Council Resolution / Recommendation to Council

Council receives the Monthly Financial Report for March 2014.

Executive Summary

Administration is required to provide Council with a monthly financial report in accordance with *Regulation 34(1)* of the Local Government (Financial Management) Regulations 1996. The monthly financial variance from the budget of each business unit is reviewed with the respective manager and the Executive to identify the need for any remedial action. Significant variances are highlighted to Council in the attached Monthly Financial Report.

Strategic Plan

KFA: Governance and Civic Leadership

This report will ensure the City meets its statutory requirements.

Background

Regulation 34(1) of the Local Government (Financial Management) Regulations 1996 requires a local government to prepare a monthly statement of financial activity reporting on the revenue and expenditure, as set out in the annual budget.

A statement of financial activity and any accompanying documents are to be presented to the Council at the next ordinary meeting of the Council following the end of the month to which the statement relates, or to the next ordinary meeting of the council after that meeting.

In addition to the above and in accordance with *Regulation 34(5)* of the Local Government (Financial Management) Regulations 1996, each year Council is required to adopt a percentage or value to be used in the reporting of material variances. For this financial year the amount is \$10,000 or 10% whichever is the greater.

Discussion

This report covers the first nine months of the 2013/14 financial year. Following the audit of the 2012/13 Annual Financial Statements, Council adopted a revised annual Budget incorporating the actual surplus brought forward, together with the capital projects brought forward to be completed this financial year.

The operating revenue at the end of March 2014 was \$ 27.45 million, which is marginally higher than the year-to-date post-audit Budget, and consists largely of the annual rates and sanitation charges which were levied in July, as well as revenue for the various services provided by the City.

The total operating expense at the end of the first nine months was \$ 20.12 million. This is slightly lower than the year-to-date post-audit Budget, and reflects savings in some projects.

The attached operating statement compares "Actual" with "Budget" by Business Units.

Variations from the current year-to-date Budget of revenue and expenses by Directorates are highlighted in the following paragraphs. It is to be noted that the Mid-Year Budget Review, currently with Council for adoption, addresses the major variations while maintaining a balanced Revised Budget.

Governance

Expenditure: Unfavourable variance of \$ 32,700 Revenue: Favourable variance of \$ 88,300

Unanticipated legal expenses and the survey of ratepayers have contributed to the unfavourable variance. The increased expenses on the Bush to Beach Trail project have been off-set by the savings in the Communications budget.

The favourable revenue variance is mainly due to the reimbursement by other WESROC members of the of their share of the WESROC project costs incurred by the City of Nedlands, as well as the reimbursement of Workers Compensation claims paid to staff. Workers Compensation claims are not budgeted as payments made to staff are reimbursed by the insurer, and except for timing difference the net impact on the Budget should be nil.

Corporate and Strategy

Expenditure: Favourable variance of \$ 101,900 Unfavourable variance of \$ 56,900

The favourable expenditure variance is mainly due to less use of professionals and consultants in the first nine months. Some of these funds will be used later in the financial year, and the balance will be treated as savings in the Mid-Year Budget Review .

The unfavourable revenue variance is mainly due to reduced yield from the City's investment in Term Deposits. The prevailing low interest rates are not expected to change this financial year, and adjustments to the Budget are contained in the Mid-Year Budget review.

Community Development

Expenditure: Favourable variance of \$ 232,900 Revenue: Favourable variance of \$ 176,200

The favourable expenditure variance is largely due to the timing differences between the profiling of the budget and the actual incurring of the expenses, including delays of donations to projects funded jointly with the Community Sporting and Recreation Facilities Fund (CSRFF).

The favourable revenue variance is mainly due to the receipt of increased grant amount from HACC for Nedlands Community Care, increased revenue from the Point Resolution Child Care Centre, Tresillian Course Fees and the hire of City's halls and community facilities.

Planning and Development

Expenditure: Favourable variance of \$ 178,600 Revenue: Favourable variance of \$ 131,200

The favourable expenditure variance is due to the delay in commencing Strategic Town Planning projects and discontinuance of the security patrols in the vicinity of Swanbourne Hospital.

The favourable revenue variance is due mainly to increased revenue from the registration of dogs and cats, as well as the increase in Development Applications and Building Permits.

Technical Services

Expenditure: Favourable variance of \$ 842,400 Unfavourable variance of \$ 23,100

The favourable expenditure variance is mainly due to the slow start in maintenance programs in the first half of the financial year, some unfilled staff

positions and the savings in waste collection expenses. Over-recovery of oncosts also contributed to the favourable variance, but this is adjusted for in the Mid-Year Budget Review.

The unfavourable revenue variance is minimal, and due to the timing difference in changeover of fleet vehicles.

Capital Works Programme

At the end of March the expenses on new capital works were \$4,612,100. There are a number of projects at risk of not being completed due to project complexities, and a revised programme is being put in place based on bringing forward works that were due to be done next year. The Mid-Year Budget Review has identified the specific projects that need to be deferred, amounting to \$1.68 million.

Consultation

Legislation / Policy	
Required by City of Nedlands policy:	Yes 🗌 No 🔀
Required by legislation:	Yes 🗌 No 🖂

The monthly financial management report meets the requirements of *Regulation* 34(1) and 34(5) of the Local Government (Financial Management) Regulations 1996.

Budget/Financial Implications

As outlined in the Monthly Financial Report.

Risk Management

The monthly financial variance from the budget of each business unit is reviewed with the respective manager and the Executive to identify the need for any remedial action. Significant variances are highlighted to Council in the Monthly Financial Report.

Conclusion

The financial statements to the end of March 2014 indicate that the operating expenses are under the Budget, while revenue is marginally better than the revised Year-to-Date Budget.

Council Resolution / Recommendation to Council

Council receives the Investment Report for the period ended 31 March 2014.

Executive Summary

In accordance with the Council's Investment Policy, Administration is required to present a summary of investments to Council on a monthly basis.

Strategic Plan

KFA5: Governance

5.1 – Manage the City's resources in a sustainable and responsible manner.

This report is in accordance with the Council's Investment Policy and demonstrates the investment of City's surplus cash in a sustainable and responsible manner.

Background

Council's Investment Policy requires a summary of investments to be presented to Council on a monthly basis.

Discussion

The Investment Summary shows that as at 31 March the City held the following funds in investments:

Municipal Funds	\$ 7,699,347.76
Reserve Funds	\$ 3,923,482.83
Adelma Interest	\$ 294.71
Total	\$ 11,623,125.30

The total interest earned from investments for the nine months was \$403,973. Following Council's decision in May 2012, all investments are placed with the 'big four' banks.

The Investment Portfolio comprises holdings in the following institutions:

Financial Institution	Funds Invested	Interest Rate	Proportion of Portfolio
NAB	\$ 3,580,484.94	3.75% - 3.72%	26.07%
Westpac	\$ 2,544,642.81	3.60% - 3.47%	22.66%
ANZ	\$ 2,845,182.27	3.65% - 3.55%	20.72%
СВА	\$ 2,652,815.28	3.46% - 3.25%	30.54%
Total	\$11,623,125.30		100.00%

Consultation

Required by legislation:	Yes 🗌	No 🖂
Required by City of Nedlands policy:	Yes	No 🖂

Legislation / Policy

Not applicable.

Budget/Financial Implications

Investment income is less than the budgeted value due to the lower interest rates provided by the banks.

Risk Management

The Investment Policy of the City, which is reviewed each year by the Audit and Risk Committee of Council, is structured so as to minimise any risks associated with the City's cash investments. The officers adhere to this Policy, and continuously monitor market conditions to ensure that the City obtains attractive yields without compromising on risk management.

Conclusion

The Investment Report is presented to Council.

14. Elected Members Notices of Motions of Which Previous Notice Has Been Given

Disclaimer: Where administration has provided any assistance with the framing and/or wording of any motion/amendment to a Councillor who has advised their intention to move it, the assistance has been provided on an impartial basis. The principle and intention expressed in any motion/amendment is solely that of the intended mover and not that of the officer/officers providing the assistance. Under no circumstances is it to be expressed to any party that administration or any Council officer holds a view on this motion other than that expressed in an official written or verbal report by Administration to the Council meeting considering the motion.

14.1 Councillor Porter – Laneway Management

On 27 March 2014 Councillor Porter gave notice of his intention to move the following at this meeting.

Moved – Councillor Porter Seconded – Councillor Argyle

That Administration present a report to Council investigating the City's current Laneway Management.

Carried 8/1 (Against: Cr. McManus)

Council Resolution

That Administration present a report to Council investigating the City's current Laneway Management.

Administration Comment

Should Council resolve this motion the City would investigate laneways management, including current arrangements, resident demand for improvement and complaints, traffic or other utility demand that might provide a warrant for changing management practices, alternative laneways management practices that could be considered (including for example other stabilizing techniques or a sealing program for all laneways), and budget/asset management models (such as resident funding) implications for the current and alternative management practices.

This would take a few months to pull together but it would then provide a platform for Council to consider whether it wants to adjust the policy.

14.2 Councillor James – Tree Replacement – 24 Doonan Road, Nedlands

On 11 April 2014 Councillor James gave notice of her intention to move the following at this meeting.

Moved – Councillor James Seconded – Councillor Smyth

That Council approves the removal of the box tree on the verge at 24 Doonan Road, Nedlands subject to the following conditions:

- 1. an approved replacement tree must be planted; and
- 2. the removal of existing tree and replacement tree is at the expense of the owner.
- 3. addition to approved replacement tree list (all areas): *Acer Maple Rudrum October Glory

Moved – Councillor Argyle Seconded – Mayor

That each condition be voted on separately.

Lost 4/5

Council Resolution

That Council approves the removal of the box tree on the verge at 24 Doonan Road, Nedlands subject to the following conditions:

- 1. an approved replacement tree must be planted; and
- 2. the removal of existing tree and replacement tree is at the expense of the owner.
- 3. addition to approved replacement tree list (all areas):
 - * Acer Maple Rudrum October Glory

That Council approves the removal of the box tree on the verge at 24 Doonan Road, Nedlands subject to the following conditions:

- 1. an approved replacement tree must be planted; and
- 2. the removal of existing tree and replacement tree is at the expense of the owner.

Administration Comment

The tree in question is a Qld Box Tree, AID: 6956, and stands at a height of approx. 9m.

The main issue with the tree in question is that the tree is located in an area that is in conflict with a double carport within the property. The double carport is linked to a single crossover on the nature strip. The City supports the notion of reduced width accesses on the crossover from the road to the boundary provided there is an ability for the resident to negotiate this safely within the setback area. In this case the resident can safely adjust within the setback area.

The tree is in fair condition. It is a box tree and the City is more flexible in terms of the tree replacement program for box trees because this will help to soften the situation in future years when the box trees collectively come to the end of their useful lives.

If the tree were to be removed and the crossover extended to accommodate the double carport within the property there would not be room for a replacement tree, so the City is supportive of tree removal on the basis of the condition provided which mandates the planting of a replacement tree.

1. Letter from Owner 24 Doonan Road, Nedlands

9th April 2014

Ms Toni James City of Nedlands Melvista Ward Councillor 4 Archdeacon Street NEDLANDS WA 6009

Dear Councillor James,

Re: Request to remove a verge/street tree at 24 Doonan Road Nedlands 6009 WA

Further to our phone conversation earlier today, I am writing to seek your kind consideration and support in removing a verge box-tree in front my property. This request is based on the following factors:

- We purchased our home with the existing carport and driveway in September 2008.
- The 2-car carport is approximately 6m wide and there is a verge tree within the 6m vicinity, which is obscuring our free passageway. Please refer to the photo of the tree in relation to the driveway on page 2.
- We've had a few near misses with regard to this tree, including a case when our friend reversed into the tree causing damage to their car. In addition, trying to avoid the tree when reversing out of the driveway makes it more difficult to observe for pedestrians and on-coming traffic.
- We are intending to erect a front limestone boundary fence (with separate council approval to be sought through a registered builder). As part of this work we would like to expand our driveway to allow free passageway for vehicles driving in and out of our carport.
- We are also keen to replace the box tree with another species tree at a suitable location on the same verge. Preferred replacement trees include Liquidamber (as listed in the Council Policy Manual) and also Lipstick Maple (Acer Rubrum, October Glory Maple).

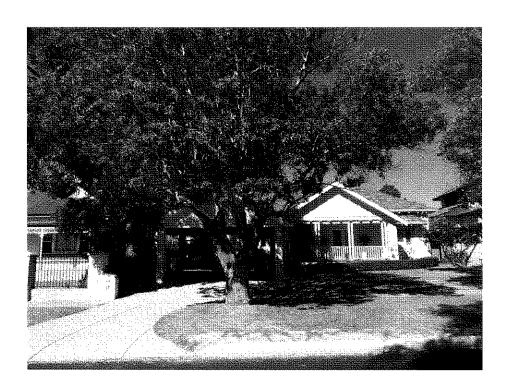

With reference to the Council Policy Manual titled: "Street Trees", Page 36 states that "Council may approve requests for street tree removal and replacement, to a similar size, with a preferred species where a property owner agrees to compensate the City the full amenity value of the tree... and accepts all maintenance costs". Given this, I hereby would like to request Council's consideration and approval to remove this verge box-tree. I agree to pay the costs associated with its removal and also its replacement as outlined in the Council Policy.

To date I have also spoken to the Manager of Parks Services – Andrew Dickson who has since been informed by the CEO that this policy provision needs to be initiated through a member of Council as a "Notice of Motion". I am seeking your support and assistance in bringing this request to the next Council meeting for consideration and approval.

Thank you in advance for considering this request. Should you need more information, I am more than happy to meet and discuss further. Alternatively you can contact me on 0422 326 474 or by email pnwong@me.com.

Yours sincerely,

Pei Nien (Penny) WONG B.Pharm (Hons) Grad Dip Hosp Pharm Clinical Pharmacist
