10. Members announcements without discussion

10.1 Councillor McManus

Councillor McManus advised that Council previously agreed to allow Claremont Nedlands Lions Club to store shed at Lawler Park, shed has now been erected with funds donated by Lotterywest.

10.2 Councillor Smyth

Councillor Smyth advised she has been in discussions at Nedlands Yacht Club regarding City activities on the foreshore including dinghy storage. The Yacht Club will be sending a letter to Council to request more consultation in such matters of the foreshore. For example the 4Sure Youth Festival conflicted with a wedding reception at the yacht club this year.

10.3 Councillor Shaw

Councillor Shaw advised that he attended a performance of the Claremont Brass Ensemble at John Leckie Pavilion, a good example of successful cross-local government boundary arrangements.

11. Matters for Which the Meeting May Be Closed

Council, in accordance with Standing Orders and for the convenience of the public, is to identify any matter which is to be discussed behind closed doors at this meeting, and that matter is to be deferred for consideration as the last item of this meeting.

Council Resolution / Committee Recommendation / Recommendation to Committee

Council

Approves a retrospective application for an outbuilding, patio and front fence at No. 48 (Lot 365) Weld Street, Nedlands in accordance with the application and the plans received 14 February 2014, subject to the following conditions:

- 1. The development shall at all times comply with the approved plans.**
- 2. The visual privacy screen to the patio (as marked in red on the approved plans) shall prevent overlooking in accordance with the visual privacy requirements of the Residential Design Codes 2013 (R-Codes). The structures shall be installed and remain in place permanently, unless otherwise approved by the City.**
- 3. All stormwater from the development, which includes permeable and non-permeable areas, shall be contained onsite by draining to soak-wells of adequate capacity to contain runoff from a 20 year recurrent storm event. Soak-wells shall be a minimum capacity of 1.0m³ for every 80m² of calculated surface area of the development.**
- 4. Front walls and fences in the primary street setback shall be:**
 - a) A maximum height of 1.8m above natural ground level at the base of the wall;**
 - b) Visually Permeable above 1.2m in accordance with the Residential Design Codes 2013 and Council Policy; and**
 - c) Truncated or reduced to no higher than 750mm within 1.5m of where walls and fences adjoin vehicle access points, including neighbouring properties.**
- 5. Any additional development, which is not in accordance with the original application or conditions of approval as outlined above, will require further approval by Council.**

Advice Notes specific to this approval:

- a. All downpipes from guttering shall be connected so as to discharge into drains which shall empty into a soak-well and each soak-well shall be located at least 1.8m from any building, and at least 1.8m from the boundary of the block.**

Councillors Hodsdon – Impartiality Interest

It was noted that Councillors Hodsdon had previously declared an impartiality interest as advised earlier in the meeting at item 6.1.

Regulation 11(da) – Councillors agreed to approve the application based on the withdrawal of the neighbours objection and that the City approved the building licence.

Moved – Councillor Shaw
Seconded – Councillor Binks

Council:

- 1. Approves the application for retrospective garage extension which relates to the extended boundary wall at No. 40 (Lot 312) Dalkeith Road, Nedlands in accordance with the application received on 30 January 2014 and the plans received on 3 April 2014 subject to the following conditions:**
 - a. The development shall at all times comply with the approved plans.**
 - b. All footings and structures of the approved portions of retaining and boundary walls shall be constructed wholly inside the site boundaries of the Certificate of Title.**
 - c. The approved portion of garage boundary wall shall be finished to a professional standard, to the satisfaction of the City.**

- d. All stormwater from the development, which includes permeable and non-permeable areas, shall be contained onsite by draining to soak-wells of adequate capacity to contain runoff from a 20 year recurrent storm event. Soak-wells shall be a minimum capacity of 1.0m³ for every 80m² of calculated surface area of the development.

Advice Notes specific to this approval:

- a. All downpipes from guttering shall be connected so as to discharge into drains which shall empty into a soak-well and each soak-well shall be located at least 1.8m from any building, and at least 1.8m from the boundary of the block.
- b. The applicant shall make application to the City for a Building Approval Certificate regarding the unauthorised works.

CARRIED UNANIMOUSLY 12/-

Council Resolution

Council:

1. Approves the application for retrospective garage extension which relates to the extended boundary wall at No. 40 (Lot 312) Dalkeith Road, Nedlands in accordance with the application received on 30 January 2014 and the plans received on 3 April 2014 subject to the following conditions:
 - a. The development shall at all times comply with the approved plans.
 - b. All footings and structures of the approved portions of retaining and boundary walls shall be constructed wholly inside the site boundaries of the Certificate of Title.
 - c. The approved portion of garage boundary wall shall be finished to a professional standard, to the satisfaction of the City.

- b. The applicant shall make application to the City for a Building Approval Certificate regarding the unauthorised works.**

Committee Recommendation

That item PD15.14 No. 40 (Lot 312) Dalkeith Road Nedlands – Retrospective Amendments to Garage to Single House be deferred for consideration until the Council Meeting to be held on 27 May 2014.

Recommendation to Committee

Council:

1. Refuses the part of the application for retrospective garage extension which relates to the extended boundary wall at No. 40 (Lot 312) Dalkeith Road, Nedlands in accordance with the application received on 30 January 2014 and the plans received on 3 April 2014, for the following reasons:
 - a. This refusal relates to the extended portion of the garage boundary wall (as marked in red on the attached plans).
 - b. The extended garage boundary wall does not meet the provisions of clause 5.6.3(b) of Town Planning Scheme No. 2 as it is considered to adversely affect the access to light to a room overlooking the boundary.
 - c. The extended garage boundary wall does not meet the provisions of clause 5.1.3 (lot boundary setback) of the Residential Design Codes of Western Australia (design principles) as it will have an adverse effect upon the adjoining property in terms of:
 - i. The building bulk;
 - ii. The impact upon the amenity of the adjoining property;
 - iii. Access to direct sunlight for the adjoining property; and
 - iv. The contribution of this extended wall to the prevailing development context of the locality.
 - d. The proposal will not be orderly and proper planning.

2. Approves the parts of the application for retrospective garage extension which relate to the altered doors to the garage, the rebuilding of the existing garage boundary wall and retaining walls at No. 40 (Lot 312) Dalkeith Road, Nedlands in accordance with the application received on 30 January 2014 and the plans received on 3 April 2014, subject to the following conditions:
 - a. The development shall at all times comply with the approved plans.
 - b. This approval does not apply to the extended portion of the garage boundary wall (as marked in red on the attached plans).
 - c. All footings and structures of the approved portions of retaining and boundary walls shall be constructed wholly inside the site boundaries of the Certificate of Title.
 - d. The approved portion of garage boundary wall shall be finished to a professional standard, to the satisfaction of the City.
 - e. All stormwater from the development, which includes permeable and non-permeable areas, shall be contained onsite by draining to soak-wells of adequate capacity to contain runoff from a 20 year recurrent storm event. Soak-wells shall be a minimum capacity of 1.0m³ for every 80m² of calculated surface area of the development.

Advice Notes specific to this approval:

- a. All downpipes from guttering shall be connected so as to discharge into drains which shall empty into a soak-well and each soak-well shall be located at least 1.8m from any building, and at least 1.8m from the boundary of the block.
 - b. The applicant shall make application to the City for a Building Approval Certificate regarding the unauthorised works.
3. Instructs Administration to direct the owners to remove the unapproved extension to the garage boundary wall.

Council Resolution

Council reimburses the Mayor for his attendance at the World Cities Summit being held from 1 to 4 June 2014 in Singapore up to an amount of \$5,050 and that a report be submitted on return.

Committee Recommendation / Recommendation to Committee

Council reimburses the Mayor for his attendance at the World Cities Summit being held from 1 to 4 June 2014 in Singapore.

Executive Summary

The purpose of this report is to seek Council approval for the Mayor to attend the World Cities Summit being held from 1 to 4 June 2014 in Singapore. All conference attendance by elected members costing more than \$2,000 requires prior Council approval.

Strategic Plan

KFA: Governance and Civic Leadership

By requiring approval by Council prior to elected members attending conferences costing more than \$2,000, the City can ensure that it is being fair and equitable with the distribution of training amongst elected members, as well as transparent and accountable to its ratepayers.

Background

None.

Consultation

Required by legislation:	Yes <input type="checkbox"/>	No <input checked="" type="checkbox"/>
Required by City of Nedlands policy:	Yes <input type="checkbox"/>	No <input checked="" type="checkbox"/>

No public consultation required.

Legislation / Policy

Elected Member Entitlements and Equipment Policy:

Elected Member training and conference attendance. The City of Nedlands recognises the importance of Elected Members participating in relevant training and development opportunities.

If funds have been specifically provided in the budget for an Elected Member to attend a particular training course or conference then the Chief Executive Officer may approve attendance and make any necessary arrangements.

If an Elected Member requests approval to attend a training course or conference for which no specific budget allocation has been made and there are sufficient unallocated funds within the budget the following can be applied:

- Where the total cost is no more than \$1000, Chief Executive Officer can approve;
- Where the total cost is between \$1001 and \$2000 then the Chief Executive Officer in consultation with the Mayor may approve attendance if there are sufficient unallocated funds within the budget;
- Where training or conferences cost more than \$2000, they must be referred to Council for its deliberation.

Budget/Financial Implications

Within current approved budget: Yes No
Requires further budget consideration: Yes No

The 2013/14 budget for Members of Council Conferences & Meetings was \$23,000. At 30 April 2014, \$12.064 had been allocated. The Mayor’s request to attend the World Cities Summit is within the current approved budget.

Discussion

The Mayor has registered to attend the World Cities Summit 2014 in Singapore from 1 to 4 June 2014, and seeks reimbursement from the City.

He sees benefits in an exchange with city leaders and global experts. Of particular interest are the Mayor’s Forum, to which he has been invited, and the associated Singapore International Water Week and Clean Enviro Summit, with their site visits.

Singapore is a world leader in managing its built and natural environment. It has created attractive commercial areas and has sophisticated requirements for provision of garden planting above ground level in high density residential developments. It uses recycled water for its parks and playing fields and it has a waste water treatment plant that doubles as a public park. This will be of particular interest with the City currently considering a recycled water project of its own.

The Mayor will provide a report on the conference and site visits upon his return.

Expenses to attend the conference include:

Conference registration	\$2,000
Networking events	\$250
Site visits	\$200
Economy airfare	\$500
Hotel, 7 nights	\$2,100
TOTAL	\$5,050

The Mayor seeks reimbursement of costs of \$5,050, and as such the recommendation to Committee/Council is reimbursement of this amount. However, Council may choose to reimburse a portion of costs only, for example flights and registration fee (total \$2,500).

Conclusion

In accordance with Council’s policy, all conference attendance by elected members costing more than \$2,000 requires prior Council approval. The Mayor has requested consideration for reimbursement of his attendance at the World Cities Summit 2014 in Singapore in June 2014 at a cost to Council of \$5,050, or part thereof.

ABOUT WORLD CITIES SUMMIT

WO

HIS EXCELLENCY EDSON APARECIDO

**Secretary,
Metropolitan Development
for the State of São Paulo,
Brazil**

The World Cities Summit held is an extremely important event because it brings many cities which are in need of solutions for city planning and advices on urban development, to learn from cities with very rich experiences. ▀▀

HIS WORSHIP DHANASIRI AMARATHUNGA

**Mayor of Dehiwala-Mount Lavinia
Municipal Council,
Sri Lanka**

It's a great opportunity to come to Singapore to experience all these issues. It helps us change our thinking patterns and ways of doing things, to work in different political atmospheres and learn about different cultures as we have the opportunity of getting to know future leaders from other countries. ▀▀

PROF. SIR PETER HALL

**Bartlett School of Planning,
University College London**

The quality of discussions in the (WCS) thematic sessions, particularly the parallel breakouts... combined the big picture very satisfactorily with concrete cases because in planning cities, it's the concrete outcomes that count... ▀▀

JEREMY BENTHAM

**Vice President,
Global Business Environment, Shell**

Having a forum where people come together from the different sectors that is seen to be independent and integrated is a very positive contribution to actually dealing with issues... Singapore is seen as a model for integrated city development and it has become an urban powerhouse. ▀▀

WORLD CITIES SUMMIT 2014

The World Cities Summit is the exclusive and premier platform for government leaders and industry experts to address liveable and sustainable city challenges, share integrated urban solutions and forge new partnerships.

Over 90% of urban growth occurs in the developing world, adding some 70 million new urban residents annually. The World Bank projects that cities in emerging economies will double to 4 billion people between 2000 and 2030. The key to resilient and sustainable development lies in cities finding the right policies and investments.

Join us as global leaders and experts converge in Singapore from 1 to 4 June 2014 at the Sands Expo & Convention Center, Marina Bay Sands.

How can governments, businesses and citizens share insights and solutions to make our cities more liveable and sustainable?

Under the theme **Liveable and Sustainable Cities: Common Challenges, Shared Solutions**, the 4th edition of the biennial World Cities Summit will be held in conjunction with the Singapore International Water Week and CleanEnviro Summit Singapore.

Highlights of the World Cities Summit include the Lee Kuan Yew World City Prize, World Cities Summit Mayors Forum, Plenaries, In-Focus Forums, Site Visits, Networking Events and strategically co-located events.

Tap synergies from these three global events to address common challenges faced by cities around the world and share innovative urban, water and environment management solutions. Participants can gain insights through high-level plenaries, exchange expertise at thematic discussion tracks, showcase business solutions and forge partnerships with key city officials and industry players.

Companies looking to be profiled positively to an exclusive group of government leaders and decision-makers across the integrated urban solutions value chain will benefit extensively from participating.

OPENING PLENARY SYNOPSIS:

By 2040, two-thirds of the global population would be living in urban areas. Cities, the world's engines of growth, will experience increased concentration of industrial, transport and agricultural activities. This places enormous pressures on urban environments, their hinterlands, as well as existing water, sanitation and housing infrastructures. It is also exacerbating environmental problems and rapidly depleting the world's natural resources.

Changing climate patterns and extreme weather conditions further amplify the significant challenges we face over urban infrastructural needs, and water and sanitation resources. Moreover, ageing infrastructure, emerging water contaminants, and a more demanding customer base present new issues for decision-makers.

With rising expectations of public service delivery and demand from citizens for a liveable and sustainable city, good leadership and governance are critical to achieve a clean environment, ensure the supply of clean, affordable drinking water, safe sanitation for all, and build urban resilience through climate-change adaptation and mitigation measures.

At the Opening Plenary, high-level speakers from government, industry and non-government/international organisation sectors will share insights on cross-disciplinary urban policy and governance issues, highlighting new challenges in the respective roles of city officials, business leaders and innovators, and civil society in co-creating liveable and sustainable cities.

The Opening Plenary is held jointly amongst World Cities Summit, Singapore International Water Week and CleanEnviro Summit Singapore. **Professor Tommy Koh**, Ambassador-at-Large, Ministry of Foreign Affairs, Singapore will chair the plenary.

IN-FOCUS FORUMS

In-Focus Forums uncover upcoming city-level projects, development hotspots, industry trends and policies in key markets including China, India, Southeast Asia, Latin America and Africa. The Forums capture the energy of urbanisation across the world today, and translate it into real investment opportunities through the Public-Private Partnership framework. Public and private sector panellists will discuss development opportunities, focusing on best corporate practices and risk mitigation strategies to meet the challenges and opportunities of sustainable urban development and management.

Government, industry and investment leaders can discover relevant and rewarding networking and deal-making opportunities in these forums. Reach out to these key decision-makers in specific geographical regions with a customised outreach solution for your branding needs.

DIVERSE NETWORKING OPPORTUNITIES

SITE VISITS

Site visits are specially designed learning journeys hosted by Singapore's diverse public-sector agencies. Participants will have an interactive on-site experience to better understand how urban policies and programmes have been implemented in Singapore.

NETWORKING EVENTS

Networking events – from official receptions to more informal gatherings – connect delegates with the who's who in the business of integrated urban solutions.

CO-LOCATED EVENTS

Co-located events offer additional opportunities for delegates to network with other city leaders and experts from related fields.

The 10th Asia Pacific Infrastructure Ministers Meeting (APIMM) will be hosted alongside the World Cities Summit 2014. A by-invitation only event, APIMM provides a unique international platform for ministers and senior government officials to discuss development strategies and policies, exchange views and share experiences in infrastructure development. Inaugurated in 1995, the meeting has offered its 20-member countries and 14-observer countries a space to deliberate on issues ranging from urban transport, housing, water and the environment, to infrastructure financing.

Contact us to discuss how your event can be co-located with the Summit for mutually beneficial cross-marketing opportunities.

Council Resolution / Recommendation to Council

Council receives the Monthly Financial Report for April 2014.

Executive Summary

Administration is required to provide Council with a monthly financial report in accordance with *Regulation 34(1) of the Local Government (Financial Management) Regulations 1996*. The monthly financial variance from the budget of each business unit is reviewed with the respective manager and the Executive to identify the need for any remedial action. Significant variances are highlighted to Council in the attached Monthly Financial Report.

Strategic Plan

KFA: Governance and Civic Leadership

This report will ensure the City meets its statutory requirements.

Background

Regulation 34(1) of the Local Government (Financial Management) Regulations 1996 requires a local government to prepare a monthly statement of financial activity reporting on the revenue and expenditure, as set out in the annual budget.

A statement of financial activity and any accompanying documents are to be presented to the Council at the next ordinary meeting of the Council following the end of the month to which the statement relates, or to the next ordinary meeting of the council after that meeting.

In addition to the above and in accordance with *Regulation 34(5) of the Local Government (Financial Management) Regulations 1996*, each year Council is required to adopt a percentage or value to be used in the reporting of material variances. For this financial year the amount is \$10,000 or 10% whichever is the greater.

Discussion

This report covers the first ten months of the 2013/14 financial year. As required by Financial Management Regulations, the City carried out a review of its Budget in April-March 2014, and the Mid-Year Budget Review recommendations were adopted by Council on 23 April 2014. These changes are now reflected in the Revised Budget.

The operating revenue at the end of April 2014 was \$ 28.05 million, which is marginally higher than the year-to-date Revised Budget, and consists largely of the annual rates and sanitation charges which were levied in July, as well as revenue for the various services provided by the City.

The total operating expense at the end of the first ten months was \$ 22.07 million. This is 93% of the year-to-date Revised Budget, and reflects possible savings in some areas at year end.

The attached operating statement compares “Actual” with “Budget” by Business Units.

Variations from the current year-to-date Budget of revenue and expenses by Directorates are highlighted in the following paragraphs.

Governance

Expenditure: Favourable variance of \$ 62,000
Revenue: Favourable variance of \$ 93,200

The small favourable variance is due to savings from the staff recruitment process, with reduction in newspaper advertising. The increased expenses on the Bush to Beach Trail project have been off-set by the savings in the Communications budget.

The favourable revenue variance is mainly due to the reimbursement by other WESROC members of the of their share of the WESROC project costs incurred by the City of Nedlands, as well as the reimbursement of Workers Compensation claims paid to staff. Both the claims paid to staff, and the subsequent reimbursement received are currently not budgeted for as the amounts are not known when budgets are developed. Moreover, except for timing difference, the two amounts will cancel out by year end.

Corporate and Strategy

Expenditure: Favourable variance of \$ 219,800
Revenue: Favourable variance of \$ 33,128

The favourable expenditure variance is mainly due to less use of professionals and consultants in the first ten months, as well as the timing of the payment of some annual software licence fees.

The small favourable revenue variance is due to better than budgeted interim rates being levied.

Community Development

Expenditure: Favourable variance of \$ 357,100
Revenue: Favourable variance of \$ 13,500

The favourable expenditure variance is largely due to the timing differences between the profiling of the budget and the actual incurring of the expenses, as well as savings in salaries due to unfilled vacant positions. It is anticipated that the variances will be reduced towards the end of the financial year with residual savings in some of the programs.

The small favourable revenue variance is mainly due increased fees from courses run at Tresillian Community Centre.

Planning and Development

Expenditure: Favourable variance of \$ 509,700
Revenue: Unfavourable variance of \$ 1,200

The favourable expenditure variance is due to the delay in commencing planned projects in Strategic Town Planning, Environmental Conservation, Sustainability and Environmental Health.

The unfavourable revenue is not material.

Technical Services

Expenditure: Favourable variance of \$ 615,800
Revenue: Favourable variance of \$ 19,200

The favourable expenditure variance is largely due to delay in receiving of invoices for maintenance works and street lighting, and savings in waste collection charges due to the implementation of the new contract from December 2013. Parks maintenance is also below budget, but some of the maintenance work is seasonal and the variance will be reduced by the end of the financial year.

The favourable revenue variance is not significant.

Capital Works Programme

At the end of April the expenses on new capital works were \$4,960,300, which is 58 % of the revised Capital budget following the Mid-Year Budget Review. \$1.12 million of the unspent balance of \$3.16 million is earmarked for Stirling Highway / Broadway intersection improvement, work on which is expected to commence soon.

Consultation

Required by legislation: Yes No
Required by City of Nedlands policy: Yes No

Legislation / Policy

The monthly financial management report meets the requirements of *Regulation 34(1) and 34(5) of the Local Government (Financial Management) Regulations 1996*.

Budget/Financial Implications

As outlined in the Monthly Financial Report.

Risk Management

The monthly financial variance from the budget of each business unit is reviewed with the respective manager and the Executive to identify the need for any remedial action. Significant variances are highlighted to Council in the Monthly Financial Report.

Conclusion

The financial statements to the end of April 2014 indicate that the operating expenses are under the Budget, while revenue is marginally better than the revised Year-to-Date Budget.

Council Resolution / Recommendation to Council

Council receives the Investment Report for the period ended 30 April 2014.

Executive Summary

In accordance with the Council’s Investment Policy, Administration is required to present a summary of investments to Council on a monthly basis.

Strategic Plan

KFA5: Governance

5.1 – Manage the City’s resources in a sustainable and responsible manner.

This report is in accordance with the Council’s Investment Policy and demonstrates the investment of City’s surplus cash in a sustainable and responsible manner.

Background

Council's Investment Policy requires a summary of investments to be presented to Council on a monthly basis.

Discussion

The Investment Summary shows that as at 31 March the City held the following funds in investments:

Municipal Funds	\$	7,721,993
Reserve Funds	\$	3,934,929
Adelma Interest	\$	<u>580</u>
Total	\$	<u><u>11,657,502</u></u>

The total interest earned from investments for the ten months was \$438,350. Following Council's decision in May 2012, all investments are placed with the 'big four' banks.

The Investment Portfolio comprises holdings in the following institutions:

Financial Institution	Funds Invested	Interest Rate	Proportion of Portfolio
NAB	\$ 3,591,319	3.75% - 3.65%	30.81%
Westpac	\$ 2,552,452	3.70% - 3.65%	21.90%
ANZ	\$ 2,853,674	3.70% - 3.65%	24.48%
CBA	\$ 2,660,057	3.50% - 3.25%	22.82%
Total	\$ 11,657,502		100.00%

Consultation

Required by legislation:

No

Required by City of Nedlands policy:

Yes

No

Legislation / Policy

Not applicable.

Budget/Financial Implications

Investment income is less than the budgeted value due to the lower interest rates provided by the banks.

Risk Management

The Investment Policy of the City, which is reviewed each year by the Audit and Risk Committee of Council, is structured so as to minimise any risks associated with the City's cash investments. The officers adhere to this Policy, and continuously monitor market conditions to ensure that the City obtains attractive yields without compromising on risk management.

Conclusion

The Investment Report is presented to Council.

14.1 Councillor Porter – Yabba Dabba Café Refuse Requirements

On 1 May 2014 Councillor Porter gave notice of his intention to move the following at this meeting:

Moved – Councillor Porter

Seconded – Councillor Argyle

That Council instructs Administration to enter into a license agreement, subject to any necessary conditions, with Yabba Dabba Café, 101 Waratah Avenue, Dalkeith for a suitable area of land on the Dalkeith Hall site for the purpose of storing up to four 1100 litre refuse bins. The license should be for a maximum of three years and is not to be seen as a precedent and there is no guarantee that there will be any renewal.

**CARRIED 7/5
(Against: Mayor Hipkins Crs. Shaw Smyth Binks & Hodsdon)**

Supporting Comments

Yabba Dabba Café has experienced recent rapid growth to the point where the refuse requirements of the business cannot be accommodated within the site due to the configuration of the premises including the lack of a laneway/service lane. I am aware that Administration have been working with the owner to facilitate a workable solution which has been identified as the leasing of a small area of the adjacent Dalkeith Hall site for the purpose of storing 4 refuse bins.

Administration Comment

It is a requirement for food premises to provide bins and other refuse solutions within the boundaries of their site. Council could simply insist that this requirement is adhered to and the Café would need to find a solution that does not involve the Council.

In this situation a combination of factors have conspired to result in there being insufficient area within the premises to locate enough bins for the volume of business generated. In time a laneway will be constructed to the rear of this and adjoining premises but this will not occur until all the existing premises in this block are re-developed.

In this case Administration has been working with the Café owner to try and find a workable solution. The most pragmatic solution would be to lease a small area of the adjacent Dalkeith Hall site to the Café for the storage of the bins which would formalise what we understand to be the practice that has occurred for some years. The Café is prepared to pay a “market” rent for the area to be leased which would be an area of approximately 10-15 square metres (about half a parking bay). Council are simultaneously looking to create a bin storage area at the rear of the Hall to “tidy up” the bins associated with the Hall and the NCC.

If a lease was entered into it would need to make provision for the simple termination of the lease due to possible future redevelopment of the Hall site as has been discussed as part of the Waratah Ave Place making project.

Council should also consider any potential precedent that may be created should this Motion be approved in terms of the refuse requirements of other similar businesses in the location.

15. Elected members notices of motion given at the meeting for consideration at the following ordinary meeting on 24 June 2014

Disclaimer: Where administration has provided any assistance with the framing and/or wording of any motion/amendment to a Councillor who has advised their intention to move it, the assistance has been provided on an impartial basis.
