MINUTES

Ordinary Council Meeting

Wednesday 27 May 2026

These Minutes are Subject to Confirmation

Prior to acting on any resolution of the Council contained in these Minutes, a check should be made of the Ordinary Meeting of Council following this meeting to ensure that there has not been a correction made to any resolution.

Disclaimer

Members of the public who attend Council Meetings should not act immediately on anything they hear at the meetings, without first seeking clarification of Council's position. For example, by reference to the confirmed Minutes of Council meeting. Members of the public are also advised to wait for written advice from the Council prior to taking action on any matter that they may have before Council.

Any plans or documents in agendas and minutes may be subject to copyright. The express permission of the copyright owner must be obtained before copying any copyright material.

1 DECLARATION OF OPENING

Mayor Browner declared as follows:

I am now pleased to declare this Ordinary Meeting of the Council of the City of Nedlands open at 5:01 pm.

In opening the meeting, I acknowledge the traditional custodians of this land, the Whadjuk people of the Nyoongar Nation, and pay our respects to culture and Elders, past and present. The City of Nedlands also values the contributions made to the community over the years by people of diverse backgrounds and cultures, including those who have served and sacrificed.

This meeting is being live streamed and recorded and I refer you to the disclaimer on page 2 of the agenda.

3 PUBLIC QUESTION TIME

Paul Lougheed, NEDLANDS

Question 1

Can I please get an update on the underground power works, that was brought up 12 - 18 months ago. There was a meeting about it, what's going on? Is it still going ahead or is there anything happening with that now?

Response: Director City Infrastructure and Environment

As Part of underground power works, the Nedlands North project has been completed. The Nedlands West works are progressing and it's aiming at completion by end of June 2026. Hollywood East has not progressed.

4 ADDRESSES BY MEMBERS OF THE PUBLIC

Nil

5 REQUESTS FOR LEAVE OF ABSENCE

Council Decision

That Council **APPROVES** the Leave of Absence from Councillor Julian Coleman for the period of 27 May 2026.

Moved: Cr Rebecca Coghlan

Seconded: Cr Rachel Kristensen

CARRIED UNANIMOUSLY 7-0

For: Mayor Leonie Browner, Cr Jenny Mathews, Cr Charles Pan, Cr Eliza Clapin, Cr Rachel Kristensen, Cr Rebecca Coghlan and Cr Stephen Kolbelke

Against: Nil

6 PETITIONS

Nil

7 DISCLOSURES OF FINANCIAL INTEREST

Nil

8 DISCLOSURES OF INTERESTS AFFECTING IMPARTIALITY

- **Councillor Jenny Mathews declared an interest affecting impartiality for Item 18.1**

Reason:

I disclose that I am the owner and occupier of a property on Alexander Place, which is one of the routes included in the long-term cycle network. Consequently, there may be a perception that my impartiality on the matter may be affected. I declare that I will consider this matter on its merits and vote accordingly.

- **Councillor Charles Pan declared an interest affecting impartiality for Item 18.1**

Reason:

I disclose that I'm an owner and occupier on Victoria Avenue, Dalkeith, which is one of the streets that's been considered on this plan. Consequently, there may be a perception that my impartiality on the matter may be affected. I declare that I will consider this matter on its merits and vote accordingly.

9 DECLARATIONS BY MEMBERS THAT THEY HAVE NOT GIVEN DUE CONSIDERATION TO PAPERS

Nil

10 CONFIRMATION OF MINUTES

10.1 Ordinary Council Meeting held Wednesday, 22 April 2026

Officer Recommendation and Council Decision

The Minutes of the Ordinary Council Meeting held Wednesday, 22 April 2026 are to be **CONFIRMED**.

Moved: Cr Jenny Mathews

Seconded: Cr Eliza Clapin

CARRIED UNANIMOUSLY 7-0

For: Mayor Leonie Browner, Cr Jenny Mathews, Cr Charles Pan, Cr Eliza Clapin, Cr Rachel Kristensen, Cr Rebecca Coghlan and Cr Stephen Kolbelke

Against: Nil

10.2 Special Council Meeting held Wednesday, 13 May 2026

Officer Recommendation and Council Decision

The Minutes of the Special Council Meeting held Wednesday, 13 May 2026 are to be CONFIRMED.

Moved: Cr Rebecca Coghlan Seconded: Cr Stephen Kolbelke

CARRIED UNANIMOUSLY 7-0

For: Mayor Leonie Browner, Cr Jenny Mathews, Cr Charles Pan, Cr Eliza Clapin, Cr Rachel Kristensen, Cr Rebecca Coghlan and Cr Stephen Kolbelke

Against: Nil

11 ANNOUNCEMENTS BY THE PRESIDING MEMBER WITHOUT DISCUSSION

I would like to provide a brief update to the community on some of the activities undertaken by Councillors and myself since our last meeting.

Over recent weeks, Councillors have continued to engage actively with the community and with the work of the City. Councillors and I were privileged to attend ANZAC Day ceremonies at Hollywood Private Hospital, the War Graves Cemetery, Birdwood Parade Reserve and the Nedlands War Memorial. We were joined by residents in commemorating the service and sacrifice of Australians who have served our nation.

I was also pleased to attend the City's Volunteer Week celebrations, recognising the enormous contribution volunteers make across our community. I also had the honour of presiding over my first Citizenship Ceremony and welcoming new citizens to Australia and to our community. I would like to acknowledge the excellent turnout amongst Councillors, who were all very impressed by the professionalism and moving nature of the ceremony.

We have continued to meet with a range of community organisations and stakeholders, including the Nedlands Rugby Club, Nedlands Tree Canopy Advocates, Shenton College, the Perth Children's Hospital Foundation and Safety on Swan. These conversations have been valuable in understanding community priorities and concerns.

In terms of governance, the Council has commenced the process for recruiting the City's next CEO, and I have also met with the independent members of the Audit and Risk Committee.

Councillors have continued their professional development through internal and external training and we have participated in a number of concept forums led by City Administration on the budget, audit, local planning strategy and remediation planning.

We also undertook a bus tour of developments across the City to better understand current and future planning issues.

I thank Councillors, staff and members of the community for their continued engagement as we continue to work together through this early stage of the new Council term.

I would like to advise that item 15.1; Consent to Advertise Local Planning Policy 7.8: Substantial Commencement of Development has been withdrawn from the agenda.

Purpose

Administration is required to provide Council with a monthly financial report in accordance with regulation 34(1) of the *Local Government (Financial Management) Regulations 1996*. Material variances are highlighted to Council in the attached Monthly Financial Report.

Officer Recommendation and Council Decision

That Council **RECEIVES** the Monthly Financial Report for 31 March 2026.

Moved: Cr Rachel Kristensen **Seconded:** Cr Stephen Kolbelke

CARRIED UNANIMOUSLY 7-0

For: Mayor Leonie Browner, Cr Jenny Mathews, Cr Charles Pan, Cr Eliza Clapin, Cr Rachel Kristensen, Cr Rebecca Coghlan and Cr Stephen Kolbelke

Against: Nil

Background

All opening positions from prior year are a preliminary result for the year ended 30 June 2025 as the Financial Statements 2024/25 are in the process of being reviewed by the Auditors.

Movements in the opening balance from prior months shown in the Statement of Financial Position, Statement of Financial Activity (SOFA) and Reserve Movements reflect accounting adjustments posted in 2024/25 for the Final Audit. This monthly financial report has been prepared on the same basis as any other month in the reporting cycle and does not include any year end accounting adjustments. These accounting adjustments will be made in the accounting ledger in Period 13 which preserves the integrity of monthly reporting to Council within the current financial year.

The March 2026 Financial Statements report variances of actuals against the Mid-Year Review budget approved at the Ordinary Council Meeting held on March 11, 2026.

The materials supporting the preparation of the approved budget were prepared on an aggregate basis which limits the ability to provide a detailed analysis of variances.

The monthly financial management report meets the requirements of regulation 34(1), 34(3), and 34(5) of the *Local Government (Financial Management) Regulations 1996*.

The attached report shows the month end position as at the end of March 2026.

The SOFA presents of municipal closing surplus as of 31 March 2026 is \$15,603,567 which is a \$6,682,273 favourable variance, compared to a budgeted surplus for the same period of \$8,921,294.

The SOFA reports operating revenue at the end of March 2026 as \$46,655,322 which represents a \$656,363 favourable variance compared to the year-to-date budget of \$45,998,959 primarily due to Rates and Other Revenue.

The operating expense at the end of March 2026 was \$41,528,118 which represents a \$3,021,821 favourable variance compared to the year-to-date budget of \$44,549,939 primarily in Materials & Contracts.

The attached SOFA compares Actuals with Year to Date Amended Budget by Nature or Type as per regulation 34 (3) of the Local Government Financial Management Regulations 1996. Material variances from the budget as defined under Budget Implications are explained for revenue and expenditure.

Operating Activities

Grants, subsidies and contributions

Favourable variance of \$60,053 due to the phasing of the amended budget against Actuals to date.

Interest revenue

Favourable variance of \$42,695 primarily due to budget phasing.

Other revenue

Favourable variance of \$244,893 primarily due to a catch up of re-imburement of utility charges from clubs invoiced in September 2025.

Profit/Loss on disposal of assets

Unfavourable variance of \$38,516 due to timings of Asset disposal.

Materials and contracts

Favourable variance of \$2,839,056 primarily due to the budgeted phasing of expenditure in Consultancy (\$924k), Contract Services (\$776k), Software Licences (\$434k) and Refuse Collection (\$474k).

Utility charges

Favourable variance of \$135,526 due to the reversal of prior year accruals for energy costs in July, but no ongoing monthly accrual due to limitations in resources.

Insurance

Favourable variance due to the increase in the Year to Date Amended Budget for which costs have not yet been received.

Other expenditure

Unfavourable variance of \$84,782 due to the phasing of the Budget.

Investing Activities

Proceeds from capital grants, subsidies and contributions

Unfavourable variance of \$1,772,741 due to timing of grant and contribution receipts.

Acquisition of property, plant and equipment

Actual spend is lower than budget by \$1,219,588 due to timing of major projects.

Acquisition of infrastructure

Actual spend is lower than budget by \$2,679,974 due to timing of major projects.

Rates Receivable

Outstanding rates debtors (net of any rebates) are \$4,681,427 as of 31 March 2026 compared to \$2,958,756 as of 31 March 2025 which reflects the later striking of rates in the current year and Underground Power. Breakdown is as follows:

Receivable	31 March 2026 (\$)	31 March 2025 (\$)	Variance (\$)
Rates & UGP	4,681,427	2,958,756	1,722,672
Rubbish & Pool	148,815	142,388	6,427
Deferred (Pensioners)	344,373	379,232	(34,859)
ESL	145,899	112,250	33,649
Total	5,320,514	3,592,626	1,727,889

Consultation

The report has been prepared in consultation with relevant officers.

Strategic Implications

This item is strategically aligned to the City of Nedlands Council Plan 2023-33 vision and desired outcomes as follows:

Vision: Sustainable and responsible for a bright future

Performance

11. Effective leadership and governance.

Financial Implications

At the Special Council Meeting on 27 August 2025, item CPS47.08.25, Council adopted the following thresholds for the reporting of material financial variances in the monthly SOFA reports:

- a. Operating items – Greater than 10% and a value greater than \$20,000
- b. Capital items – Greater than 10% and a value greater than \$50,000

Legislative and Policy Compliance

Administration is required to provide Council with a monthly financial report in accordance with regulation 34(1) of the Local Government (Financial Management) Regulations 1996. Material variances are highlighted to Council in the attached Monthly Financial Report.

Risk Considerations

Risk Category	Adopted Risk Appetite Rating	Comment on Risk
Financial	Cautious	Monthly reporting is a key control in ensuring that the City prudently manages its financial position with due regard to anticipating and mitigating financial risks.

Analysis and Conclusion

The municipal surplus as of 31st March 2026 is \$15,603,567 which is favourable compared to a budgeted surplus for the same period of \$8,921,294.

The operating revenue at the end of March 2026 was \$46,655,322 which represents a \$656,363 favourable variance compared to the year-to-date budget of \$45,998,959 primarily in Rates and Other Revenue.

The operating expense at the end of March 2026 was \$41,528,118 which represents a \$3,021,821 favourable variance compared to the year-to-date budget of \$44,549,939 primarily in Materials & contracts.

 NOTES TO THE STATEMENT OF FINANCIAL ACTIVITY
 FOR THE PERIOD ENDED 31 MARCH 2026

1 BASIS OF PREPARATION AND MATERIAL ACCOUNTING POLICIES

BASIS OF PREPARATION

This prescribed financial report has been prepared in accordance with the *Local Government Act 1995* and accompanying regulations.

Local Government Act 1995 requirements

Section 6.4(2) of the *Local Government Act 1995* read with the *Local Government (Financial Management) Regulations 1996*, prescribe that the financial report be prepared in accordance with the *Local Government Act 1995* and, to the extent that they are not inconsistent with the Act, the Australian Accounting Standards. The Australian Accounting Standards (as they apply to local governments and not-for-profit entities) and Interpretations of the Australian Accounting Standards Board were applied where no inconsistencies exist.

The *Local Government (Financial Management) Regulations 1996* specify that vested land is a right-of-use asset to be measured at cost, and is considered a zero cost concessionary lease. All right-of-use assets under zero cost concessionary leases are measured at zero cost rather than at fair value, except for vested improvements on concessionary land leases such as roads, buildings or other infrastructure which continue to be reported at fair value, as opposed to the vested land which is measured at zero cost. The measurement of vested improvements at fair value is a departure from AASB 16 which would have required the City to measure any vested improvements at zero cost.

Local Government (Financial Management) Regulations 1996, regulation 34 prescribes contents of the financial report. Supplementary information does not form part of the financial report.

Accounting policies which have been adopted in the preparation of this financial report have been consistently applied unless stated otherwise. Except for cash flow and rate setting information, the financial report has been prepared on the accrual basis and is based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and liabilities.

PREPARATION TIMING AND REVIEW

Date prepared: All known transactions up to 21-Apr-2026

THE LOCAL GOVERNMENT REPORTING ENTITY

All funds through which the City controls resources to carry on its functions have been included in the financial statements forming part of this financial report.

All monies held in the Trust Fund are excluded from the financial statements.

MATERIAL ACCOUNTING POLICIES

Material accounting policies utilised in the preparation of these statements are as described within the 2024-25 Annual Budget. Please refer to the adopted budget document for details of these policies.

Critical accounting estimates and judgements

The preparation of a financial report in conformity with Australian Accounting Standards requires management to make judgements, estimates and assumptions that effect the application of policies and reported amounts of assets and liabilities, income and expenses.

The estimates and associated assumptions are based on historical experience and various other factors believed to be reasonable under the circumstances; the results of which form the basis of making the judgements about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

As with all estimates, the use of different assumptions could lead to material changes in the amounts reported in the financial report.

The following are estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year and further information on their nature and impact can be found in the relevant note:

- Fair value measurement of assets carried at reportable value including:
 - Property, plant and equipment
 - Infrastructure
- Impairment losses of non-financial assets
- Expected credit losses on financial assets
- Assets held for sale
- Investment property
- Estimated useful life of intangible assets
- Measurement of employee benefits
- Measurement of provisions
- Estimation uncertainties and judgements made in relation to lease accounting

- Pensioner deferred rates	0	(33,764)
- Employee provisions	0	(100,315)
- Deferred service charge - Underground Power	(1,726,734)	(1,708,495)
Total non-cash amounts excluded from operating activities	6,114,100	5,857,726

CURRENT AND NON-CURRENT CLASSIFICATION

In the determination of whether an asset or liability is current or non-current, consideration is given to the time when each asset or liability is expected to be settled. Unless otherwise stated assets or liabilities are classified as current if expected to be settled within the next 12 months, being the local governments' operational cycle.

Dalkeith Bowling Club	186	4,047	0	0	(4,047)	(4,047)	0	0
		4,047	0	0	(4,047)	(4,047)	0	0
Total		4,282,256	0	535,500	(806,607)	(806,607)	3,475,650	4,011,150
Current borrowings		806,607					202,281	
Non-current borrowings		3,475,649					3,273,369	
		4,282,256					3,475,650	

All debenture repayments were financed by general purpose revenue.

Self supporting loans are financed by repayments from third parties.

KEY INFORMATION

The City has elected to recognise borrowing costs as an expense when incurred regardless of how the borrowings are applied.

Fair values of borrowings are not materially different to their carrying amounts, since the interest payable on those borrowings is either close to current market rates or the borrowings are of a short term nature.

Purpose

The purpose of this report is to consider a list of accounts paid for the month of March and April 2026, as detailed in this report.

Officer Recommendation and Council Decision

That Council **RECEIVES** the List of Accounts Paid Report for the months of March and April 2026.

Moved: Cr Eliza Clapin

Seconded: Cr Jenny Mathews

CARRIED UNANIMOUSLY 7-0

For: Mayor Leonie Browner, Cr Jenny Mathews, Cr Charles Pan, Cr Eliza Clapin, Cr Rachel Kristensen, Cr Rebecca Coghlan and Cr Stephen Kolbelke

Against: Nil

Background

Regulation 13 of the Local Government (Financial Management) Regulations 1996 requires a list of accounts paid to be prepared each month, showing each account paid since the last list was prepared. This list is to include the following information:

1. the payee's name;
2. the amount of the payment;
3. the date of the payment; and
4. sufficient information to identify the transaction.

Consultation

Nil

Strategic Implications

This item is strategically aligned to the City of Nedlands Council Plan 2023-33 vision and desired outcomes as follows:

Vision: Sustainable and responsible for a bright future

Performance

11. Effective leadership and governance.

Financial Implications

Nil

Legislative and Policy Compliance

In accordance with regulation 13 of the Local Government (Financial Management) Regulations 1996 the administration is required to present the List of Accounts Paid to Council.

Risk Considerations

Risk Category	Adopted Risk Appetite Rating	Comment on Risk
Financial	Cautious	Monthly reporting is a key control in ensuring that the City prudently manages its financial position with due regard to anticipating and mitigating financial risks.

Analysis and Conclusion

That, in accordance with regulation 13 of the Local Government (Financial Management) Regulations 1996, Council RECEIVES the list of payments drawn for the months of March and April 2026, as detailed in this report.

18.1 Long-Term Cycle Network

Report Number	IE13.05.26
Applicant	City of Nedlands
Disclosure of Interest	Nil
Voting Requirements	Simple Majority
Authority/Discretion	Executive
Contributing Officer	Louise Round - Senior Traffic Engineer
Responsible Officer	Steven Piotrowski - Coordinator Transport & Development
Director	Santosh Amasi - Director City Infrastructure and Environment
Attachments	<ol style="list-style-type: none"> 1. A 2- LTC N- Dec 2025 [18.1.1] 2. Summary of Consultation Comments Aug 2025 [18.1.2]

Purpose

The purpose of this report is to inform the Council of the outcome of the August 2025 public consultation on the draft Long-Term Cycle Network (LTCN) The LTCN dated December 2025 was developed in response to all the consultation, the known current cycle routes and ongoing development of active transport infrastructure in the City and is recommended for adoption.

Officer Recommendation and Council Decision

That Council:

1. **ADOPTS** the Long-Term Cycle Network dated December 2025.
2. **AUTHORISES** the CEO to apply for funding through the Local Bike Planning Grants Program for a local bike plan.

Moved: Cr Eliza Clapin

Seconded: Cr Rachel Kristensen

CARRIED UNANIMOUSLY 7-0

For: Mayor Leonie Browner, Cr Jenny Mathews, Cr Charles Pan, Cr Eliza Clapin, Cr Rachel Kristensen, Cr Rebecca Coghlan and Cr Stephen Kolbelke

Against: Nil

Background

In September 2018 the (then) Department of Transport (DoT) met with the City to provide an overview of the project to prepare a Long-Term Cycle Network (LTCN) for the Perth and Peel region. The DoT noted that:

- the project’s aim is to develop an aspirational LTCN that provides continuous routes along major corridors and establishes links between Perth’s activity centres and public transport services;
- the project will focus on route identification and route hierarchy categorisation;
- the aspirational LTCN will need to be agreed and endorsed by each Council; and
- all Western Australian Bicycle Network (WABN) grants will be linked to the agreed LTCN by 2020.

The LTCN is a ‘high-level’ strategic plan that identifies the function of a route, rather than the form (i.e. width of road/footpath) it should take. Function considers the type of activities that take place along a route, and the level of demand (existing and potential). It does not establish the specifications of bicycle paths or associated infrastructure. The Western Australian Cycling Network Hierarchy consists of three key route types – Primary (red), Secondary (blue) and Local (green). Refer to Figure 1.

	1. PRIMARY ROUTE	2. SECONDARY ROUTE	3. LOCAL ROUTE
Function	Primary routes are high demand corridors that connect major destinations of regional importance. They form the spine of the cycle network and are often located adjacent to major roads, rail corridors, rivers and ocean foreshores. Primary routes are vital to all sorts of bike riding, including medium or long-distance commuting / utility, recreational, training and tourism trips.	Secondary routes have a moderate level of demand, providing connectivity between primary routes and major activity centres such as shopping precincts, industrial areas or major health, education, sporting and civic facilities. Secondary routes support a large proportion of commuting and utility type trips, but are used by all types of bike riders, including children and novice riders.	Local routes experience a lower level of demand than primary and secondary routes, but provide critical access to higher order routes, local amenities and recreational spaces. Predominantly located in local residential areas, local routes often support the start or end of each trip, and as such need to cater for the needs of users of all ages and abilities.
Design Philosophy	An <u>all ages and abilities</u> design philosophy is about creating places and facilities that are safe, comfortable and convenient for as many people as possible. By planning for and designing infrastructure that caters for the youngest and most vulnerable users, we create a walking and bike riding network that everyone can use. At the heart of this approach is fairness and enabling all people to use the network regardless of age, physical ability or the wheels they use.		
Form	All routes can take a number of different forms and are designed to suit the environment in which they are located. These forms include: <ul style="list-style-type: none"> • Bicycle only, shared and/or separated paths; • Protected bicycle lanes (uni or bi-directional, depending on the environment); and • Safe active streets Principal Shared Paths (PSPs) are often built along primary routes. A PSP is a high quality shared path built to MRWA PSP standard which generally means the path will be 4m wide, have adequate lighting and be grade separated at intersections (where possible). In some locations, quiet residential streets incorporating signage and wayfinding may be appropriate for local routes.		

Figure 1 - Western Australian Cycling Network Hierarchy

In August 2020 the Council item PD43.20 Department of Transport’s Draft Long Term Cycle Network resolved:

That Council defers this item to the September 2020 Council Committee Meeting.

The Council item 13.4 Department of Transport’s Draft Long Term Cycle Network from the OCM 22 September 2020 resolved:

That Council:

- *Endorses the current draft Department of Transport Long Term Cycle Network to be advertised for a period of not less than 21 days in accordance with the City of Nedlands Community Engagement Policy, except for the following amendments made prior to advertising (1a, 1b, 1c, 1d, 1e and 1f); Amendments to the draft City of Nedlands LTCN:*
- *Deletion of any reference to the Three Points Bridge, including deletion of any reference to a Primary (red) or Secondary (blue) cycle route that leads to Point Resolution reserve or through any Nedlands Swan River reserves and foreshore;*
- *All references to LTCN routes located within the Dalkeith Ward boundary shall be designated as Local (green) community shared paths, shall be no greater than 2m in width, designed to be low impact and consistent with existing footpath infrastructure;*
- *Addition of the entire length of the Edward Bruce Foreshore Path as a Local (green) community shared path from Broadway to Iris avenue, including an aspiration link into the Sunset Heritage Site adjacent the Iris avenue stairs;*
- *Change the Route Category from Primary Route (Red) to Secondary Route (Blue) for the section starting at the intersection of Marine Parade and North Street, heading northwards along Marine Parade, then east along Odern Crescent and Clement Street, then north along Kirkwood Road, then east along Wood Street, ending at the intersection with West Coast Highway;*
- *Accepts the DoT's preference for the secondary route connecting Loch St Station with Stirling Highway to be along Loch Street, and to request the Local Bike Planning Process to advise the Town of Claremont of this realignment; and*
- *Once across Stirling Highway, the cycle pathway thence veers right to connect with Bay Road and subsequently to the "safe street (bicycles)" Jenkins Ave and Princess Rd.*
- *2. acknowledges the many benefits of local and state government working together in delivering the aspirational draft LTCN over the longer-term including engagement and consultation with local Nedlands stakeholders.*
- *3. will work with the Department of Transport and local Nedlands stakeholders to update the draft LTCN on an ongoing basis, particularly to avoid negative impacts relating to safety, amenity, change of neighbourhood character, streetscape modification, tree removals and other environmental values.*
- *4. supports a thorough community consultation process, with respect to this draft LTCN, to inform the Council of the current levels of community satisfaction with the existing City of Nedlands cycle network infrastructure, as well as the aspirational routes as illustrated within the draft LTCN. Responses received during this consultation process shall be used;*
- *to enable consideration of the adoption of a City of Nedlands cycle network, and*
- *to provide further information to the City and Department of Transport to further update or modify the endorsed draft LTCN to closely reflect the wishes of residents and other local stakeholders.*

The DoT requested some changes to this resolution so that the LTCN aligned with the DoT's requirements for the overall LTCN. These changes were made before the next round of public consultation.

Item TS02.02.25 Consideration of the Long-Term Cycle Network for the City of Nedlands was presented to OCM 25 February 2025.

Council resolved that it:

- *Adopts the Department of Transport's draft Long Term Cycle Network as updated with the agreed recommendations for the purpose of advertising and*
- *Notes that the advertising period for the draft Long Term Cycle Network will be for 21 days.*
- *Instructs the CEO to prepare a report to Council on or prior to the April 2025 OCM with a final version of the Long-Term Cycle Network incorporating community and Department of Transport feedback for final Council endorsement.*

The draft LTCN was updated again to reflect the consultation with the public, the Department of Transport and Major Infrastructure (DTMI, previously under DoT), and the neighbouring Local Governments. The LTCN for the neighbouring Local Governments is given in Attachment 3 and an interactive version of this plan is available on the Department of Transport and Major Infrastructure's website.

The primary changes were:

- Inclusion of Jutland Pde, Birdwood Pde, The Avenue and Esplanade as a local routes and deletion of Beatrice Rd.
- Delete Vincent/Adelma as a secondary route.
- Add Doonan/Alexander as a local NS route.
- Change local NS route from Florence to Stanley.
- Include Aberdare as secondary EW route.

Several routes were also downgraded:

- Waratah from secondary to local.
- Bruce from secondary to local.
- Dalkeith/Wavell from secondary to local.
- Karella from secondary to local.
- Smyth from primary to secondary.

Consultation

The first draft of the LTCN was advertised from 11 February 2022 – 14 March 2022 (30 days). The draft reflected the changes adopted under the September 2020 Council resolution. A total of 49 submissions were received, relating mostly to Jutland Parade and Cottesloe Golf Course local routes.

The second draft was advertised from 7 August 2025 to 7 September 2025 (30 days). The consultation material on the City's Your Voice website stressed that the LTCN is:

- A strategic map of intended cycling routes
- A prerequisite for State Government funding
- A guide for future planning—not a construction plan.

The LTCN is not:

- A commitment to immediate physical works
- A design for specific infrastructure treatments
- A plan to alter verges, remove trees, or change roads.

Community impact:

- No physical changes will occur as a result of this consultation.
- Any future works will be subject to separate design processes and further consultation.
- The LTCN helps ensure future cycling projects are well-planned, safe, and eligible for funding.

The draft LTCN reflected refinements made following the 2022 public consultation, including the removal of contentious routes such as Jutland Parade and the Cottesloe Golf Course boundary.

There was a total of 141 responses. While many respondents support the idea of a long-term cycling network, a majority expressed dissatisfaction with the advertised draft long term plan routes, refer to Attachment 2.

Concerns were raised that the draft does not reflect actual cycling behaviour, nor does it align with the Department of Transport's Cycling Network Hierarchy.

What the Community requested was a recognition of actual cycling patterns, especially the River Loop, along with safe, continuous, and connected routes. The Community would also like infrastructure that supports all users, including school children, commuters, and recreational cyclists. There was also comment on cross-boundary coordination with neighbouring councils and state government.

The Community was opposed to the exclusion of high-use routes like Jutland Parade and the inclusion of unsafe or impractical alternatives like Beatrice Road. There was a perception of undue influence by affluent residents in shaping the network at the expense of broader community needs.

These comments were also echoed by DTMI and the neighbouring Local Governments.

A further, informal meeting was held with the DTMI in January of this year. The DTMI stressed that the City's LTCN is the starting point and the Network is a live document. There is a DTMI endorsement process that can be used by the City to make future changes to the LTCN where the City provides justification for the amendment(s) and then follows the change management process.

The DTMI's experience with other Councils has been that the adoption of a LTCN is the start of a broader conversation around alternative transport and active transport. The feasibility studies for physical works can change the Network as constraints for a particular route come to light.

The DTMI felt that another round of public consultation would be counterproductive.

Strategic Implications

This item is strategically aligned to the City of Nedlands Council Plan 2023-33 vision and desired outcomes as follows:

Vision: Sustainable and responsible for a bright future

People

2. A healthy, active and safe community.

Place

6. Sustainable population growth with responsible urban planning.

Financial Implications

Nil

Legislative and Policy Compliance

The City’s Disability Access and Inclusion Plan 2023 – 2028 includes the action 2.1.2 Identify opportunities to improve universal access to Council facilities and reserves. A LTCN would assist the City in developing continuous accessible pathways.

The City’s Public Health Plan 2024 – 2028 Public Health Plan provides a strategic framework for the health and wellbeing of the local community. The Public Health Plan is the City’s roadmap to continue to enable a healthy, active and safe community. The Plan includes the actions:

1.1.1 Provide and maintain environments and opportunities to enable the community to lead active lifestyles.

6.1.6 Deliver a safe, sustainable road and footpath network.

An overall plan for a cycle network will guide opportunities for active lifestyles. To be sustainable the network needs to include provision for active transport such as cycling.

Risk Considerations

Adopting the LTCN has no risk as it does not commit Council to any actions or physical works.

Risk Category	Adopted Risk Appetite Rating	Comment on Risk
Reputational	Cautious	The City of Nedlands is the only local government in Western Australia that does not have a LTCN.

Analysis and Conclusion

The major impediment to the adoption of a LTCN for the City is the conflict between the aspirations of the wider community and the community along Jutland Parade. This will not be resolved by further public consultation.

The attached LTCN dated December 2025 was developed in response to all the consultation, the known current cycle routes and ongoing development of active transport infrastructure in the City.

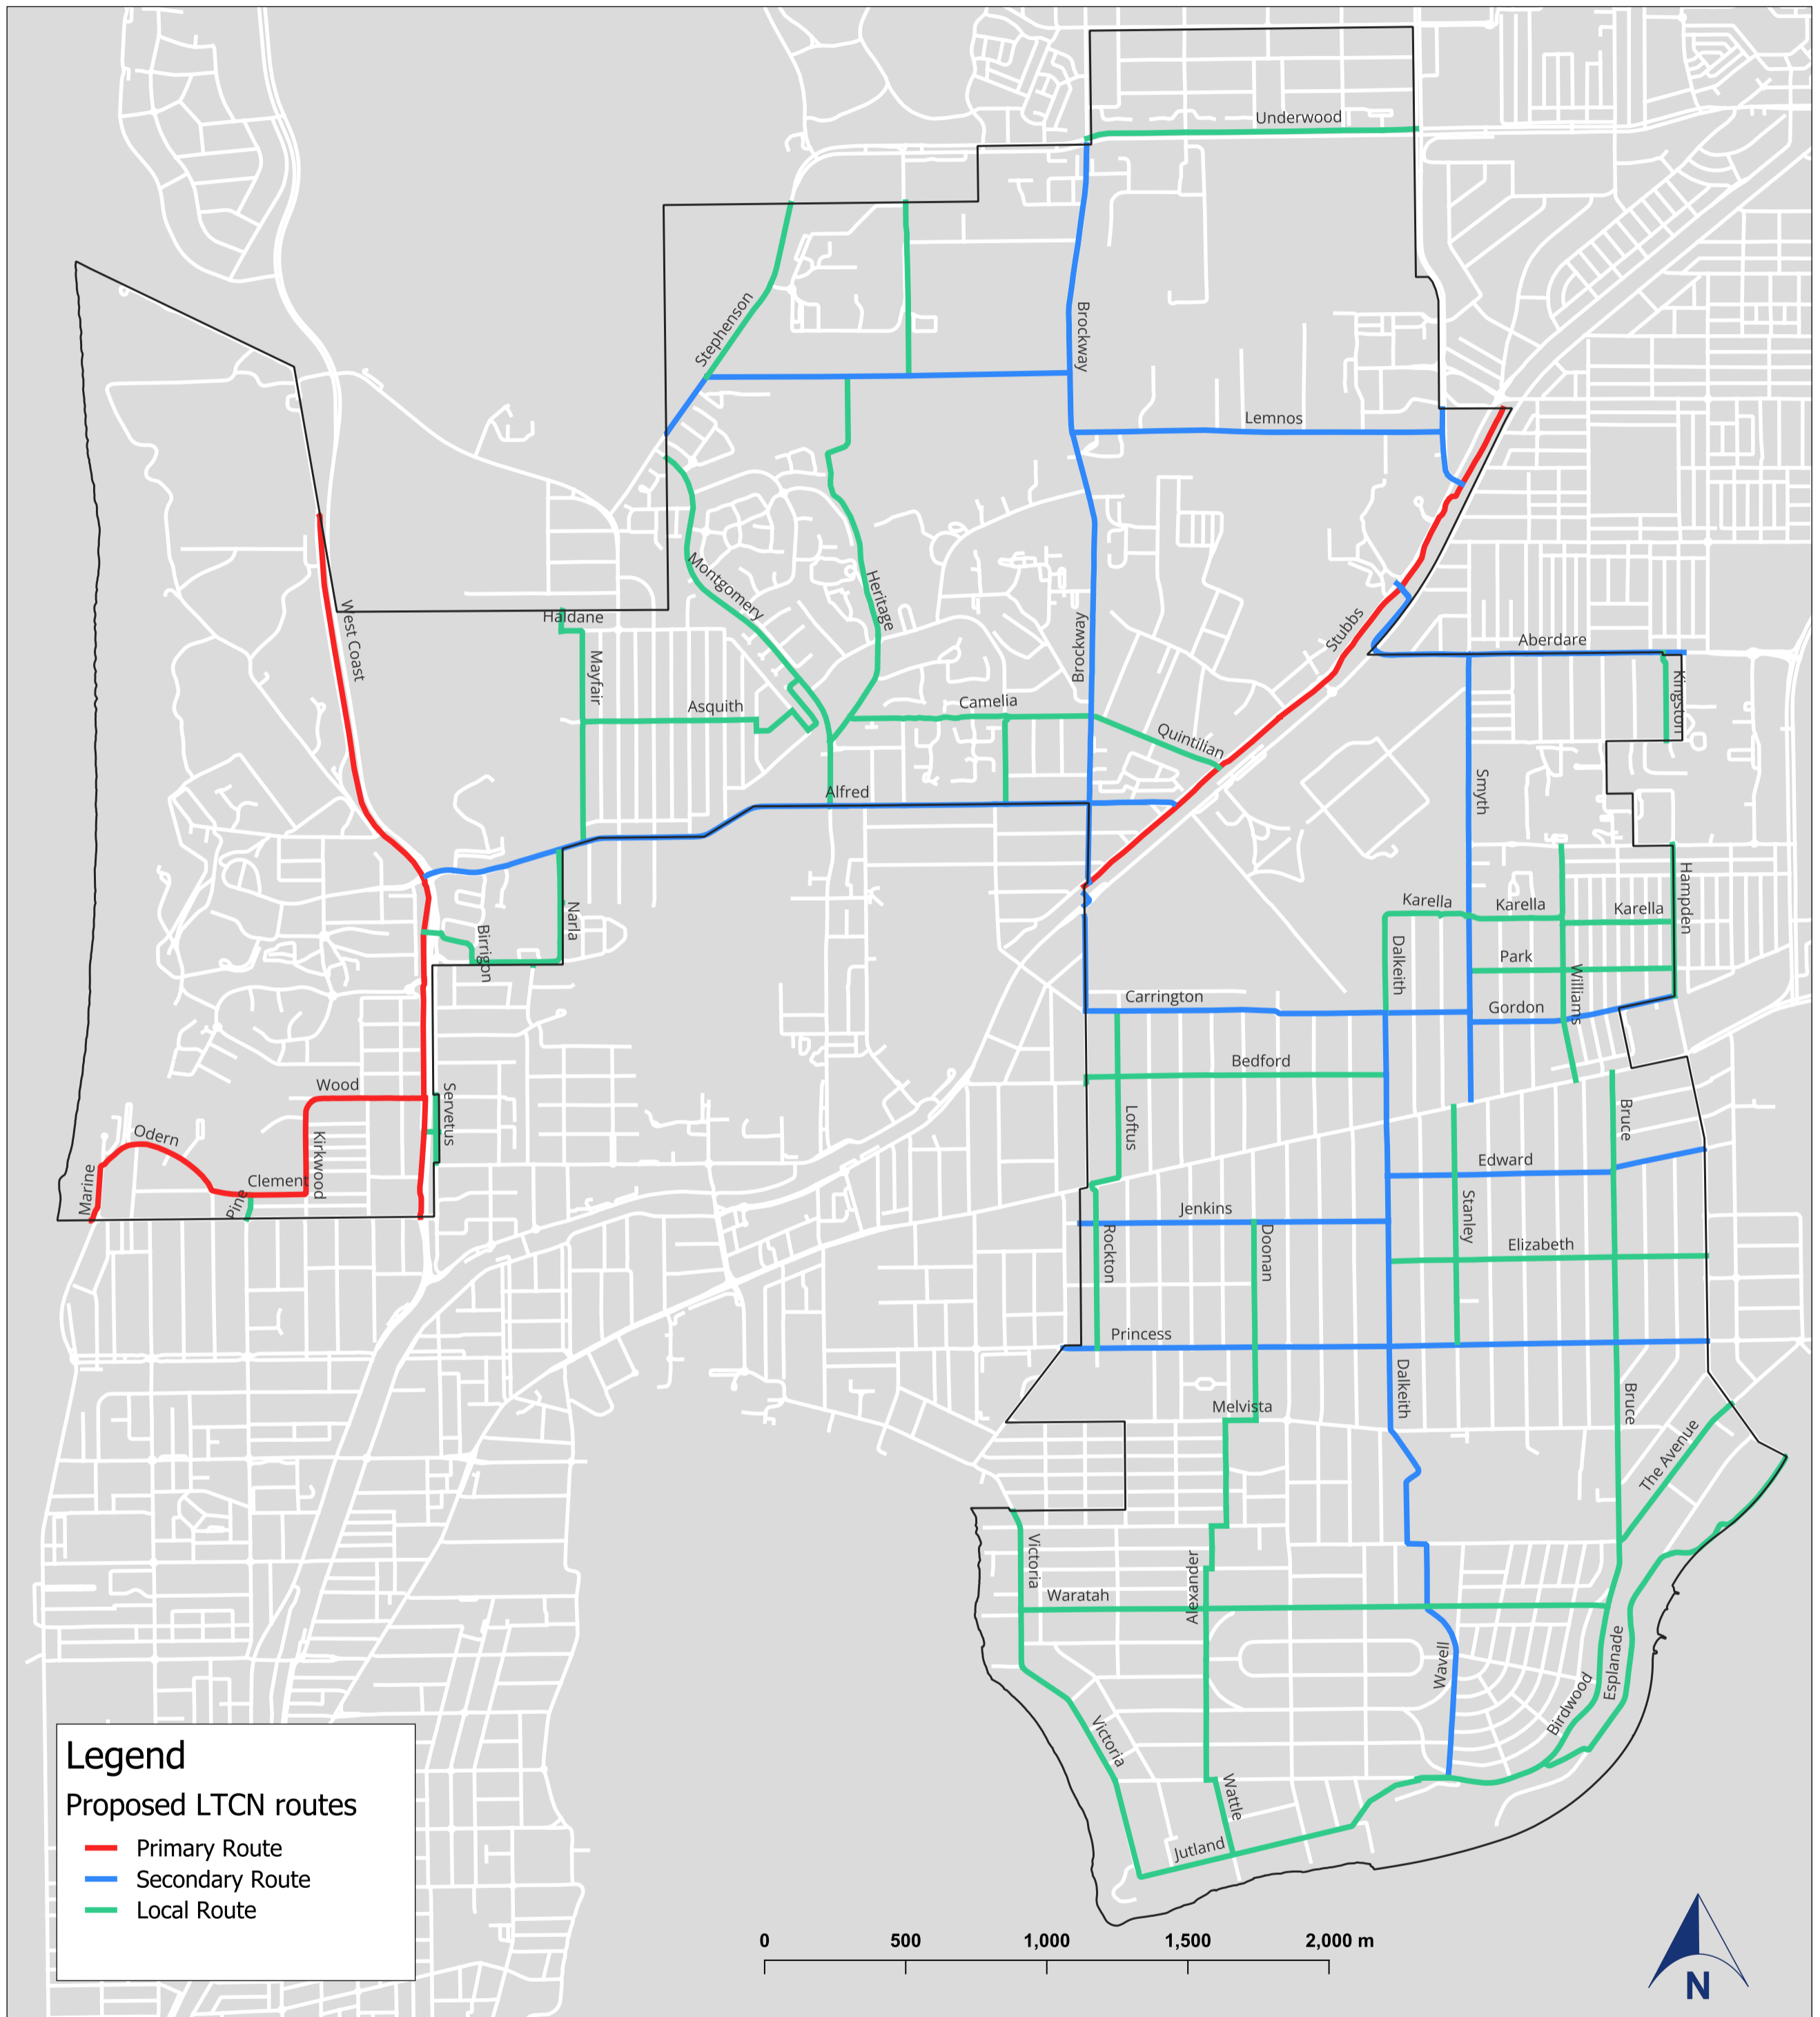

An alternative option would be to abandon the LTCN for the City and to develop cycle infrastructure on an ad hoc basis. The City would then have to fully fund any cycle infrastructure.

The LTCN will allow the City to plan for connected infrastructure that supports all users, including school children, commuters, and recreational cyclists. This assists the City in enabling the community to lead active lifestyles, as well as providing a funding source for further development of the plan.

Long Term Cycle Network

Draft, December 2025

Key Themes from Community Feedback

Strong support for cycling infrastructure – but not the February 2025 draft

- While many respondents support the idea of a long-term cycling network, a **majority expressed dissatisfaction** with the current draft.
 - Concerns were raised that the draft **does not reflect actual cycling behaviour**, nor does it align with the **Department of Transport’s Cycling Network Hierarchy**.
-

Specific Route Feedback

Jutland Parade, Birdwood Parade, Victoria Avenue, and The Avenue

These routes were the **most frequently mentioned** (136 mentions) and are part of the well-known “**River Loop**”, a high-traffic recreational and commuter cycling route.

- **Overwhelming support** for reinstating Jutland Parade as a **Primary or Secondary Route**.
- Many noted that **removing Jutland Parade** from the LTCN is “absurd,” “dangerous,” and “ignores reality.”
- Cyclists cited:
 - Fewer intersections and better visibility.
 - Scenic value and wide roads.
 - Existing high usage (supported by Strava heatmaps).
- Several respondents warned that **cyclists will continue to use Jutland Parade regardless**, making its exclusion a safety risk.

Beatrice Road

- Widely **criticised as an unsafe alternative** to Jutland Parade.
- Concerns included:
 - Narrower road width.
 - Steep gradients.
 - Bus traffic and poor visibility at intersections.
 - Higher pedestrian and school traffic.

- Residents and cyclists alike **objected to its inclusion**, calling it a “poor substitute.”

Other Notable Route Suggestions

- **Edward Street:** Suggested for upgrade to a Primary Route.
 - **Alfred Road:** Needs improvements and better connectivity.
 - **Smyth Road:** Support for inclusion, but concerns about discontinuity.
 - **Underwood Avenue, Waratah Avenue, and Princess Road:** Mixed feedback; some support, others cite safety and traffic issues.
 - **Stubbs Road and Brockway Road:** Supported for better east-west connectivity.
-

Common Threads Across Responses

What the Community wants:

- **Recognition of actual cycling patterns**, especially the River Loop.
- **Safe, continuous, and connected routes**—not fragmented or theoretical.
- **Infrastructure that supports all users**, including school children, commuters, and recreational cyclists.
- **Use of data** (e.g., Strava heatmaps) to inform planning.
- **Cross-boundary coordination** with neighbouring councils and state government.

What the Community opposes:

- Exclusion of high-use routes like Jutland Parade.
 - Inclusion of unsafe or impractical alternatives like Beatrice Road.
 - Perceived influence of affluent residents in shaping the network at the expense of broader community needs.
 - Lack of clarity on how the LTCN will be implemented or funded.
-

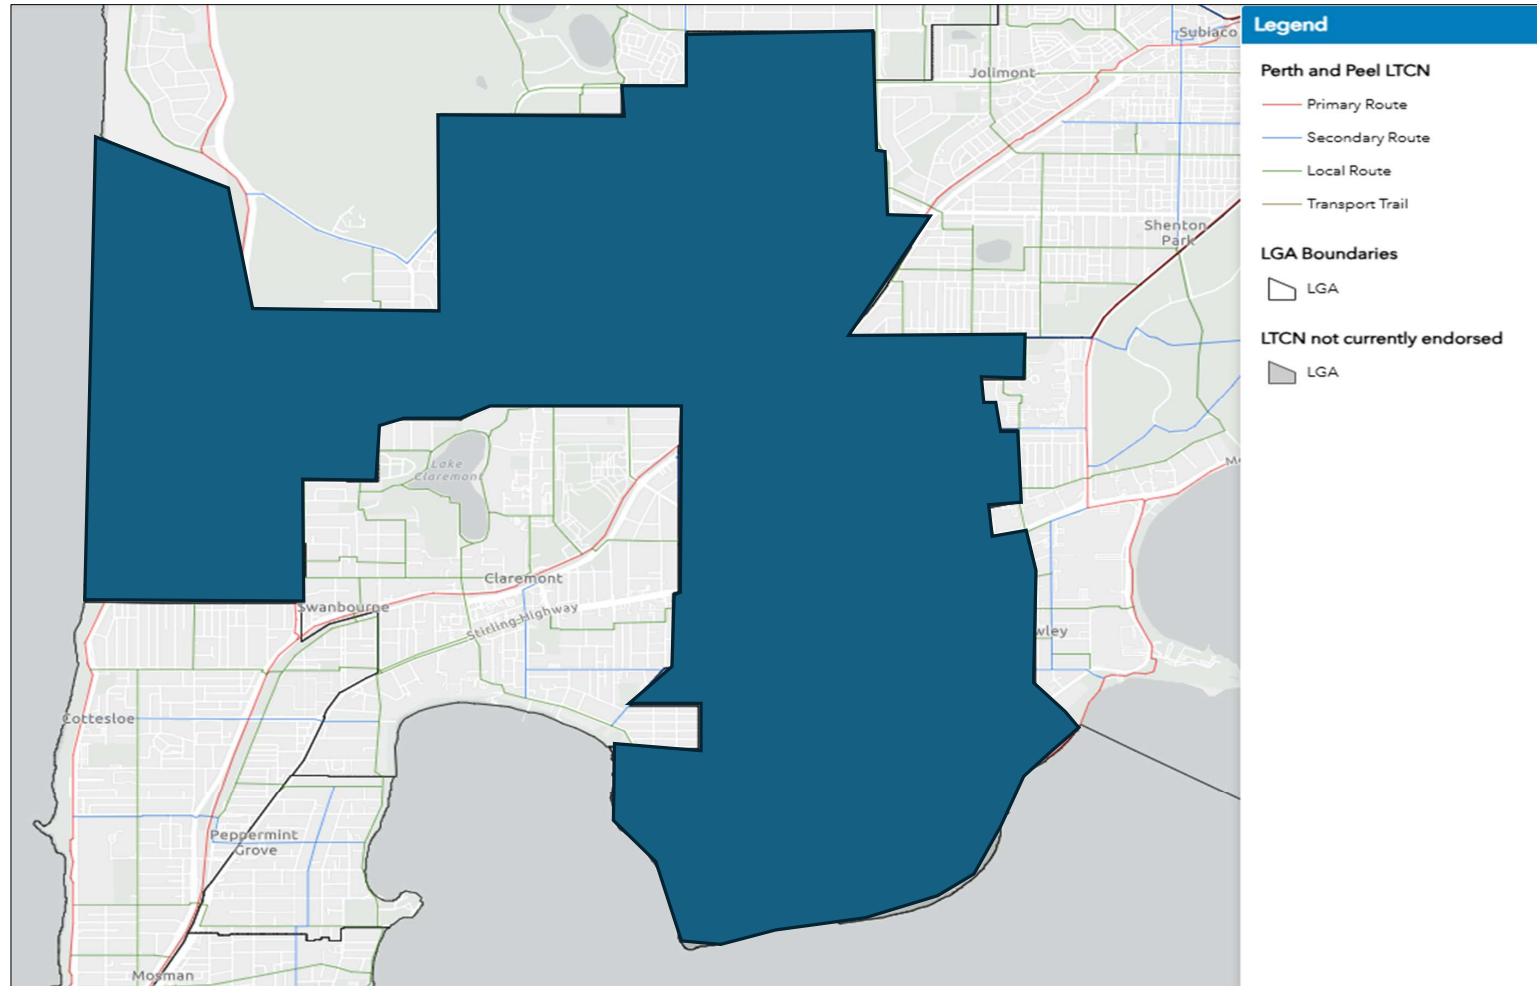

Summary of sentiment (from Graphs Report)

- **Support for the revised LTCN:** 33 yes, 79 no, 22 unsure.

- **Understanding of LTCN as a conceptual plan:** 128 yes, 10 no.
 - **Perception that the LTCN reflects 2022 feedback:** Only 7 yes, 30 no, 108 unsure.
-

Recommendations for the City of Nedlands

1. **Reinstate Jutland Parade, Birdwood Parade, and Victoria Avenue** as Primary or Secondary Routes.
 2. **Remove or downgrade Beatrice Road** due to safety and practicality concerns.
 3. **Use real-world data** (e.g., Strava heatmaps) to validate route classifications.
 4. **Improve east-west connectivity**, especially across Stirling Highway.
 5. **Engage further with regular cyclists, schools, and local residents** to refine the network.
 6. **Clarify the purpose and implementation pathway** of the LTCN to address misconceptions.
-

Perth and Peel Long-term Cycle Network

An interactive version of this plan is available on the Department of Transport and Major Infrastructure's website.
