusion Centres) within a Two-Storey Building

Committee	29 November 2011
Council	13 December 2011

Applicant	TPG Town Planning & Urban Design
Owner	Palmyra Pty Ltd
Officer	Jennifer Heyes – Manager Planning Services
Director	Carlie Eldridge – Director Development Services
Director Signature	
File ref	BE2/13
Previous Item No's	N/A
Disclosure of Interest	No officer involved in the preparation of this report had any interest which required it to be declared in accordance with the provisions of the <i>Local Government Act (1995)</i> .

Councillor Walker – Impartiality Interest

She disclosed she had been lobbied and had correspondence with a number of conservationists and representatives of Clinipath and that Mr Berry a leading author on Black Cockatoos whose academic papers are quoted in the many reports she has read is a friend and neighbour, and as a consequence, there may be a perception that her impartiality on the matter may be affected. She declared that she would consider this matter on its merits and vote accordingly.

Regulation 11(da) – Council wanted to retain natural bushland in the area by deleting car bays 94 to 114.

Moved – Councillor Walker

Seconded – Councillor James

That the Recommendation to Council is adopted subject to the addition of a new clause 3 as follows and the renumbering of the remaining clauses:

- 3. Carparking bays Nos. 94 to 114 shall be deleted and natural bushland retained in this area; additional car bays may be located in an extended parking area under the building.**

**CARRIED ON CASTING VOTE 7/6
(Against: Crs. Collins McManus Hassell
Porter Binks & Shaw)**

Council Resolution

Council approves an application for Industrial - light (Pathology, Collection & Infusion Centres) within a Two-Storey Building at No.13 (Lot 11194) Bedbrook Place, Shenton Park, in accordance with the application and plans dated 16 November 2011 with the following conditions:

- 1. The four (4) existing mature trees identified on the site plan shall be retained and maintained to the satisfaction of the City.**
- 2. The existing remnant vegetation located within 4.5 m of the rear boundary shall be retained, and the area of existing unvegetated land within this 4.5 m area shall be revegetated, to the satisfaction of the Council.**
- 3. Carparking bays Nos. 94 to 114 shall be deleted and natural bushland retained in this area; additional car bays may be located in an extended parking area under the building.**
- 4. The existing trees and areas of remnant vegetation to be retained shall be protected prior to, and during demolition and construction (refer advice note 2).**
- 5. Prior to the commencement of clearing of the land, a detailed landscape plan shall be submitted and approved by the City.**

The landscape plan shall:

- a. identify the four (4) existing mature trees to be retained;**
 - b. identify the existing remnant vegetation within 4.5 m of the rear boundary;**
 - c. identify any other remnant vegetation that will be maintained on the site, especially in areas surrounding the existing mature trees which are to be retained; and**
 - d. identify other areas of landscaping in accordance with landscape plan submitted with the application.**
- 6. All landscaping and revegetation shall be carried out in conjunction with, and to the satisfaction of the City, using best practice principles for landscaping and revegetation (refer advice note 3).**
 - 7. The landscaping is to be established prior to the development being first occupied and thereafter maintained**

the satisfaction of the City throughout the life of the development.

8. The verge parking spaces may be constructed to Council's specifications by the applicant/owner and at the applicant/owner's cost.
9. The parapet wall shall be finished to a quality finish and to a professional standard to the satisfaction of the City.
10. The use of bare or painted metal building materials is permitted on the basis that, if during or following the erection of the development the Council forms the opinion that glare which is produced from the building/roof has or will have a significant detrimental effect upon the amenity of neighbouring properties, the Council may require the owner to treat the building/roof to reduce the reflectivity to a level acceptable to Council.
11. All stormwater from building, paved areas and driveways shall be contained on site by draining to soak-wells of adequate capacity to contain runoff from a 10 year recurrent storm event; and soak-wells shall be a minimum capacity of 1 m³ for every 80 m² of paved or roofed surface on the property.
12. Any additional development, which is not in accordance with the original application or conditions of approval, as outlined above, will require further approval by Council.

Advice Notes

1. It is the Applicant's responsibility to obtain all required State and Federal environmental approvals, including DEC Clearing Permits.
2. In relation to condition 4, it is expected that fencing be used to protect the existing remnant vegetation during construction and the area around the trees be fenced off at least 1 m beyond the drip line (area directly located under the outer circumference of the tree branches, i.e. the canopy) to protect the tiny rootlets that take up water for the tree.
3. In relation to condition 5, best practice principles and techniques shall include:
 - a. Undertaking initial weed control where required to reduce a weed seed bank;
 - b. Translocate topsoil and leaf litter layer to the cleared area to prevent soil movement, maintain leaf litter

- cover for reptile movement, and transfer seed bank to assist with revegetation;**
 - c. A combination of planting and direct seeding may be required dependent on species available for planting;**
 - d. Use of local endemic plant species where possible;**
 - e. If direct seeding, then use local provenance seed only (collected from local bushland areas such as Shenton Park);**
 - f. Maintain the cover and structure of existing remnant vegetation;**
 - g. Maintain the cover and structure of existing remnant vegetation:**
 - i. upper (trees), Mid (shrubs) and Low (understorey) layers;**
 - ii. achieve density similar to that of surrounding remnant vegetation (could take up to five (5) years); and**
 - h. Provide maintenance to ensure plant survival and prevent weed encroachment.**
- 4. The site has special environmental qualities of a local and regional nature, specifically that it is an ecological linkage between larger sites in the immediate vicinity with high quality remnant vegetation. Although an eco-link has been provided to some degree, the City strongly encourages the applicant to reconsider at least a minimum 10 m wide eco-link along the western side of the lot.**
- 5. Following a referral to the Water Corporation (re: the odour buffer), the following advice note is provided:**
- a. The primary use of the development is to remain of a light industrial nature.**
- 6. Following a referral to the EPA, the following advice note is provided:**
- a. The EPA expects that the proposal will be implemented in an environmentally responsible way.**

Committee Recommendation

Council approves an application for Industrial - light (Pathology, Collection & Infusion Centres) within a Two-Storey Building at No.13 (Lot 11194) Bedbrook Place, Shenton Park, in accordance with the application and plans dated 16 November 2011 with the following conditions:

1. The four (4) existing mature trees identified on the site plan shall be retained and maintained to the satisfaction of the City.
2. The existing remnant vegetation located within 4.5 m of the rear boundary shall be retained, and the area of existing unvegetated land within this 4.5 m area shall be revegetated, to the satisfaction of the Council.
3. The existing trees and areas of remnant vegetation to be retained shall be protected prior to, and during demolition and construction (refer advice note 1).
4. Prior to the commencement of clearing of the land, a detailed landscape plan shall be submitted and approved by the City.

The landscape plan shall:

- a. identify the four (4) existing mature trees to be retained;
 - b. identify the existing remnant vegetation within 4.5 m of the rear boundary;
 - c. identify any other remnant vegetation that will be maintained on the site, especially in areas surrounding the existing mature trees which are to be retained; and
 - d. identify other areas of landscaping in accordance with landscape plan submitted with the application.
5. All landscaping and revegetation shall be carried out in conjunction with, and to the satisfaction of the City, using best practice principles for landscaping and revegetation (refer advice note 2).
 6. The landscaping is to be established prior to the development being first occupied and thereafter maintained the satisfaction of the City throughout the life of the development.
 7. The verge parking spaces may be constructed to Council's specifications by the applicant/owner and at the applicant/owner's cost.

8. The parapet wall shall be finished to a quality finish and to a professional standard to the satisfaction of the City.
9. The use of bare or painted metal building materials is permitted on the basis that, if during or following the erection of the development the Council forms the opinion that glare which is produced from the building/roof has or will have a significant detrimental effect upon the amenity of neighbouring properties, the Council may require the owner to treat the building/roof to reduce the reflectivity to a level acceptable to Council.
10. All stormwater from building, paved areas and driveways shall be contained on site by draining to soak-wells of adequate capacity to contain runoff from a 10 year recurrent storm event; and soak-wells shall be a minimum capacity of 1 m³ for every 80 m² of paved or roofed surface on the property.
11. Any additional development, which is not in accordance with the original application or conditions of approval, as outlined above, will require further approval by Council.

Advice Notes

1. It is the Applicant's responsibility to obtain all required State and Federal environmental approvals, including DEC Clearing Permits.
2. In relation to condition 3, it is expected that fencing be used to protect the existing remnant vegetation during construction and the area around the trees be fenced off at least 1 m beyond the drip line (area directly located under the outer circumference of the tree branches, i.e. the canopy) to protect the tiny rootlets that take up water for the tree.

CARRIED UNANIMOUSLY EN BLOC 12/-

Council Resolution / Committee Recommendation
Lay on the table for further discussion between Administration and the applicant to resolve outstanding issues.

Recommendation to Committee

Council refuses an application for a two storey dwelling located at No.48 (222) Riley Road, Dalkeith in accordance with the application and plans dated 5 May 2011 and the amended plans dated 25 October 2011 for the following reasons:

1. The proposed screen walls in the front setback do not comply with the acceptable development or performance criteria of Clause

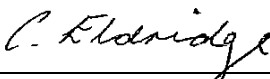

6.2.5 of the Residential Design Codes and will detract from the open nature of the streetscape;

2. The proposed fill and retaining located within 3 m of the primary street alignment does not comply with the acceptable development or performance criteria of Clause 6.6.1 of the Residential Design Codes;
3. The proposed portico does not comply with the City of Nedlands Local Planning Policy 6.23 'Carports and Minor Structures Forward of the Primary Street Setback';
4. The rear setback of the dwelling does not assist in ameliorating the impacts of building bulk on adjoining properties;
5. The external appearance of the development and cumulative effect of all the variations will have an adverse impact on the amenity of the surrounding area;
6. The proposal will not be orderly and proper planning.

Please note – This item has been deferred by the applicant until the February 2012 Council meeting.

Council Resolution / Committee Recommendation / Recommendation to Committee

Council approves an application under the City's Town Planning Scheme No. 2 (TPS2) for proposed additions and alterations to an existing three storey dwelling at No.57 (Lot 751) The Avenue, Nedlands in accordance with the application dated 11 July 2011 and the amended plans dated 30 August 2011 and 7 November 2011 attached hereto, subject to the following conditions:

- Visual screening is to be provided on the north eastern elevation of the proposed rear balcony and new portion of front balcony, to a height of 1.65 m above finished floor level, in accordance with Clause 6.8.1 of the Residential Design Codes (RCodes) (refer Advice Note a. below).**

- 2. This approval does not include ancillary accommodation (refer to Advice Note b. below).**
- 4. All stormwater from building, paved areas and driveways shall be contained on site by draining to soak wells of adequate capacity to contain runoff from a 10 year recurrent storm event; and soak wells shall be a minimum capacity of 1.0 m³ for every 80 m² of paved or roofed surface on the property.**
- 4. The use of bare or painted metal building materials is permitted on the basis that, if during or following the erection of the development the Council forms the opinion that glare which is produced from the building / roof has or will have a significant detrimental effect upon the amenity of neighbouring properties, the Council may require the owner to treat the building / roof to reduce the reflectivity to a level acceptable to Council.**
- 5. The use of the converted garage on the ground floor level shall be restricted to the uses as depicted in the plans dated 7 November 2011 i.e. Plant Room and Storage.**
- 6. Prior to the issue of a Building Licence for the development the owner shall execute and provide to the City a notification pursuant to section 70A of the *Transfer of Land Act 1893* to be registered on the title to the land as notification to prospective purchasers that the use of the converted garage on the ground floor level is subject to the restriction set out in Condition 5 above.**
- 7. A grated channel strip-drain shall be constructed across the driveway, aligned with and wholly contained within the property boundary. The discharge from this drain to be run to a soak-well situated within the property.**
- 8. Any additional development, which is not in accordance with the original application or conditions of approval, as outlined above, will require further approval by Council.**

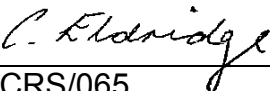

Advice Notes

- a. Amended plans shall be submitted prior to or in conjunction with, the Building Licence to show adequate privacy screening to the balconies as per Condition 1. (as marked in red on the approved plans).**
- b. The applicant is advised that further planning approval is required for any portion of the dwelling to be used as ancillary accommodation.**

- c. All internal WC's and ensuites without window access to outside air must be serviced by mechanical ventilation, which is ducted to outside air and the minimum rate of air change must be equal or greater than 25 litres per second.**
- d. Ensure that air conditioner unit(s) comply with relevant Australian Standards and that noise emissions comply with the *Environmental Protection (Noise) Regulations 1997*.**
- e. It is strongly advised that consultation is undertaken with the installer and adjoining neighbour(s) prior to installation of air-conditioning equipment. In the event of a noise complaint being received by the City, remedial action (including potential relocation or other attenuation measures) may be required or the air conditioner may be prohibited from being used. It is recommended that applicants refer to the City's Visual and Acoustic Privacy Information document and also the fair air noise calculator online at www.fairair.com.au.**

Previous Item No's	
Disclosure of Interest	No officer involved in the preparation of this report had any interest which required it to be declared in accordance with the provisions of the <i>Local Government Act (1995)</i> .

Note: Councillor Horley declared an interest in relation to D70.11 and had intended to leave the room while the matter was discussed. Due to an oversight, this matter was not withdrawn from En Bloc voting.

Councillor Horley – Financial Interest

Councillor Horley disclosed a financial interest in Item D70.11 - Lot 2103 Brockway Road, Mt. Claremont – Proposed Limited Outline Development Plan for the University of Western Australia Sports Hockey Precinct, her interest being that she was an employee of the University of Western Australia. She advised that she would leave the meeting during this matter, however due to an administration oversight, this matter was not withdrawn from En Bloc voting.

Regulation 11(da) - Not applicable – Recommendation adopted.

Moved – Councillor James
Seconded – Councillor Collins

That the Committee Recommendation is adopted.

**Council Resolution / Committee Recommendation /
Recommendation to Committee**

Council:

- 1. Approves pursuant to Clause 3.8.7 of the City's Town planning Scheme the Limited ODP for the UWA Sport Hockey Precinct Located at Lot 2103 Brockway Road, Mt. Claremont as outlined in the document entitled 'UWA Sports Park Hockey Precinct Limited Outline Development Plan' date August 2011 from CLE Town Planning and Design.**
- 2. Forward the document to the WAPC for adoption of the ODP document.**

D71.11	Lot 12040 Heritage Lane Mt Claremont - Proposed subdivision into three lots for complex formerly known as Swanbourne Hospital for the Insane
---------------	---

Committee	29 November 2011
Council	13 December 2011

Applicant	The Planning Group
Owner	Swanbourne Estate Developments Pty Ltd
Officer	Gabriela Poezyn - Manager Strategic Planning
Director	Carlie Eldridge - Director Development Services
Director Signature	
File ref.	WAPC/1450740
Previous Item No's	No previous subdivision application for this parcel of land has been received, although this land was part of the subdivision applications for the northern and southern wings
Disclosure of Interest	No officer involved in the preparation of this report had any interest which required it to be declared in accordance with the provisions of the <i>Local Government Act (1995)</i> .

Regulation 11(da) – Not applicable – Recommendation adopted.

Moved – Councillor Shaw

Seconded – Councillor Binks

Recommend approval of the proposed subdivision of Lot 12010 Heritage Lane Mt Claremont into 3 lots, as presented on D71.11 Attachment 5, with the following recommended conditions:

1. that Public Open Space (POS) provision be made to a minimum width of 7.5 metres, along the entire length of the northern boundary to proposed lots 1 & 2;
2. that POS provision be made between the proposed extension of Heritage Lane (shown on D71.11 Attachment 5), and the entire northern part eastern boundaries of proposed lot 3;
3. that provision be made for a public access way (PAW) along the entire southern boundary of proposed lots 1, 2 & 3; and
4. that the POS & PAW provisions be clearly delineated as part of the plan of subdivision.

Amendment

Moved – Councillor Horley

Seconded – Councillor McManus

That points 1, 2 & 3 from pages 89-91 of the Development Services Committee Agenda Report be included.

(Against: Crs. Horley McManus Argyle
Hassell Porter Binks & Shaw)

The motion was put and

CARRIED 10/2

(Against: Crs. Binks & Shaw)

Council Resolution / Committee Recommendation

Council:

1. **Does not support the proposed subdivision of Lot 12040 Heritage Lane into three (3) green title lots for the following reasons:**
 - a. **The subdivision cannot legally be approved in the absence of a Council adopted Outline Development Plan (ODP);**

- b. The subdivision is contrary to orderly and proper planning of the area as it prevents coordinated development;**
- c. The proposed layout causes the following issues:**
 - i. It is not logical particularly the interrelationship between lots 2 and 3.**
 - ii. Pedestrian Access: It will threaten the delivery of a pedestrian access in an east/west direction across the site, which had been identified as being significant for the amenity of the existing residents of the area as required by Town Planning Scheme No 2.**
 - iii. Landscaped setting: It will not be possible to delivery of the park-like landscaped setting for the historic buildings which will undermine the heritage value of the site as required by Town Planning Scheme No 2.**
 - iv. Vehicle Access:**

Lots 1 & 2:

The proposed vehicle access to lots 1 and 2 which has been limited to Abbey Gardens only is not acceptable for the following reasons:

 - 1) The concept deviates from existing planning for the area (development plan and LPS, which are the product of extensive public consultation) which stipulates that vehicle access be primarily from Heritage Lane with no access from Abbey Gardens except for service vehicles for Montgomery Hall.**
 - 2) Additional traffic volumes generated by proposed uses on Lots 1 and 2 may be inappropriate for the surrounding residential streets like Abbey Gardens and St John's Wood Boulevard.**
 - v. Parking:**

Lot 1: Being segregated it would not be possible for a future Montgomery Hall use to rely on any of the other parcels of land to

assist with carparking, which current planning required to be provided on the southern wing or elsewhere on the areas that are now proposed lots 2 and 3.

Lot 2: Very limited area is available for on-site parking on Lot 2 given that the building for proposed Lot 2 extends boundary to boundary.

- vi. **Heritage Values:** The introduction of new boundary lines will require demolition of existing heritage fabric, for the boundary between Lot 1 and 2, and alterations to the existing buildings to meet fire requirements and will diminish the heritage values of the historic buildings.
 - vii. **Stormwater:** Each site would be required to retain its own stormwater on site, which has already proved to be difficult with the construction of the lots in the northern wing, and be a challenge particularly for proposed lot 2.
2. **Advises the WAPC of its decision under 1 above.**
3. **In the alternative, recognising that the WAPC may wish to approve to subdivision proposal, advise the WAPC that the the following conditions should be imposed (to be read in conjunction with the plan attached as attachment 5):**
- a. **The applicant prepare a Detailed Area Plan for adoption by the City which, when adopted, will guide the comprehensive redevelopment of the site. As a minimum the Detailed Area Plan shall show the following:**
 - i. **Details of any development proposals including adaptive reuse of the heritage buildings and any proposed new development noting that all development shall respect the existing heritage buildings;**
 - ii. **Proposed use of all existing and revamped facilities;**
 - iii. **Total intensity of proposed development (expressed as the number of proposed dwellings for residential uses and development**

- standards as outlined in Town Planning Scheme No. 2 for non-residential uses);
- iv. Location of all proposed parking facilities so all the parking needs from the three proposed lots are met on each individual site;
- v. all vehicle access and vehicle movement arrangements for Lots 2 and 3, which shall be provided exclusively from Heritage Lane;
- vi. all pedestrian/bicycle access ways which will form the basis of access easements throughout the site that are intended to facilitate east/west movement through the site, and appreciation of the historic buildings;
- vii. all areas proposed to be used for public and private open space;
- viii. landscaping plans that show the retention of all existing vegetation, proposed soft and hard landscaping of all proposed public and private open space, surface treatment of proposed walkways, proposed hedges, post boxes and any proposed street furniture; and
- ix. time frames for implementation of the Detailed Area Plan.
- b. Vehicle access easements be imposed over proposed lot 3 in favour of proposed lot 2 so vehicle access to lot 2 can be provided from Heritage Lane.
- c. Openings within the existing buildings are to be protected in accordance with part C3.2 of the Building Code of Australia – LG Clearance required.
- d. The existing buildings are to achieve the required FRL's as stipulated in specification C1.1 of the Building Code of Australia relevant to the type of Construction. – LG clearance required.
- e. Stormwater drainage to comply with AS/NZS 3500.3 to be contained onsite.
- f. Easements to be imposed over all sites to secure east/west pedestrian and bicycle movement across the sites in accordance with the Detailed Area Plan required under 3(a) above.

- g. An access pathway be constructed by the developer to the satisfaction of the City to link The Marlows to Heritage Lane.**
 - h. Easements be imposed as shown in the attached plan to ensure that there is no vehicle access to Lot 2 from Charles Lane Extension or Abbey Gardens.**
 - i. Proposed treatment of the land immediately adjacent to the northern boundary between the subject lot and the northern subdivision wing (marked A) and between the subject site and the southern subdivision wing (marked B) to accommodate the requirement of the detailed area plans for the subdivision wings that the single lots respectively facing onto these boundaries address these areas.**
 - j. No building or part thereof shall be demolished.**
 - k. The titles of the proposed lots be endorsed to prohibit the construction of that any barriers on the proposed subdivision lines.**
 - l. The developer be required to enter into a legal agreement or similar with the City which commits the developer to the redevelopment of the heritage buildings and surrounding areas within a prescribed time frame.**
- 4. Administration submit an ODP to the February Council Meeting.**

Recommendation to Committee

Council:

1. Does not support the proposed subdivision of Lot 12040 Heritage Lane into three (3) green title lots for the following reasons:
 - a. The subdivision cannot legally be approved in the absence of a Council adopted Outline Development Plan (ODP);
 - b. The subdivision is contrary to orderly and proper planning of the area as it prevents coordinated development;
 - c. The proposed layout causes the following issues:

- i. It is not logical particularly the interrelationship between lots 2 and 3.
- ii. Pedestrian Access: It will threaten the delivery of a pedestrian access in an east/west direction across the site, which had been identified as being significant for the amenity of the existing residents of the area as required by Town Planning Scheme No 2.
- iii. Landscaped setting: It will not be possible to delivery of the park-like landscaped setting for the historic buildings which will undermine the heritage value of the site as required by Town Planning Scheme No 2.
- iv. Vehicle Access:

Lots 1 & 2:

The proposed vehicle access to lots 1 and 2 which has been limited to Abbey Gardens only is not acceptable for the following reasons:

- 1) The concept deviates from existing planning for the area (development plan and LPS, which are the product of extensive public consultation) which stipulates that vehicle access be primarily from Heritage Lane with no access from Abbey Gardens except for service vehicles for Montgomery Hall.
 - 2) Additional traffic volumes generated by proposed uses on Lots 1 and 2 may be inappropriate for the surrounding residential streets like Abbey Gardens and St John's Wood Boulevard.
- v. Parking:

Lot 1: Being segregated it would not be possible for a future Montgomery Hall use to rely on any of the other parcels of land to assist with carparking, which current planning required to be provided on the southern wing or elsewhere on the areas that are now proposed lots 2 and 3.

Lot 2: Very limited area is available for on-site parking on Lot 2 given that the building for proposed Lot 2 extends boundary to boundary.

- vi. Heritage Values: The introduction of new boundary lines will require demolition of existing heritage fabric, for the boundary between Lot 1 and 2, and alterations to the existing buildings to meet fire requirements and will diminish the heritage values of the historic buildings.
 - vii. Stormwater: Each site would be required to retain its own stormwater on site, which has already proved to be difficult with the construction of the lots in the northern wing, and be a challenge particularly for proposed lot 2.
2. Advises the WAPC of its decision under 1 above.
3. In the alternative, recognising that the WAPC may wish to approve to subdivision proposal, advise the WAPC that the the following conditions should be imposed (to be read in conjunction with the plan attached as attachment 4):
- a. The applicant prepare a Detailed Area Plan for adoption by the City which, when adopted, will guide the comprehensive redevelopment of the site. As a minimum the Detailed Area Plan shall show the following:
 - i. Details of any development proposals including adaptive reuse of the heritage buildings and any proposed new development noting that all development shall respect the existing heritage buildings;
 - ii. Proposed use of all existing and revamped facilities;

CARRIED 8/4
(Against: Crs. Horley McManus Porter & Walker)

Council Resolution / Recommendation to Council

Council, pursuant to Regulation 18 (12) of the *Environmental Protection (Noise) Regulations 1997*, agrees to the Town of Cambridge's proposed conditions, (outlined in Attachment 1) for the 80's Dance Picnic Party to be held at the WA Athletics Stadium on Saturday 21 January 2012, subject to;

1. the Town of Cambridge's "Advice to Residents" leaflet being distributed to the residential notification area in the City of Nedlands identified in Attachment 2; and
2. the Town of Cambridge notifying the City of Nedlands Health Section of any noise complaints received from residents in the City of Nedlands, within five (5) days after the event.

Purpose

This report is coming before Council because the Town of Cambridge sent correspondence to the City advising that the Town of Cambridge's Chief Executive Officer has approved an application from Graham Hush of Venues West to host the 80's Dance Picnic Party Outdoor Concert at the WA Athletics Stadium on Saturday 21 January 2012. This approval is pursuant to Regulation 18(3) of the *Environmental Protection (Noise) Regulations 1997*. (The regulations)

Council's role is to determine whether it agrees with the Town of Cambridge's proposed conditions applicable to the approval, pursuant to Regulations 18(12) of the Regulations which states:

- (12) *An approval must not be granted unless the local government of each district in which noise emissions received from the event are likely to fail to comply with the standard prescribed under regulation 7 agrees to the proposed conditions applicable to the approval.*

Strategic Plan

Strategic Plan Implications

In agreeing with the conditions imposed by the Town of Cambridge for the 80's Dance Picnic Party Outdoor Concert to be held at the WA Athletics Stadium on 21 January 2012, this supports the City's Strategic Plan in the following areas.

KFA 4: Community Wellbeing

- 4.4 Continue to develop a sense of community through the promotion of cultural events and programs.

The 80's Dance Picnic Party Outdoor Music Concert is supported by KFA 4.4 above in that it provides an opportunity for residents to be seen and supported in the greater community and enjoy music from a variety of artists at the one venue. In doing so, they are able to interact socially with those who have a similar interest.

KFA 5: Governance

- 5.6 Ensure compliance with statutory requirements and guidelines.
5.8 Establish and actively manage a range of partnerships with government, private and not-for-profit sectors.

In agreeing to the conditions imposed by the Town of Cambridge for 80's Dance Picnic Party Outdoor Music Concert, the City is fulfilling a statutory requirement under Regulation 18 of the *Environmental Protection (Noise) Regulations 1997*. This is supported by KFAs 5.6

and 5.8. The Town of Cambridge cannot proceed with approving the event unless the City agrees to the conditions imposed.

Background

The WA Athletics Stadium venue is traditionally associated with holding Athletics meets and sport orientated events. The vision for this site is that it will be used to host varying artists and performances that the community will benefit from. Venues West have a long history of managing major outdoor festivals and concerts at their other venues and as preference grows for outdoor concerts within the community, this venue, subject to approval, will provide a site to meet the needs of this varying demographic. The WA Athletics stadium crosses the boundary between the City of Nedlands and The Town of Cambridge, depending on the location of structures within the stadium for a particular event, onus for approval may fall on either council. For large events, the responsible Council seeks agreement from the City of Nedlands regarding the acceptability of the conditions it will impose on the event. This enables the Town to fulfill the regulatory requirement prior to granting approval for such events. The City has previously agreed to conditions imposed by our surrounding municipalities for other similar events.

Proposal Detail

The 80's Dance Picnic Party Outdoor Music Concert is scheduled to be held at the WA Athletics Stadium on Saturday 21 January 2012. The concert features well known international acts such as Ali Campbell's UB40, Billy Ocean and Big Mountain.

The Town of Cambridge would ordinarily seek Council agreement to the conditions the Town will impose on the 80's Dance Picnic Party Outdoor Music Concert in relation to noise. The Town of Cambridge would do so because it is required for this type of event under sub regulation 18(12) of the *Environmental Protection (Noise) Regulations 1997* which states:

“an approval must not be granted unless the local government of each district in which noise emissions received from the event are likely to fail to comply with the standard prescribed under regulation 7, agrees to the proposed conditions applicable to approval.”

Council would ordinarily need to consider the Town of Cambridge's conditions applicable to approval and decide whether it agrees to them. Although application was made to the Town of Cambridge within the 60 day approval period, as the City of Nedlands does not hold a Council Meeting in January, the proper protocols have not been able to be met for Council to approve the conditions at a Council Meeting.

Council is advised to consider the Town of Cambridge's conditions applicable to approval and decide whether it agrees to them. Refer to attachment 1 for the conditions applicable to approval.

Consultation

Not applicable.

Legislation

- *Environmental Protection (Noise) Regulations 1997*
- City of Nedlands is the determining authority for conditions applicable to approval
- Town of Cambridge is the determining authority for the approval

Budget/financial implications

Budget:

Nil

Financial:

Nil

Strategic Plan Implications

In agreeing with the conditions imposed by the Town of Cambridge for the 80's Dance Picnic Party Outdoor Music Concert to be held at the WA Athletics Stadium on 21 January 2012, this supports the City's Strategic Plan in the following areas.

Vision

The City of Nedlands is an attractive City with residential amenity and a strong sense of community and place.

Risk Management

Conditions applicable to approval are considered by Council as required by the *Environmental Protection (Noise) Regulations 1997*. The conditions applicable to approval are adequate in minimising the possibility of the City receiving noise complaints from its residents.

Discussion

The 80's Dance Picnic Party Outdoor Music Concert 2012 is scheduled for Saturday 21 January 2012 from 5.00 pm until 10.00 pm. This music event is similar to others hosted within the Western Suburbs, where due to the likelihood of noise levels being exceeded, requires an exemption from the relevant provisions of the Environmental Protection (Noise) Regulations 1997 (the Regulations) prior to the event going ahead. Under the relevant provisions in the Regulations, Regulation 18 (12) states:

“an approval must not be granted unless the local government of each district in which the noise emissions received from the event are likely to fail to comply with the standard prescribed under Regulation 7 agrees to the proposed conditions applicable to the approval.”

The purpose of a Regulation 18 approval is to cater for an event, which would otherwise lose its character or usefulness if it were required to comply with prescribed noise levels. Regulation 7 stipulates prescribed noise levels normally applied to assess the impact of noise within neighbourhoods.

There is likelihood that noise levels will exceed the requirements of the Regulations in some areas of the City of Nedlands, most particularly those located in Mount Claremont. The Town has imposed conditions on the event to facilitate noise control (refer to attachment 1, schedule – conditions of approval). The residential notification area in the City of Nedlands is as per attachment 2.

As required by Regulation 18, in order for the approval of the event to be granted, the Town of Cambridge has sought comment from the surrounding Local Government Authority (being the City of Nedlands) to agree to the conditions it has imposed. Noise from the event will be of a dance music genre incorporating amplifiers and public address systems. Residents who may be affected by noise from the event will be notified via an information leaflet at least 7 days prior to the event. Details of the event and a complaint response service will also be publicised no later than Saturday 14 January 2012 in the local newspapers.

Issue: Noise likely to be heard at some residences in the City of Nedlands

Requirement:	That Council agrees to conditions applicable to approval for the 80's Dance Picnic Party Outdoor Music Concert at the WA Athletics Stadium, Saturday 21 January 2012.	Acceptable development and performance criteria
Applicants Proposal:	To seek agreement from Council of the conditions applicable to approval.	
Applicant justification summary:	The Town of Cambridge is required to have agreement from the City of Nedlands Council for the conditions applicable to approval, so that an approval can be granted.	
Officer technical comment:	<p>The Town of Cambridge's application to seek agreement from the City of Nedlands Council over conditions applicable to approval is considered to comply as per the requirement to do so under the <i>Environmental Protection (Noise) Regulations 1997</i>.</p> <p>The noise control measures which form the conditions applicable to approval should:</p> <ol style="list-style-type: none"> 1) include the Town of Cambridge's "Advice to Residents" leaflet being distributed to the residential notification area in the City of Nedlands identified in Attachment 2; and 2) include the Town of Cambridge notifying the City of Nedlands Health Section of any noise complaints received from residents in the City of Nedlands, within 5 days after the event. 	

Conclusion

It is important to note that Council's role in the Town of Cambridge's approval process for the 80's Dance Picnic Party Outdoor Concert is to agree, or not to agree, as to whether the event conditions imposed by the Town of Cambridge are reasonable. Council's role is not to decide whether it approves the event or not. The Environmental Protection (Noise) Regulations 1997 recognise the likelihood that noise levels from such an event will be above the normal neighbourhood levels. It is anticipated that the impact on City of Nedlands residents will be tolerable given the proposed conditions of approval.

In view of the above and the fact that notification is a condition of approval, there seems to be little justification for Council not to agree with the conditions the Town of Cambridge will impose. The City's records do not indicate any noise complaints from the previous event held at this venue.

Attachments

2. Residential notification area.

Please Note: Attachments to be provided by Town of Cambridge and to be circulated prior to Council meeting.

Council Resolution

That this matter be deferred pending receipt of legal advice.

Committee Recommendation

The Ministers instructions are taken under protest as the Scheme Amendment No. 192 is:

- contrary to the views of the majority of the community;
- contrary to the outcomes of extensive community consultation;
and
- contrary to orderly and proper planning undertaken by the City.

Recommendation to Committee

That the City of Nedlands discontinues amendment No. 192 of Town Planning Scheme No. 2.

Comment:

The City of Nedlands in good faith initiated scheme amendment No. 192 of Town Planning Scheme No. 2 to increase commercial and residential densities along Waratah Avenue Dalkeith, in accordance with State Government policies. After much community consultation a compromise was reached and documents submitted to the Minister for Planning, for approval.

The Minister requested changes to further increase densities, which were rejected by a clear majority of submissions from the community. Notwithstanding, the minister has resolved to override all objections.

It is now considered that Amendment No. 192 is unacceptable to the community and City of Nedlands.

A town planning scheme amendment initiated by a local government can be discontinued at any time. However under clause 76 of the Planning and Development Act, the Minister has the power to order a local government to prepare or adopt a scheme or amendment.

It is recommended that the City of Nedlands discontinues Amendment No. 192. The Minister could instruct the Council to finalise the amendment. However in that event, the responsibility for the amendment would lie squarely with the Minister, not the Council who would keep faith with the community.

14. Elected Members Notices of Motions of Which Previous Notice Has Been Given

Disclaimer: Where administration has provided any assistance with the framing and/or wording of any motion/amendment to a Councillor who has advised their intention to move it, the assistance has been provided on an impartial basis. The principle and intention expressed in any motion/amendment is solely that of the intended mover and not that of the officer/officers providing the assistance. Under no circumstances is it to be expressed to any party that administration or any Council officer holds a view on this motion other than that expressed in an official written or verbal report by Administration to the Council meeting considering the motion.

14.1 Scheme Amendment No. 192 Town Planning Scheme No. 2 – Dalkeith Special Control Area Provisions

At the Council meeting on 22 November 2011 Council deferred this item pending legal advice. The legal advice will be circulated prior to the Council meeting on 13 December 2011.

Regulation 11(da) – Council thought it appropriate to obtain reasons for the Minister’s decision.

Moved – Councillor Hassell
Seconded – Councillor Porter

In the interest of transparency and openness the Council seeks a full explanation from the Minister for his decision given the overwhelming public opposition to the proposed changes.

Ms N Borowicz, Executive Assistant left the meeting at 9.38 pm & returned at 9.40 pm.

**CARRIED 11/1
(Against: Cr. Shaw)**

Council Resolution

In the interest of transparency and openness the Council seeks a full explanation from the Minister for his decision given the overwhelming public opposition to the proposed changes.

Council's solicitors have been asked to confirm the wording of the resolution.

14.2 Councillor Hodsdon – Traffic Management Committee

On 3 December 2011 Councillor Hodsdon gave notice of his intention to move the following at this meeting.

Moved – Councillor Hodsdon

Seconded – Councillor Binks

The City reinstates the Traffic management committee with the same terms of reference as the previous traffic management Committee.

(Against: Mayor Hipkins Crs. Collins Argyle
Hassell Porter Walker James & Shaw)

Comment

- 1 The vote to disband TMC moved by Cr James failed however because there was no foreshadowed motion it meant there was no motion to fall back on. I would suggest that given that the bid to disband the committee failed I would suspect that there is a feeling that the TMC was an effective committee. It has community representation and was effective.
- 2 All motions from the committee come to council for varification. Thus the council has the final say.

Administration Comment

Council will shortly have an opportunity to re-examine a Committee Structure which will assist Councillors in their decision making. Traffic and parking will be included in that review.

14.3 Councillor Hodsdon – Air Conditioning – Dalkeith Community Centre (Hall)

On 3 December 2011 Councillor Hodsdon gave notice of his intention to move the following at this meeting.

Moved – Councillor Hodsdon
Seconded – Councillor Walker

The city installs air-conditioning into the Dalkeith Community Centre (Hall).

Lost 4/8
(Against: Mayor Hipkins Crs. Collins McManus
Argyle Hassell Porter James & Shaw)

Comments

1. The air conditioner that where there have been removed when the church left.
2. The hall is the City's responsibility and thus need to ensure it is a comfortable and health centre. Many aged and frail groups use this hall and it is very uncomfortable.
3. The cost would be around \$10-\$20 k for 4 split systems and the running costs could be recovered via a modest increase in usage fees.

Administration Comment

The City does not install air conditioners into its halls generally. The only council facility with air-conditioning is Mt Claremont which has a system designed into the building when designed. The John Leckie facility currently being upgraded will not be air-conditioned and has been designed with sustainability in mind on power usage.

The Dalkeith Hall also sits with NCC on 3 freehold lots owned by the City within the Waratah Shops which will be redeveloped in the future. It is proposed as part of the 2012/13 budget process for an item to be considered to undertake and prepare a strategy to manage the City's council facilities on freehold land in a sustainable manner into the future. Dalkeith Hall site would be part of this process.

Context:

If the City proceeds with air-conditioning the Dalkeith Hall there are 3 options available:

Air-conditioning Options:

There are 3 options available in regards to air-conditioning the Dalkeith Hall. As briefly outlined below:

System 1 – Packaged Air con Unit

This type of unit is the most suited to commercial applications like Dalkeith Hall. Details:

- Fully installed unit including internal ducting (unsightly) \$40,000
- Running cost would be very high – leading to reduction in use of building due to high costs of hire
- Ongoing maintenance of the system is costly and requires contracts with supplier
- Would have to be located on the outside of the building given its size leading to OSH issues and/or complaints

System 2 – Split Systems

This was previously installed by one of the user groups and needed 4 units (minimum) 6 would be needed to be effective. Details:

- Estimated cost of \$20,000 installed.
- Units are not designed for large open areas such as Dalkeith hall.
- Would not operate efficiently putting extra strain on each unit reducing performance and lifespan.
- Extremely high running costs. units don't have a very long life span in commercial application 5-8yrs.

Both these options (1 &2) run the risk of interfering with the operations of the Nedlands Community Care building if running at the same time

- There is only a limited electricity supply that provides both buildings with power, both systems operating simultaneously will put extreme pressure on the main lines to the building causing it to melt resulting in NCC being without electricity for a period of time.
- Both buildings could not be operated at once, there would be too much load on the electrics causing it to trip out and interfere with daily operations.
- Upgrading the main line is a very expensive option and not always approved by Western Power.

System 3 – Evaporative water coolers

The most efficient and practical solution for this building, Evaporative coolers require less power than mechanical systems and maintenance can be done annually. Details:

- Units would cost approx. \$20,000 this would be for a total of 4 units mounted on the roof.
- Dalkeith Hall has Asbestos roof cladding, this would need to be removed and replaced with Colorbond. Estimated cost of replacement around \$90,000.
- Very minimal running costs with low maintenance concerns when being used by user groups.
- Better airflow through the building than other systems allowing you to leave doors open and not affect the inside temperature.

All of the options above have no budget allocated for this financial year. Funding of this request would need to be allocated during the mid-year budget review!

Administration Recommendation:

It is recommended that:

1. air conditioning not be installed in Dalkeith Hall and user guidelines are developed for hall users to better manage the temperature within the current building design and fans;
2. the future of Dalkeith Hall be considered as part of the 2012/13 program; and
3. If Council proceed to air-condition the building system 3 is recommended, as even though it has higher upfront costs, it has lower running costs and maintenance costs for the City.

15. Elected members notices of motion given at the meeting for consideration at the following ordinary meeting on 28 February 2012.

Disclaimer: Where administration has provided any assistance with the framing and/or wording of any motion/amendment to a Councillor who has advised their intention to move it, the assistance has been provided on an impartial basis. The principle and intention expressed in any motion/amendment is solely that of the intended mover and not that of the officer/officers providing the assistance. Under no circumstances is it to be expressed to any party that administration or any Council officer holds a view on this motion other than that expressed in an official written or verbal report by Administration to the Council meeting considering the motion.

Notices of motion for consideration at the Council Meeting to be held on 28 February 2012 to be tabled at this point in accordance with Clause 3.9(2) of Council's Local Law Relating to Standing Orders.

16. Urgent Business Approved By the Presiding Member or By Decision

16.1 Metropolitan Local Government Review Panel

By email today, Councillors have been circulated with a draft to date of a suggested submission to the Metropolitan Local Government Review Panel. The draft submission is not complete at this stage but needs to be in before 23 December 2011.

The Chief Executive Officer recommends that the Mayor and himself be authorised to complete and submit the document along the lines already circulated.

Moved – Councillor McManus
Seconded – Councillor Walker

That the Chief Executive Officer together with the Mayor are authorised to complete and submit the submission to the Metropolitan Local Government Review Panel.

CARRIED UNANIMOUSLY 12/-

Council Resolution

That the Chief Executive Officer together with the Mayor are authorised to complete and submit the submission to the Metropolitan Local Government Review Panel.

Moved – Councillor Porter
Seconded – Councillor James

That Adams Road be accepted as urgent business.

**CARRIED 11/1
(Against: Crs. Horley)**

Councillor Walker left the meeting at 10.04 pm

16.2 Adams Road

Councillor Hassell – Impartiality interest

Councillor Hassell disclosed an impartiality interest in Item 16.2 - Adams Road –his interest being that he has been contacted by residents in the street regarding the matter and as a consequence, there may be a perception that his impartiality on the matter may be affected. He declared that he would consider this matter on its merits and vote accordingly.

Mr I Hamilton, Director Technical Services & Ms C Eldridge, Director Development Services left the meeting at 10.05 pm.

Councillor James – Impartiality interest

Councillor James disclosed an impartiality interest in Item 16.2 – Adams Road. She disclosed that she had spoken to Mr Marron previously when she was on Council and as a consequence, there may be a perception that her impartiality on the matter may be affected. She declared that she would consider this matter on its merits and vote accordingly.

Councillor Porter – Impartiality interest

Councillor Porter disclosed an impartiality interest in Item 16.2 - Adams Road –his interest being that he has been contacted by residents in the street regarding the matter and as a consequence, there may be a perception that his impartiality on the matter may be affected. He declared that he would consider this matter on its merits and vote accordingly.

Councillor Walker returned to the meeting at 10.06 pm.

Mayor Hipkins – Impartiality interest

Mayor Hipkins disclosed an impartiality interest in Item 14.3 - Adams Road –his interest being that he has been contacted by residents in the street regarding the matter and he has had 2 complaints from 2 residents against him and as a consequence, there may be a perception that his impartiality on the matter may be affected. He declared that he would consider this matter on its merits and vote accordingly.

Councillor Argyle – Impartiality interest

Councillor Argyle disclosed an impartiality interest in Item 14.3 - Adams Road –his interest being that he has been contacted by residents in the street regarding the matter and as a consequence, there may be a perception that his impartiality on the matter may be affected. He declared that he would consider this matter on its merits and vote accordingly.

Councillor Hodsdon – Impartiality Interest

Councillor Hodsdon disclosed an impartiality interest in Item 16.2 – Adams Road. He disclosed that in the past, he had contact with the children of one the interested parties, and as a consequence, there may be a perception that his impartiality on the matter may be affected. He advised that he would leave the room for this matter.

Councillor Hodsdon left the meeting at 10.09 pm.

Councillor Walker – Impartiality interest

Councillor Walker disclosed an impartiality interest in Item 16.2 - Adams Road –she interest being that she has been contacted by residents in the street regarding the matter and as a consequence, there may be a perception that her impartiality on the matter may be affected. She declared that she would consider this matter on its merits and vote accordingly.

Councillor Shaw – Impartiality Interest

Councillor Shaw disclosed an impartiality interest in Item 16.2 – Adams Road. He disclosed that he has been contacted by a number of residents, and as a consequence, there may be a perception that his impartiality on the matter may be affected. He declared that he would consider this matter on its merits and vote accordingly.

Moved – Councillor Porter

Seconded – Councillor Hassell

Council authorises Administration to:

- 1. postpone all road works at Adams Road Dalkeith until such time as a mediation exercise can be conducted with a view to producing a road plan that is acceptable to all parties; and**
- 2. proceed with proposed drainage works at Adams Road Dalkeith as soon as possible, provided that all such works are consistent with each of options 1, 2 and 3.**

Amendment

Moved – Councillor James

Seconded – Councillor Porter

That a clause 3 be added as follows:

- 3. investigate the alleged ground anchors on crown land, road reserve and into 4 Adams Road.**

Councillor Walker left the meeting at 10.39 pm and returned at 10.40 pm.

Lost 1/10

(Against: Mayor Hipkins Crs. Collins Horley McManus
Argyle Hassell Porter Binks Walker & Shaw)

The substantive motion was put and

**CARRIED 9/2
(Against: Crs. Horley & Shaw)**

Council Resolution

Council authorises Administration to:

- 1. postpone all road works at Adams Road Dalkeith until such time as a mediation exercise can be conducted with a view to producing a road plan that is acceptable to all parties; and**
- 2. proceed with proposed drainage works at Adams Road Dalkeith as soon as possible, provided that all such works are consistent with each of options 1, 2 and 3.**

17. Confidential Items

Nil.

Declaration of Closure

There being no further business, the Presiding Member declared the meeting closed at 10.48 pm.

Attachment to Item 13.1
