

Minutes

Council Meeting

28 August 2018

Attention

These Minutes are subject to confirmation.

Prior to acting on any resolution of the Council contained in these minutes, a check should be made of the Ordinary Meeting of Council following this meeting to ensure that there has not been a correction made to any resolution.

Disclaimer

Members of the public who attend Council meetings should not act immediately on anything they hear at the meetings, without first seeking clarification of Council's position. For example by reference to the confirmed Minutes of Council meeting. Members of the public are also advised to wait for written advice from the Council prior to taking action on any matter that they may have before Council.

Any plans or documents in agendas and minutes may be subject to copyright. The express permission of the copyright owner must be obtained before copying any copyright material.

1. Public Question Time

1.1 Ms Sonya Derry, 38 Napier Street, Nedlands

Question 1

Our "leafy" canopy is currently considered one of the City of Nedlands' main assets. When will the City of Nedlands undertake a detailed study of the urban canopy across the local neighbourhoods of the City (public & Private), so that the impact of all future revised local planning schemes on the urban canopy can be modelled and considered in the decision process, prior to any new planning scheme being adopted or forced upon the City of Nedlands?

Answer 1

The Department of Planning and the Western Australian Planning Commission in collaboration with CSIRO completed a detailed baseline study of tree canopy cover in 2009 encompassing the Perth and Peel Region. This was then replicated in 2016 to define the trend in the canopy's cover. The City has used these as the baseline dataset for the draft Urban Forest Strategy (public trees only) to be considered for adoption by Council in the near future. The dataset will also model trends in the private domain and is available to the public on the City's website mapping tool.

Question 2

Will the Council require that this data on the total urban canopy be incorporated into a model to predict the possible impact (worst case/best case) of planning schemes on the Urban Canopy in neigbourhoods across our City?

Answer 2

It is anticipated that the model will inform future development of policy and strategies for managing urban forest canopy cover.

Question 3

The City of Stirling have published significant reports on the damaging impact of development and poor planning on their urban forest in recent years. The City of Stirling reports clearly demonstrate that the urban canopy cannot be effectively managed by solely focusing on trees on verges and public land. Does the Nedlands Council recognise that they need to manage the total urban canopy?

Answer 3

The City is currently focussing on the public domain canopy however it is also reviewing the success or otherwise of policies adopted by other Local Governments to manage vegetation in the private domain as part of development.

Question 4

How can the Council manage the key Community asset of the Urban Canopy, if the asset has not been fully assessed?

Answer 4

The City has assessed every tree within the public domain (excluding some areas of bushland) and will continue to resource the management of the tree asset throughout the City in consideration of tree quality and quantity to maintain the leafy green environment the City is recognised for.

2. Addresses by Members of the Public

Mr Joshua Turkington, 99 Clement Street, Swanbourne (spoke in support of the recommendation)	PD36.18
Mr Deryck Ethelston, 3 Korel Gardens, Swanbourne (spoke in support of the recommendation)	PD36.18
Mr Benedict McCarthy, 64 Florence Road, Nedlands (spoke in support of the application)	PD39.18
Ms Madeline Nicholson, 15 Grainger Drive, Mt Claremont (spoke in opposition to the recommendation)	13.6

		Meeting

10. Members announcements without discussion

10.1 Councillor Smyth

Councillor Smyth advised that she had attended a series of sailing events in Fiji as an accompanying person with 5 teams from Nedlands Yacht Club. Councillor Smyth attended this event at her own cost.

The focus of the events is to provide Fijian and other South Pacific youth with opportunities for competition and mentoring from former world champions and experienced sailors. The age range at the 2018 events was 12 to 75 years, with the 10 sailors from Nedlands spanning 20s to 70s. It was rewarding to see a Fijian team win a place for the first time in the 15-year running of the series. The 11-year-old boats were recycled from the 2007 World Championships and hired by our teams to fund the series.

Results

2018 Fiji Hobie Challenge (Open water event -long distance between islands)
Places by WA Nedlands Teams
2nd Ben King & Mel Flux
4th Phil & Kieran Smyth
5th Mark Landwehr & Andres Gonzalez
11th Phil & Chris King
12th Rod Hodgkin & Lucy Bromell

2018 BSP Oceania Championship (Offshore short course regatta events)
3rd Phil & Chris King
7th Ben King & Mel Flux
8th Rod Hodgkin & Lucy Bromell
12th Phil & Kieran Smyth
15th Mark Landwehr & Andres Gonzalez

10.2 Councillor Shaw

Councillor Shaw emailed the following announcement to be included in the minutes.

Councillor Shaw advised that on Saturday 4th August he attended the annual opening [following the AGM] of the Nedlands Croquet Club in the Dalkeith Ward.

Local Member Hon Bill Marmion MLA was unable to attend, so the Club was most grateful for the City's representation.

They also expressed their deep gratitude for the City's recent assistance in 'repairing and preparing' their rinks for the 2019 National Croquet Championships, which will be held at the Club next March.

The clubhouse here has reputedly the 'best viewing of croquet in Australia', thus the hosting of the 2019 event.

They are a very nice group of [mainly] senior citizens, with a strong attachment to their Club and their sport.

11. Matters for Which the Meeting May Be Closed

Council, in accordance with Standing Orders and for the convenience of the public, is to identify any matter which is to be discussed behind closed doors at this meeting, and that matter is to be deferred for consideration as the last item of this meeting.

Nil.

12. Divisional reports and minutes of Council committees and administrative liaison working groups

12.1 Minutes of Council Committees

This is an information item only to receive the minutes of the various meetings held by the Council appointed Committees (N.B. This should not be confused with Council resolving to accept the recommendations of a particular Committee. Committee recommendations that require Council's approval should be presented to Council for resolution via the relevant departmental reports).

Moved – Councillor Hodsdon Seconded – Councillor Hassell

The Minutes of the following Committee Meetings (in date order) are to be received:

Council Committee

Circulated to Councillors on 17 August 2018

14 August 2018

CARRIED UNANIMOUSLY 11/-

Note: As far as possible all the following reports under items 12.2, 12.3, 12.4 and 12.5 will be moved en-bloc and only the exceptions (items which Councillors wish to amend) will be discussed.

En Bloc

Moved - Councillor Hassell Seconded – Councillor Wetherall

That all Committee Recommendations relating to Reports under items 12.2, 12.3, 12.4 and 12.5 with the exception of Report Nos. PD39.18 & PD41.18 are adopted en bloc.

CARRIED UNANIMOUSLY 11/-

12.2 Planning & Development Report No's PD36.18 to PD42.18 (copy attached)

Note: Regulation 11(da) of the *Local Government (Administration) Regulations 1996* requires written reasons for each decision made at the meeting that is significantly different from the relevant written recommendation of a committee or an employee as defined in section 5.70, but not a decision to only note the matter or to return the recommendation for further consideration.

Regulation 11(da) – Not Applicable – Recommendation Adopted

Moved – Councillor Hassell Seconded – Councillor Wetherall

That the Recommendation to Council be adopted.

(Printed below for ease of reference)

CARRIED UNANIMOUSLY EN BLOC 11/-

Council Resolution / Committee Recommendation

That Council refuses the development application.

Recommendation to Committee

Council approves the development application received 18 May 2018 with amended plans dated 5 July 2018 to construct a Two Storey Single House at (Lot 601) No. 2A Korel Gardens, Swanbourne, subject to the following conditions and advice:

- 1. The development shall at all times comply with the application and the approved plans, subject to any modifications required as a consequence of any condition(s) of this approval.
- 2. This development approval only pertains to the proposed dwelling, associated site works, fencing and swimming pool.
- 3. The parapet wall being finished to a professional standard within 14 days of the proposed development's practicable completion and be maintained thereafter by the landowner to the City's satisfaction.
- 4. All footings and structures to retaining walls, fences and parapet walls, shall be constructed wholly inside the site boundaries of the property's Certificate of Title.
- 5. The bed 4 north facing awning window shall be obscured and restricted to an opening of less than 0.3m.
- 6. All fencing, visual privacy screens and obscure glass panels to Major Openings and Unenclosed Active Habitable Spaces as shown on the approved plans, shall prevent overlooking in accordance with the visual privacy requirements of the *Residential Design Codes 2018*. The fencing, visual privacy screens and obscure glass panels shall be installed prior to the development's practicable completion and remain in place permanently, unless otherwise approved by the City.
- 7. All stormwater from the development, which includes permeable and non-permeable areas shall be contained onsite.

Advice Notes specific to this proposal:

- 1. Any development in the nature-strip (verge), including footpaths, will require a Nature-Strip Development Application (NSDA) to be lodged with, and approved by, the City's Technical Services department, prior to construction commencing.
- 2. The crossover to the street shall be constructed to the Council's Crossover Specifications and the applicant / landowner to obtain levels for the crossover from the Council's Infrastructure Services under supervision onsite, prior to commencement of works.
- 3. All swimming pool waste water shall be disposed of into an adequately sized, dedicated soak-well located on the same lot. Soak-wells shall not be situated closer than 1.8m to any boundary of a lot, building, septic tank or other soak-well.
- 4. All swimming pools, whether retained, partially constructed or finished, shall be kept dry during the construction period. Alternatively, the water shall be maintained to a quality which prevents mosquitoes from breeding.

- 5. All downpipes from guttering shall be connected so as to discharge into drains, which shall empty into a soak-well; and each soak-well shall be located at least 1.8m from any building, and at least 1.8m from the boundary of the block. Soak-wells of adequate capacity to contain runoff from a 20 year recurrent storm event. Soak-wells shall be a minimum capacity of 1.0m³ for every 80m² of calculated surface area of the development.
- 6. All internal water closets and ensuites without fixed or permanent window access to outside air or which open onto a hall, passage, hobby or staircase, shall be serviced by a mechanical ventilation exhaust system which is ducted to outside air, with a minimum rate of air change equal to or greater than 25 litres / second.
- 7. Prior to the commencement of any demolition works, any Asbestos Containing Material (ACM) in the structure to be demolished, shall be identified, safely removed and conveyed to an appropriate landfill which accepts ACM.

Removal and disposal of ACM shall be in accordance with *Health* (Asbestos) Regulations 1992, Regulations 5.43 - 5.53 of the Occupational Safety and Health Regulations 1996, Code of Practice for the Safe Removal of Asbestos 2nd Edition, Code of Practice for the Management and Control of Asbestos in a Workplace, and any Department of Commerce Worksafe requirements.

Where there is over 10m² of ACM or any amount of friable ACM to be removed, it shall be removed by a Worksafe licensed and trained individual or business.

8. The applicant is advised to consult the City's Visual and Acoustic Privacy Advisory Information in relation to locating any mechanical equipment (e.g. air-conditioner, swimming pool or spa) such that noise, vibration and visual impacts on neighbours are mitigated. The City does not recommend installing any equipment near a property boundary where it is likely that noise will intrude upon neighbours.

Prior to selecting a location for an air-conditioner, the applicant is advised to consult the online fairair noise calculator at www.fairair.com.au and use this as a guide to prevent noise affecting neighbouring properties.

Prior to installing mechanical equipment, the applicant is advised to consult neighbours, and if necessary, take measures to suppress noise.

9. This decision constitutes planning approval only and is valid for a period of two years from the date of approval. If the subject development is not substantially commenced within the two year period, the approval shall lapse and be of no further effect.

Regulation 11(da) – Not Applicable – Recommendation Adopted

Moved – Councillor Hassell Seconded – Councillor Wetherall

That the Recommendation to Council be adopted.

(Printed below for ease of reference)

CARRIED UNANIMOUSLY EN BLOC 11/-

Council Resolution / Committee Recommendation / Recommendation to Committee

Council approves the development application dated 23 May 2018 for Amendments to DA18/28369 (Two Storey Single House) at (Lot No. 54) No. 14 Odern Crescent, Swanbourne, subject to the following conditions and advice:

- 1. The development shall at all times comply with the application and the approved plans, subject to any modifications required as a consequence of any condition(s) of this approval.
- 2. The previous development approval (DA18/28369, dated 18 April 2018) and conditions there-in, remain in effect. This excludes the plans approved as part of the previous development application.

Advice Notes specific to this proposal:

1. This decision constitutes planning approval only and is valid for a period of two years from the date of the original approval (18 December 2017). If the subject development is not substantially commenced within the two-year period, the approval shall lapse and be of no further effect.

Regulation 11(da) – Not Applicable – Recommendation Adopted

Moved – Councillor Hassell Seconded – Councillor Wetherall

That the Recommendation to Council be adopted.

(Printed below for ease of reference)

CARRIED UNANIMOUSLY EN BLOC 11/-

Council Resolution / Committee Recommendation / Recommendation to Committee

Council approves the development application received 21 May 2018 with amended plans received 26 June 2018 for additions (carport and patio) to the existing single house at (Lot 329) No. 9 Bedford Street, Nedlands, subject to the following conditions and advice:

- 1. The development shall at all times comply with the application and the approved plans, subject to any modifications required as a consequence of any condition(s) of this approval.
- 2. This development approval only pertains to the proposed patio and carport.
- 3. Revised drawings shall be submitted with the Building Permit application, to the satisfaction of the City, showing modifications to the carport and driveway as follows:
 - a) The eastern side lot boundary setback for the carport is increased to 0.9m (as measured to the post and eave);

- b) The carport colours and materials of construction to compliment or match the existing dwelling; and
- c) The eastern side lot boundary setback to the driveway is increased to 1m.
- 4. The existing garage spaces are to be retained as covered car parking spaces.
- 5. All sides of the carport shall remain open and shall not accommodate a door.
- 6. All footings and structures to retaining walls, fences and parapet walls, shall be constructed wholly inside the site boundaries of the property's Certificate of Title.
- 7. All stormwater from the development, which includes permeable and non-permeable areas shall be contained onsite.

Advice Notes specific to this proposal:

- 1. A separate development application is required to be submitted to and approved by the City prior to erecting any fencing within the street setback area(s) which is not compliant with the deemed-tocomply provisions of the Residential Design Codes, and/or erecting any fencing behind the primary street setback area which is more than 1.8m in height above natural ground level.
- 2. All crossovers to the street(s) shall be constructed to the Council's Crossover Specifications and the applicant / landowner to obtain levels for crossovers from the Council's Infrastructure Services under supervision onsite, prior to commencement of works.
- 3. Any development in the nature-strip (verge), including footpaths, will require a Nature-Strip Development Application (NSDA) to be lodged with, and approved by, the City's Technical Services department, prior to construction commencing.
- 4. Any approved street tree removals shall be undertaken by the City of Nedlands and paid for by the owner of the property where the development is proposed, unless otherwise approved under the Nature Strip Development approval.
- 5. All downpipes from guttering shall be connected so as to discharge into drains, which shall empty into a soak-well; and each soak-well shall be located at least 1.8m from any building, and at least 1.8m from the boundary of the block. Soak-wells of adequate capacity to contain runoff from a 20-year recurrent storm event. Soak-wells shall be a minimum capacity of 1.0m³ for every 80m² of calculated surface area of the development.

6. This decision constitutes planning approval only and is valid for a period of two years from the date of approval. If the subject development is not substantially commenced within the two-year period, the approval shall lapse and be of no further effect.

Regulation 11(da) – Not Applicable – Recommendation Adopted

Moved – Councillor Hassell Seconded – Councillor de Lacy

That the Recommendation to Committee be adopted.

(Printed below for ease of reference)

CARRIED 10/-(Against: Cr. Mangano)

Please note: No recommendation was made at the Committee Meeting.

Council Resolution / Recommendation to Committee

Council approves the development application dated 01 May 2018 to construct a two-storey single house at (Lot 396) No. 64 Florence Road, Nedlands, subject to the following conditions and advice:

- 1. The development shall at all times comply with the application and the approved plans, subject to any modifications required as a consequence of any condition(s) of this approval.
- 2. This development approval only pertains to the proposed single house, front fence and associated site works.
- 3. All footings and structures to retaining walls, fences and parapet walls, shall be constructed wholly inside the site boundaries of the property's Certificate of Title.

- 4. All fencing, visual privacy screens and obscure glass panels to Major Openings and Unenclosed Active Habitable Spaces as shown on the approved plans, shall prevent overlooking in accordance with the visual privacy requirements of the *Residential Design Codes 2018.* The fencing, visual privacy screens and obscure glass panels shall be installed prior to the development's practicable completion and remain in place permanently, unless otherwise approved by the City.
- 5. All stormwater from the development, which includes permeable and non-permeable areas shall be contained onsite.

Advice notes:

- 1. The dwelling shall not be used as a display home without further approval from the City being obtained.
- 2. All crossovers to the street(s) shall be constructed to the Council's Crossover Specifications and the applicant / landowner to obtain levels for crossovers from the Council's Infrastructure Services under supervision onsite, prior to commencement of works.
- 3. The redundant crossover(s) shall be removed and the nature-strip (verge) reinstated to the City's satisfaction.
- 4. Any development in the nature-strip (verge), including footpaths, will require a Nature-Strip Development Application (NSDA) to be lodged with, and approved by, the City's Technical Services department, prior to construction commencing.
- 5. All street tree assets in the nature-strip (verge) shall not be removed. Any approved street tree removals shall be undertaken by the City of Nedlands and paid for by the owner of the property where the development is proposed, unless otherwise approved under the Nature Strip Development approval.
- 6. All downpipes from guttering shall be connected so as to discharge into drains, which shall empty into a soak-well; and each soak-well shall be located at least 1.8m from any building, and at least 1.8m from the boundary of the block. Soak-wells of adequate capacity to contain runoff from a 20-year recurrent storm event. Soak-wells shall be a minimum capacity of 1.0m³ for every 80m² of calculated surface area of the development.
- 7. All internal water closets and ensuites without fixed or permanent window access to outside air or which open onto a hall, passage, hobby or staircase, shall be serviced by a mechanical ventilation exhaust system which is ducted to outside air, with a minimum rate of air change equal to or greater than 25 litres / second.

8. The applicant is advised to consult the City's Visual and Acoustic Privacy Advisory Information in relation to locating any mechanical equipment (e.g. air-conditioner, swimming pool or spa) such that noise, vibration and visual impacts on neighbours are mitigated. The City does not recommend installing any equipment near a property boundary where it is likely that noise will intrude upon neighbours.

Prior to selecting a location for an air-conditioner, the applicant is advised to consult the online fairair noise calculator at www.fairair.com.au and use this as a guide to prevent noise affecting neighbouring properties.

Prior to installing mechanical equipment, the applicant is advised to consult neighbours, and if necessary, take measures to suppress noise.

9. This decision constitutes planning approval only and is valid for a period of two years from the date of approval. If the subject development is not substantially commenced within the two-year period, the approval shall lapse and be of no further effect.

Council Resolution / Committee Recommendation / Recommendation to Committee

Council approves the development application for a home business (eye lash extensions) to operate at (Lot 211) No.11 Lupin Hill Grove, Nedlands, received on 17 May 2018, subject to the following conditions and advice:

- 1. The development shall at all times comply with the application and the approved plans, subject to any modifications required as a consequence of any condition(s) of this approval.
- 2. The home business approval being valid for a period of 12 months from the date of Council's decision in accordance with Council's Home Business Policy, after which time it is not permitted to continue operating unless a separate planning application has been approved.

- 3. The proposed use complying with the home business definition stipulated under the City's Town Planning Scheme No. 2 (refer to advice note 1).
- 4. Customers visiting the property by prior appointment only.
- 5. Customer vehicles being parked on site only.
- The home business only being permitted to operate between the following times: Monday to Friday - 8.30am and 7.00pm. Saturday and Sunday - 8.30am and 5.00pm.

Advice Notes specific to this approval:

1. With regard to Condition 2, The applicant is advised that the use 'Home Business' is defined as being the following under the City's Town Planning Scheme No. 2:

"Home Business - means a business, service or profession carried out in a dwelling or on land around a dwelling by an occupier of the dwelling which:

- i) does not employ more than 2 people not members of the occupier's household;
- ii) will not cause injury to or adversely affect the amenity of the neighbourhood;
- iii) does not occupy an area greater than 50 square metres;
- iv) does not involve the retail sale, display or hire of goods of any nature;
- v) in relation to vehicles and parking, does not result in traffic difficulties as a result of the inadequacy of parking or an increase in traffic volumes in the neighbourhood, and does not involve the presence, use or calling of a vehicle more than 3.5 tonnes tare weight; and
- vi) does not involve the use of an essential service of greater capacity than normally required in the zone."
- 2. Noise levels are to comply with the *Environmental Protection* (Noise) Regulations 1997.
- 3. This decision constitutes planning approval only and is valid for a period of two years from the date of approval. If the subject development is not substantially commenced within the two-year period, the approval shall lapse and be of no further effect.

Council Resolution / Recommendation to Council

Council receives the Monthly Financial Report for 31 July 2018.

Executive Summary

Administration is required to provide Council with a monthly financial report in accordance with *Regulation 34(1)* of the Local Government (Financial Management) Regulations 1996. The monthly financial variance from the budget of each business unit is reviewed with the respective manager and the Executive to identify the need for any remedial action. Significant variances are highlighted to Council in the attached Monthly Financial Report.

Discussion/Overview

The monthly financial management report meets the requirements of *Regulation 34(1) and 34(5)* of the *Local Government (Financial Management) Regulations 1996.*

The monthly financial variance from the budget of each business unit is reviewed with the respective Manager and the Executive to identify the need for any remedial action. Significant variances are highlighted to Council in the Monthly Financial Report.

This report gives an overview of the revenue and expenses of the City for the month of July 2018 together with a Net Assets Statement as at 31 July 2018.

The operating revenue at the end of July 2018 was \$30.02 M which represents a \$5.02 M favourable variance compared to the year-to-date budget.

The operating expense at the end of July 2018 was \$3.18M, which represents a \$1.82 M favourable variance compared to the year-to-date budget.

The attached Operating Statement compares "Actual" with "Budget" by Business Units. Variations from the budget of revenue and expenses by Directorates are highlighted in the following paragraphs.

Governance

Expenditure:	Favourable variance of	\$ 201,656
Revenue:	Unfavourable variance of	\$ 15,845

The favourable expenditure variance is mainly due to special projects, professional fees, ICT expenses and training expenses of \$151k not incurred yet. Salaries and other employee expenses are lower by \$35k due to timing differences and will even out during the year.

The unfavourable revenue variance is due to less revenue from Hollywood private hospital parking and WESROC.

Corporate and Strategy

Expenditure:	Favourable variance of	\$ 239,577
Revenue:	Favourable variance of	\$ 27,292

The favourable expenditure variance is mainly due to timing differences in the commencement of special projects and the use of professional services, ICT expenses and loan interest payments of \$187k. Salaries expenses are lower by \$35k due to timing differences and will even out during the year.

Favourable revenue variance is due to slightly higher rates revenue.

Community Development

Expenditure:	Favourable variance of	\$171,319
Revenue:	Favourable variance of	\$125,609

The favourable expenditure variance is mainly due to expenses not expended yet for community donations of \$40k and NCC of \$24k, and Tresillian tutor fees of \$21k. Salaries and relief staff expenses is lower by \$54k mainly due to positions not filled yet, and timing differences.

The Favourable revenue variance is due to HACC grants of \$156k received earlier than budgeted and a compensating lower fees and charges received for PRCC and Tresillian.

Planning and Development

Expenditure:Favourable variance of\$ 287,498Revenue:Favourable variance of\$ 182,232The favourable expenditure variance is mainly due to expenses not expendedyet for operational activities of \$205k. Salaries and relief staff expenses islower by \$66k mainly due to positions not filled yet, and timing differences.

Favourable revenue variance is mainly due to higher income on Planning fees of \$33K, and swimming pool inspection fee for the year of \$154k arising from timing issue.

Technical Services

Expenditure:	Favourable variance of	\$ 920,970
Revenue:	Favourable variance of	\$ 4,703,004

The favourable expenditure variance is mainly due to expenses not expended yet for underground power project of \$655k and park services of \$348k.

The favourable revenue variance is due to timing of recognition of revenue on waste services of \$3m and higher revenue from upfront payment of underground power service charge of \$1.7 M. The underground power revenue budget will be updated at budget review, when all the affected owners confirm whether they elect upfront payment or instalment payments.

Net Current Assets Statement

At 31 July 2018, net current assets were \$32.3 M compared to \$3.6 M as at 30 June 2018. This is mainly due to rates notices amounting to \$23.1 M has been issued during the month for the financial year 2018/19.

Capital Works Programme

At the end of July, the expenditure on capital works were \$263k with further commitments of \$1.97 M which is 16.1% of a total budget of \$13.88 M.

Conclusion

The statement of financial activity for the period ended 31 July 2018 indicates that operating expenses are under the year-to-date budget by 36.4% or \$1.8 M, while revenue is above the Budget by 20.1% or \$5.02 M.

13.3 Monthly Investment Report – July 2018

Council	28 August 2018
Applicant	City of Nedlands
Officer	Vanaja Jayaraman – Manager Financial Services
Director	Lorraine Driscoll – Director Corporate & Strategy
Attachments	1. Investment Report for the period ended 31 July 2018

Regulation 11(da) – Not Applicable – Recommendation Adopted

Moved – Councillor Hassell Seconded – Councillor James

That the Recommendation to Council be adopted.

(Printed below for ease of reference)

CARRIED UNANIMOUSLY 11/-

Council Resolution / Recommendation to Council

Council receives the Investment Report for the period ended 31 July 2018.

Executive Summary

In accordance with the Council's Investment Policy, Administration is required to present a summary of investments to Council on a monthly basis.

Discussion/Overview

Council's Investment of Funds report meets the requirements of Section 6.14 of the Local Government Act 1995.

The Investment Policy of the City, which is reviewed each year by the Audit and Risk Committee of Council, is structured so as to minimise any risks associated with the City's cash investments. The officers adhere to this Policy, and continuously monitor market conditions to ensure that the City obtains attractive and optimum yields without compromising on risk management.

The Investment Policy of the City, which is reviewed each year by the Audit and Risk Committee of Council, is structured so as to minimise any risks associated with the City's cash investments. The officers adhere to this Policy, and continuously monitor market conditions to ensure that the City obtains attractive and optimum yields without compromising on risk management.

The Investment Summary shows that as at 31 July 2018 the City held the following funds in investments:

Municipal Funds	\$	2,013,141.59
Reserve Funds	<u>\$</u>	6,051,137.61
Total	\$	8,064,279.20

The total interest earned from investments as at 31 July 2018 was \$16,582.84.

The Investment Portfolio comprises holdings in the following institutions:

Financial Institution	Funds Invested	Interest Rate	Proportion of Portfolio
NAB	\$2,777,665.31	2.46% - 2.74%	34.44%
Westpac	\$2,616,819.18	2.81%	32.45%
ANZ	\$175,826.15	2.50%	2.18%
CBA	\$2,493,968.56	1.30% - 2.47%	30.93%
Total	\$8,064,279.20		100.00%

Conclusion

The Investment Report is presented to Council.

Key Relevant Previous Council Decisions:

Nil.

Consultation

Required by legislation:	Yes 🗌	No 🖂
Required by City of Redlands policy:	Yes 🗌	No 🖂

Budget/Financial Implications

Investment income is steady as per budget.

13.4 Professional Development Approved by the Chief Executive Officer

Moved – Councillor James Seconded – Councillor Hodsdon

The attached Professional Development Approved by the Chief Executive Officer for the month of January 2018 be received.

CARRIED 10/1 (Against: Cr. Mangano)

Name	Conference Details	Reason
Chaminda Mendis,	Waste Conference	Attending this conference, will
Waste		benefit the City in gaining a
Minimisation	3-4 October 2018	significant knowledge in
Coordinator		alternative disposal systems and
	Melbourne	new innovations particular in
	Convention &	Alternative Waste Technology
	Exhibition Centre	(AWT) and Food Organic bin
		service model (FOGO) that are
		currently in operation.
		Furthermore, this opportunity
		will assist the City to develop the
		scope of works required for next
		Waste Management Service
		contract.

13.5 Lot (388) - 95A Waratah Avenue – Request for temporary access

Moved – Councillor Hassell Seconded – Councillor Wetherall

This item be withdrawn as requested by the applicant.

CARRIED UNANIMOUSLY 11/-

Recommendation to Council

Council:

- 1. Gives in principle support to granting a temporary easement over 97-99 Waratah Avenue, Dalkeith in favour of 95A Waratah Avenue, Dalkeith subject to:
 - a. the owner of 95A Waratah Avenue, Dalkeith in agreement with the Chief Executive Officer, specifying the proposed location and dimensions of the easement, together with any proposed consideration to be paid to the City for the easement;
 - b. compliance with the requirements of section 3.58 of the Local Government Act 1995; and
 - c. the owner of 95A Waratah Avenue, Dalkeith being responsible for all costs associated with the processing, preparation and registration of any easement, including costs of compliance with the requirements of the Local Government Act 1995.
- 2. Instructs the Chief Executive Officer to give local public notice of the proposed easement and to obtain the market valuation required for that purpose.

1.0 Executive Summary

The property at 95A Waratah Avenue was sold in 2017 and the new owners intend to redevelop the site following the expiry of the current lease at the end of 2019.

The site is located in Precinct 3 of the Dalkeith Redevelopment Area and as such is subject to special requirements under Town Planning Scheme No.2

(TPS2) which include providing a laneway along the western and northern boundaries of the site facilitating the intended laneway linking Adelma Road through to Waratah Avenue.

Given the large amount of space these laneways would take up in terms of redevelopment potential for the site, the owners wish to construct the northern laneway but not the western laneway. The provisions of the scheme allow for the western (north/south) laneway to be varied.

The draft LPS3 presented to Council on 31 July 2018 recommended the removal of the laneway entirely from the western boundary of 95A Waratah Avenue. That version of draft LPS3 removes all reference to laneways in this shopping precinct from within the Scheme itself and it is expected that the laneway linkage from Adelma Road to Waratah Avenue will be dealt with in a Local Development Plan.

However, it is expected that the north/south laneway will be located somewhere on the Council owned Dalkeith Hall site located immediately adjoining the subject site to the west.

Until a decision is made on where the north/south laneway is to be located, the applicant has requested a temporary access easement or similar over the Council owned Dalkeith Hall property to gain access to the rear of their site.

2.0 Site Details

Figure 1 – Aerial view of access

3.0 Discussion

Background

The Waratah Avenue Shopping Centre is identified within Precincts 1-3 of the Dalkeith Redevelopment Area Guidelines under TPS2 and as such require laneway access across the rear and western boundaries of the commercial properties linking Adelma Road through to Waratah Avenue.

The City of Nedlands owns 3 lots of land located directly adjacent to land within Precinct 3. Lot 385, 386 and 387 on Deposited Plan 3395 comprise a total area of 3,406m² and are held by the City in freehold. The lots are addressed as 97-99 Waratah Avenue, Dalkeith. The land is zoned for municipal purposes and is the location of the Dalkeith Hall and Nedlands Community Centre.

Originally the north/south part of the laneway in Precinct 3 was proposed on the Dalkeith Hall site, however, when the Dalkeith Hall site was excluded from the Guideline Area, the laneway was moved to the western boundary of 95A Waratah Avenue.

Through the process of responding to submissions on draft LPS3, the draft LPS3 presented to Council on 31 July 2018 recommended the removal of the laneway entirely from the western boundary of 95A Waratah Avenue. That version of draft LPS3 removes all reference to laneways in this shopping precinct from within the Scheme itself and it is expected that the laneway linkage from Adelma Road to Waratah Avenue will be dealt with in a Local Development Plan.

However, both laneway requirements remain on the site under TPS2. A redevelopment of 95A Waratah Avenue under the current scheme would result in a loss of 45% of the site to provide both laneways.

In recognition of the likelihood that this part of the laneway will not be required on this site under LPS3 or subsidiary planning mechanisms and to ensure access is available to the rear laneway which will be constructed and ceded to the Council as part of the redevelopment of the site, the applicants request a temporary access easement to plan for the redevelopment.

Redevelopment of the property would potentially provide benefit to the community through additional residential and commercial offerings in the Waratah Avenue precinct. This same logic could potentially be applied to any redevelopment of neighboring 93 and 93A Waratah Avenue.

The City as a landowner of 97-99 Waratah Ave is now presented with an opportunity to become an active participant in realising its vision for the laneway linkage in this area. By agreeing the mechanism of temporary access to 95A Waratah via the City's land this could potentially provide an opportunity for property owners of 93 and 93A Waratah Avenue to also

redevelop providing access at the northern boundary of their lots, further enabling linkage of laneway between Adelma Rd and Waratah Ave.

The easement requested is considered temporary until Council settles on the format for the final leg to the Adelma Road – Waratah Avenue linkage – specifically, where will the north/south link be located.

The easement as shown in figure 1 above would have relatively little impost in the current site layout of 97-99 Waratah Avenue as the site of Dalkeith Hall and Nedlands Community Centre is a building in the center of the three freehold lots surrounded by car parking and through road, enabling thoroughfare of vehicles to and from a redeveloped 95A Waratah Avenue.

It is noted that the easement would limit options for redevelopment. It is therefore proposed that the landowner of 95A Waratah Avenue compensate the City for its benefit through the easement over City of Nedlands freehold land. This would be determined by an independent valuation. This compensation would offset the City's loss of development potential and impost of private use of Local Government land. If Council in future considers the solution to the north / south leg of the laneway to be across City land at 97-99 Waratah Avenue, then the City can move to cede that land for road reserve and remove the easement.

It is also noted that in future once the linkage from Waratah Avenue to Adelma Road is in place the land at 97-99 Waratah Avenue may also benefit through additional access options.

Local Government Act 1995

The City can only dispose of property in accordance with the provisions of the *Local Government Act 1995.* This is whether the disposition is absolute or not. An easement is a recognised form of property right.

If Council wishes to provide an easement to 95A Waratah Avenue for access to the rear of the site, the City will be required to comply with the requirements of section 3.58(3) and (4) of the *Local Government Act 1995*.

These provisions require the Council, before agreeing to dispose of the property to give public notice for 2 weeks. As part of this notice a market valuation of the disposition is required. It is expected the valuation would consider the effect which the grant of an easement would have on the value of the City's property.

In addition, the location and dimensions of the easement would need to be agreed upon. Consideration would need to be given to issues such as increased traffic and the effect on the circulation of traffic including taking into account the needs of the aged clients bus drop off point. There is also a storage shed located in top northeastern corner of the site which would need to be relocated. Council would be required to consider any submissions and give reasons for its decision which are required to be recorded at a Council meeting.

4.0 Budget/Financial Implications

All costs of processing, preparation and registration of the easement would be covered by the owners. The effect on the valuation of the property can be considered after a valuation is obtained and before the final decision on the proposal.

5.0 Consultation

Administration have met on several occasions and liaised via telephone and email with representatives of the owner of 95A Waratah Avenue regarding their request for temporary access.

Administration have consulted McLeods Barristers & Solicitors to learn the necessary process for an agreement to temporary access in the form of an easement over City land at 97-99 Waratah Avenue Dalkeith. McLeods advice is considered in drafting this report.

6.0 Conclusion

It is expected the location of the north/south leg of the laneway to provide access to the rear laneway of the redevelopment area will be amended via Local Planning Scheme No.3 (LPS3) and subsidiary planning mechanisms attaching to it. In the meantime, the owner of the property would like to plan for redevelopment; have certainty of access; and certainty of the area of the property that can be developed.

Redevelopment of the property would provide potential gains for the community in terms of residential and commercial offerings in the Waratah Avenue precinct.

If Council chooses not to agree to the temporary access and without a solution to the north/south leg of the laneway in Precinct 3 then development of neighbouring properties could potentially be stalled until certainty is provided in the Town Planning Scheme and its requirements for this precinct.

Job Ref: 8756 25 June 2018

City of Nedlands PO Box 9 NEDLANDS WA 6909

Attention: Mr Greg Trevaskis - Chief Executive Officer

Dear Mr Trevaskis

Waratah Avenue, Dalkeith Request for agreement to temporary vehicle access easement

We refer to our recent communication and meetings with the City's Director Planning & Development in relation to the above matter.

Our office represents the owners of No.95A (Lot 388) Waratah Avenue, Dalkeith. This property contains the former Village Cinema development but is currently used as a Place of Worship. It is located adjacent to Nos. 97-99 (Lots 385-387) Waratah Avenue, presently owned by the City of Nedlands and accommodating the Dalkeith Hall and Nedlands Community Care facility.

On behalf of our client, we formally request the City's agreement to the following:

- a) The establishment of a temporary vehicle access easement within Nos. 97-99 Waratah Avenue; and
- b) The subsequent removal of the proposed north-south laneway within No.95A Waratah Avenue as specified in Appendix VI of the City's Local Planning Scheme No.2, or otherwise agree to exercise discretion and not require the provision of the laneway within any development approved on the property.

With respect to a) above, it is intended that the temporary easement would facilitate motor vehicle access and egress from our client's prospective development and would remain in place until a suitable alternative was made available to the satisfaction of our client.

Level 3 369 Newcastle Street Northbridge 6003 Western Australia

p:08 9221 1991 f: 08 9221 1919 info@rowegroup.com.au rowegroup.com.au

With respect to b) above, this aspect of our request is consistent with the City of Nedlands Draft Local Planning Scheme No.3 as adopted by Council prior to referral to the WA Planning Commission for public advertising.

Further information in support of our request is detailed below:

Laneways within the Dalkeith Redevelopment Special Control Area

The provisions relating to the Dalkeith Redevelopment Special Control Area (Dalkeith SCA) are outlined in Appendix VI of the City's Local Planning Scheme No.2. The Dalkeith SCA relates to numerous lots on the northern side of Waratah Avenue, with the properties between Alexander Road and Adelma Road (excluding the City's Nos. 97-99) identified within Precincts 1-4. The subject property is located within Precinct 3.

The development of lots within Precincts 1-4 is subject to standards including the provision of 7m wide laneways as parked on the specific Precinct Plans. These consist of an east-west laneway extending generally along the northern property boundaries, with Precinct 3 also incorporating two north-south laneways linking through to Waratah Avenue in the following locations:

- 1) Between Nos. 89 and 91 Waratah Avenue; and
- 2) Within No.95A Waratah Avenue adjacent to the boundary with No.97 Waratah Avenue

Whilst the provision of the east-west laneway is mandatory, the north-south laneways may be varied in accordance with Clause 2.6(a) of Appendix VI. Accordingly, the removal of the laneway in 1) above was endorsed in the approval to the 4 storey development at Nos. 87, 89 and 91 Waratah Avenue which was granted in March 2013 by the Metro West JDAP, made generally in accordance with the recommendation from the City. Also as previously mentioned, Council's adopted Draft Local Planning Scheme No.3 incorporates modified provisions for the Dalkeith SCA which illustrate the removal of the requirement for the laneway within No.95A as described in 2) above.

Consequently, our request is consistent with the prior determination made within the Dalkeith SCA and the potential change to the planning framework applicable to No.95A. A reduction to the number of junctions onto Waratah Avenue is seen as achieving a number of favourable outcomes by maximising built form and interest along the street, reducing the constraint of such provision on lots which are particularly narrow and also minimising potential conflict between vehicles and pedestrians.

> Page 2 8756_18June01L_jh

Supporting reasons to our request

Effect of provision of both easements within No.95A

The provision of an east-west laneway within No.95A is supported by the property owner as it is recognised as representing a critical link for vehicle access and movement between lots in the Dalkeith SCA and the broader locality. However, the additional imposition of the north-south laneway as specified within LPS2 would result in almost 45% of the site being lost to the provision of both laneways, representing a significant impact to the development potential of the site which could preclude any redevelopment taking place.

No.95A is only 1135m² in area and does not obtain vehicle access from Waratah Avenue. It presently does not have laneway access via the partly constructed east-west laneway as it is separated from this by the undeveloped properties at Nos. 93 and 93A Waratah Avenue. Consequently the provision of the temporary easement within Nos. 97-99 would facilitate vehicle access to No.95A and enable the redevelopment of the site in a form which facilitates the efficient use of the property, whilst also avoiding potential delays associated with obtaining vehicle access via the extension of the laneway to the eastern boundary.

Suitability of Nos. 97-99 for this purpose

The City's landholding at Nos. 97-99 Waratah Avenue consists of a total land area of approximately 3400m², with development consisting of a centrally positioned building, three crossovers to Waratah Avenue and vehicle access and parking located adjacent to neighbouring property boundaries. The vehicle manoeuvring arrangement consists of a one-way constructed accessway which we understand has been designed to facilitate access by buses associated with activities run by Nedlands Community Care.

Indeed, the use of the existing constructed access within Nos. 97-99 by any prospective development within No.95A can be achieved with minimal alteration being required to the improvements on site and would not compromise the use of Nos. 97-99 for its current operations.

Conclusion

For the reasons noted above, we seek the agreement of the City of Nedlands to the temporary easement within No.97-99 Waratah Avenue and also the removal of the proposed north-south laneway within No.95A Waratah Avenue.

13.6 Provision of Community Services from Zamia Room at Mt Claremont Community Centre

Council	28 August 2018
Applicant	City of Nedlands
Officer	Patricia Panayotou – Manager Community Service
	Centres
Director	Lorraine Driscoll – Director Corporate & Strategy
Attachments	Nil.

Regulation 11(da) – Not Applicable – Item deferred

Moved – Councillor James Seconded – Councillor de Lacy

Council Resolution

That this item be deferred until the mid-year budget review and taken to a Councillor Briefing for discussion.

> CARRIED 10/1 (Against: Cr. Wetherall)

Recommendation to Committee

Council approves the requested reallocation of \$23,000 of Council funding to upgrade the Zamia Room at Mt Claremont Community Centre.

Executive Summary

Approval requested for the reallocation of \$23,000 from the Capital Works budget for Point Resolution Child Care, to be used to upgrade the Zamia Room at Mt Claremont Community Centre for the delivery of Community Services and activities by the City.

Discussion/Overview

The Zamia Room is in the Mt Claremont Community Centre and has been leased at various times by businesses to provide a café. The café premises has been officially vacant since 28 September 2016. In October 2016, a public expression of interest (EOI) process was conducted by the City and no submissions were received.

In July this year, the City's Community Service Centre teams identified that the Zamia Room, which now has no counters or display cabinets installed, would be an ideal location to hold various activities and services. This would include activities, currently provided at Nedlands Community Care, Dalkeith Hall and Nedlands Library and some activities tailored for the community. Programs and activities have been planned which are designed to engage each demographic of Mt Claremont and the surrounding community, including inter-generational activities and engaging with local schools and seniors.

Most of these activities and programs will be run on a regular basis and some will be designed for school holiday events.

The Zamia Room provides an excellent location for promoting and providing the planned activities and services, with high exposure to community members coming to the community centre to use the Mt Claremont library, or participate in activities in one of the rooms inside the centre.

As the Zamia Room has been vacant for so long, it requires some minor repairs and upgrade and the purchase of some minor equipment and resources to enable the provision of the services and activities.

Key Relevant Previous Council Decisions:

N/A

Consultation

N/A

Budget/Financial Implications

There are no funds allocated for this project in the 2018/19 budget, as this opportunity was realized after the budget was adopted. There are funds allocated in the budget for works at Point Resolution Child Care (PRCC), to provide an upgrade to the shed area, however due to changing priorities this is likely to happen next financial year, resulting in funds available to reallocate.

It is requested that \$23,000 from the capital budget for PRCC works be approved for the upgrade to the Zamia Room at Mt Claremont and the budget be adjusted accordingly in the mid-year budget review.

14. Elected Members Notices of Motions of Which Previous Notice Has Been Given

Disclaimer: Where administration has provided any assistance with the framing and/or wording of any motion/amendment to a Councillor who has advised their intention to move it, the assistance has been provided on an impartial basis. The principle and intention expressed in any motion/amendment is solely that of the intended mover and not that of the officer/officers providing the assistance. Under no circumstances is it to be expressed to any party that administration or any Council officer holds a view on this motion other than that expressed in an official written or verbal report by Administration to the Council meeting considering the motion.

14.1 Councillor Mangano – Birdwood Parade Paths Clean Up & Repairs

On 14 August 2018 Councillor Mangano gave notice of his intention to move the following at this meeting.

Moved – Councillor Mangano Seconded – Councillor Argyle

Council directs the CEO to clean up and repair all 3 paths and provide mitigation to prevent sand or limestone washouts onto these paths, to be completed by end of September 2018.

The Mayor ruled this motion out of order as the motion as currently worded, could not be actioned within the set timeframe with respect to design, procurement and consultation of proposed mitigation work.

Justification

There are 3 bitumen pathways through the bushland between Birdwood Parade and The Esplanade in Dalkeith.

All 3 were laid around 30 years ago and are in a poor condition and need to sand, leaves or limestone washouts attended to.

With the opening of the AAPS there is increased usage of these paths and there could be a member of the public hurt slipping on these pathways which may result in liability to the City due to lack of maintenance.

Administration Comment

An upgrade of the Birdwood Parade pathways by September is a lengthy process and not one that is practically achievable within this timeframe. The paths require:

- Design plans to be prepared.
- Plans to be approved by the Department of Biodiversity Conservation and Attractions (DBCA) as the pathways lie within the Swan River Development Control Area.
- Any requested changes by DCBA are then made to the design.
- Quotations are then sought where a Tender report is likely to have to be prepared for Council consideration.
- Once a company has been appointed they need to prepare and submit a Construction Management Plan for the approval of the Department of Biodiversity Conservation and Attractions.

Completion of these steps could take 3 to 5 months depending how many changes are requested from the Department of Biodiversity Conservation and Attractions and the need for a tender submission to be approved by Council.

The paths at Birdwood Parade are proposed to be scheduled for upgrade in the 2019/20 capital works program which will be subject to Council approval through the annual budget process.

In the Administration's view, the paths subject to this Notice of Motion at Birdwood Parade are in better condition compared to pathways at Hollywood Reserve (pictured) which has a budget allocation for works this financial year. The Birdwood Parade paths have had significant maintenance work undertaken on them within the last five or so years which followed a large storm around 2013.

The maintenance work included:

- Asphalt overlay, and curbing installed along the pathway opposite Nedlands Yacht Club.
- Asphalt repairs and limestone retaining and spill ways on the pathway opposite the Flying Squadron Yacht Club.
- Asphalt repairs and curbing installed along the pathway opposite Tawarri Reception and Function Centre.

Currently there is some sand wash that occurs in a few known areas of the paths following rain events. This is expected at this time of year and is demonstrated in the photos below. There is also some minor leaf litter on the Tawarri pathways which is common in all of the City's bushland areas. Areas that are subject sand wash are cleaned up where they are identified by staff and present a clear hazard to path users. The path network is not regularly swept as part of an operational program and this aligns with service levels of footpath networks across the City.

The City has not received any complaints from members of the community regarding the condition or safety of these paths. Councillor Mangano has raised the condition of these paths a number of times with the City.

There is \$142,800 allocated to the Hollywood Reserve paths in the 2018/19 budget. To date this money has not been spent on the upgrade of those paths and is scheduled for our work program in February to April 2019.

Birdwood Parade Reserve: Sand wash on lower pathway opposite Nedlands Yacht Club

Birdwood Parade Reserve: Upper pathway Opposite Nedlands Yacht Club

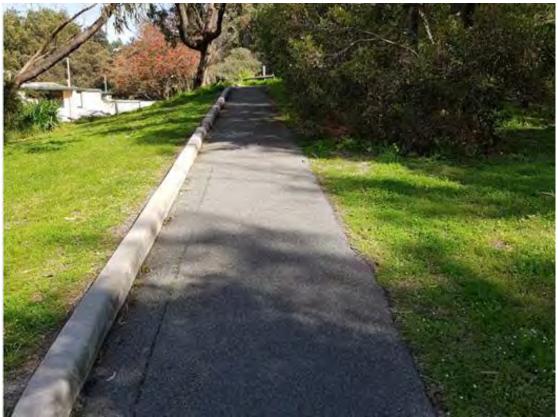

Birdwood Parade Reserve: Minor sand wash on lower pathway opposite Flying Squadron Yacht Club

Birdwood Parade Reserve: Upper pathway opposite Flying Squadron Yacht Club

Birdwood Parade Reserve: Upper pathway opposite Tawarri

Birdwood Parade Reserve: Lower pathway opposite Tawarri

Hollywood Reserve pathway due for upgrade in 2018/19.

15. Elected members notices of motion given at the meeting for consideration at the following ordinary meeting on 25 September 2018

Disclaimer: Where administration has provided any assistance with the framing and/or wording of any motion/amendment to a Councillor who has advised their intention to move it, the assistance has been provided on an impartial basis. The principle and intention expressed in any motion/amendment is solely that of the intended mover and not that of the officer/officers providing the assistance. Under no circumstances is it to be expressed to any party that administration or any Council officer holds a view on this motion other than that expressed in an official written or verbal report by Administration to the Council meeting considering the motion.

Notices of motion for consideration at the Council Meeting to be held on 25 September 2018 to be tabled at this point in accordance with Clause 3.9(2) of Council's Local Law Relating to Standing Orders.
