Leave of Absence (Previously Approved)	Councillor N W Shaw	Melvista Ward
	Councillor S J Porter	Dalkeith Ward

Apologies Nil.

Absent Nil.

Disclaimer

Members of the public who attend Council meetings should not act immediately on anything they hear at the meetings, without first seeking clarification of Council's position. For example by reference to the confirmed Minutes of Council meeting. Members of the public are also advised to wait for written advice from the Council prior to taking action on any matter that they may have before Council.

Any plans or documents in agendas and minutes may be subject to copyright. The express permission of the copyright owner must be obtained before copying any copyright material.

1. Public Question Time

1.1 Ms Cilla de Lacy, 10 Robinson Street, Nedlands

Question 1

As per Council Resolution 16.1 at 24 July 2012 Council meeting can the Council please advise if it:

- Did write to the Members for Nedlands and Cottesloe for an explanation on how they are progressing in supporting the 2008 pledge to speed up the underground power program for Nedlands;
- Received a response from the Members for Nedlands and Cottesloe and what that response detailed; and
- Initiated negotiations with the Town of Cambridge and Western Power in respect of economies of scale and possible logistical alignments in the completion of underground power in adjoining areas (ie Floreat)

Answer

The staff responsible for these negotiation are no longer with the City. The City has not found documentary evidence of these being undertaken in the time available.

Question 2

Can the Council please advise the total monies spent on underground power investigations (eg seeking detailed cost estimates from Western Power and running the community survey in 2014) relating to the various proposals put forward over the years to sink powerlines in the Hollywood ward?

Answer

As yet costs have been minimal. Western Power provided the feasibility study and cost estimates (which were high level and not detailed) as part of their programme and the community survey was completed by the City in house, and a budget of \$6000 was allowed for this.

Question 3

Can the Council please advise why it has never contributed any money towards the underground power program in the City of Nedlands (despite other Councils like the City of Subiaco doing so), leaving the costs to affected land owners, State Government and Western Power?

Answer

Underground programme has always been based on contributions being made only by benefitting ratepayers without any contribution from general rates. This has been generally accepted. Subiaco had built a reserve fund over a number of years, and was for a much smaller scheme.

Question 4

The Town of Cambridge has lodged 4 proposals for funding in Round 6 of the State Underground Power Program (SUPP). The funding mechanism they've proposed is 10% State, 50% Property Owner and 40% Town. This is different to other areas in the Town of Cambridge that received funding from the State Government (50%) in Rounds 1, 2 and 3 of the SUPP matched by 50% Property Owner Funding. The Town itself is now pitching in money from the proceeds of the Perry Lakes Redevelopment. Did the City of Nedlands ever consider and was it possible, to use funds from the proceeds of the redevelopment of the Hollywood High School Site for underground power in the rest of Hollywood? Would there be an opportunity coming up with the redevelopment of the Shenton Park Royal Perth Rehabilitation Hospital Site?

Answer

City of Nedlands did not receive any proceeds from the Hollywood or Swanbourne High School sites. The land in question was fully owned by the State and LandCorp was the developer. At Perry Lakes the Town of Cambridge must have owned the land and received some proceeds as part of the development – hence the availability of funds for other projects. It is the same for Shenton Park Hospital site and the City of Nedlands will not derive any benefit directly through the development of this site in terms of profit/or proceeds from sale/development of the land.

2. Addresses by Members of the Public

CARRIED UNANIMOUSLY EN BLOC 11/-

Council Resolution / Committee Recommendation

Council approves the development application for Additions and Alterations to the existing Single House at (Lot 7) No. 32A Jutland Parade, Dalkeith, in accordance with the application received 19 February 2016 and amended plans received on 01 April and 06 May 2016, subject to the following conditions and advice notes:

Conditions:

- 1. The development shall at all times comply with the approved plans.**
- 2. Following a referral to the Swan River Trust, the following conditions are included:**
 - a) Prior to commencement of the development, the applicant shall submit and have approved plans detailing the modification of the existing boat store so that the structures are located wholly within Lot 7 on Diagram 21411 (32A) Jutland Parade, Dalkeith, to the satisfaction of the City of Nedlands and the specification of the Department of Parks and Wildlife.**
 - b) The development shall be implemented in accordance with the details approved under Condition 3 a).**
 - c) Should dewatering be required, the proponent shall prepare and submit a dewatering management plan to the Department of Parks and Wildlife. No works shall commence prior to the approval of the dewatering management plan by the Department of Parks and Wildlife.**
 - d) Stormwater drainage shall be contained on site, or connected to the local government stormwater drainage system.**
 - e) The development shall be connected to the reticulated sewerage system prior to first occupation.**
 - f) The applicant shall decommission, and backfill with clean material, any existing on-site effluent disposal systems.**
 - g) No wastewater/backwash from the swimming pool is to be discharged onto the land, into the river or the local government drainage system.**
 - h) No building materials, soil, rubbish or any other deleterious matter shall be placed on the Parks and Recreation reservation or be allowed to enter the river as a result of the works.**
- 3. All fencing, visual privacy screens and obscure glass panels to Major Openings and/or Active Habitable Spaces, shown on the approved drawings and/or required as per planning condition(s), shall be fixed in place and be made to prevent overlooking in accordance with the visual privacy requirements of the Residential Design Codes 2015 (R-Codes). The structure(s) shall be installed and remain in place permanently, unless otherwise approved by the City.**

- 4. All footings and structures to boundary walls, fences and retaining walls shall be constructed wholly inside the site boundaries of the Certificate of Title.**
- 5. This approval does not pertain to any works within the nature-strip/verge. Any works in the nature-strip/verge (including footpaths) will require a Nature-Strip Development Application (NSDA) to be lodged with, and approved by, the City's Engineering section, prior to the commencement of any works on site or within the nature-strip/verge.**
- 6. All internal driveways (including circulation ramps) are to be designed to meet Australian Standards AS2890.1:2004.**
- 7. The void area is not permitted to be converted for use other than storage and/or plant and equipment storage in order to comply with Clause 5.11 i) of the City's Town Planning Scheme No. 2.**

Advice Notes

- 1. Prior to any construction, the applicant is required to obtain a building approval from the City of Nedlands.**
- 2. Proposed dividing fences which comply with the City's Town Planning Scheme No. 2 (no more than 1.8m above natural ground level) are compliant and do not require further planning approval.**
- 3. This approval does not authorise any works to the existing retaining walls or stairs located within the adjacent Crown Reserve 24959.**
- 4. The applicant is advised that it is an offence under the Swan and Canning Rivers Management Regulations 2007 to destroy, pull up, cut back or injure any tree, shrub, aquatic plant or other perennial plant that is in the Riverpark or the Swan Canning Development Control Area.**
- 5. All swimming pool waste water shall be disposed of into an adequately sized, dedicated soak-well located on the same lot.**
- 6. All swimming pools, whether being removed, retained, partially constructed or finished, shall be kept dry during the construction period. Alternatively, the water shall be maintained to a quality which prevents mosquitoes from breeding.**

- 7. All stormwater from the development, which includes permeable and non-permeable areas, shall be contained onsite by draining to soak-wells of adequate capacity. All downpipes from guttering shall be connected so as to discharge into drains, which shall empty into a soak-well; and each soak-well shall be located at least 1.8m from any building, at least 1.8m from the boundary of the block.**
- 8. The applicant is advised to consult the City's *Visual and Acoustic Privacy Advisory Information* in relation to locating any mechanical equipment (e.g. air-conditioner, swimming pool or spa) such that noise, vibration and visual impacts on neighbours are mitigated.**
- 9. The landowner is advised to limit construction noise and hours as per the *Environmental Protection (Noise) Regulations 1997*.**
- 10. Prior to the commencement of any demolition works, any Asbestos Containing Material (ACM) in the structure to be demolished, shall be identified, safely removed and conveyed to an appropriate landfill in accordance with *Health (Asbestos) Regulations 1992*, Regulations 5.43 - 5.53 of the *Occupational Safety and Health Regulations 1996*, *Code of Practice for the Safe Removal of Asbestos 2nd Edition*, *Code of Practice for the Management and Control of Asbestos in a Workplace*, and any Department of Commerce Worksafe requirements.**
- 11. This decision constitutes planning approval only and is valid for a period of two years from the date of approval. If the subject development is not substantially commenced within the two year period, the approval shall lapse and be of no further effect.**

Recommendation to Committee

Council resolves the following:

1. Refuses the application for Additions and Alterations to the existing Single House at (Lot 7) No. 32A Jutland Parade Dalkeith, in accordance with the application received on 19 February 2016 and amended plans received on 01 April and 06 May 2016, for the following reasons:
 - a) The proposed alterations are considered to be development which is not permitted within the 7.5m rear setback as per Clause 5.10.3 (b) of the City's Town Planning Scheme No. 2 and the Council does not have the discretion to consider variations.
2. Instructs administration to consider existing development within the 7.5m rear setback area in the Controlled Development Area in the preparation of the City's Local Planning Scheme No. 3.

Moved – Councillor Hay
 Seconded – Councillor James

That the Recommendation to Council be adopted.
 (Printed below for ease of reference)

CARRIED UNANIMOUSLY EN BLOC 11/-

Council Resolution / Committee Recommendation / Recommendation to Committee

Council refuses the request received on 30 March 2015 to retain the air conditioning unit at Lot 100 (5) Bellevue Avenue, Dalkeith, without the requirement to screen or lower below the fence line, for the following reason:

- 1. The air conditioning unit not satisfying the design principles stipulated under Clause 5.4.4 (External Fixtures) of the Residential Design Codes by virtue of its visual impact on the neighbours' amenity.**

Advice Notes specific to this refusal:

- 1. The applicant is advised that the conditions and advice contained in Council's decision made on 23 February 2016 still apply.**
- 2. The applicant is advised that if the air conditioning unit is not screened within 28 days from the date of this decision, or by an alternative date agreed to in writing by the City, using a method(s) acceptable to the City, they will be issued with a Planning Infringement Notice. This carries an initial penalty of \$500.00 and can be issued on multiple occasions by the City prior to taking legal action.**

(Against: Cr. Hodsdon)**

Council Resolution / Committee Recommendation / Recommendation to Committee

Council approves the application for the proposed change of use (from Light Industry to a Shop) at (Lot 46) No. 2A Loch Street, Nedlands, in accordance with the application received on 26 February 2016, subject to the following conditions and advice:

- 1. The development shall at all times comply with the approved plans.**
- 2. The operation complying with definition for the use ‘Shop’ stipulated under Town Planning Scheme No. 2 (refer to Advice Note 1).**

Advice Notes specific to this proposal:

1. The applicant/landowner is advised that the use 'Shop' is defined as being the following under Town Planning Scheme No. 2:

"Means any building wherein goods or services are exposed or offered for sale by retail and without limiting the generality of the foregoing shall include:

shops for the sale of foodstuffs generally, clothing, drapery, furniture and furnishings, footwear, hardware, electrical goods, sporting goods, toys and secondhand goods; jewellers, chemists, stationers, newsagents, variety stores, photographic studios and supplies, florists, dry-cleaning agencies, barbers and hairdressers; and liquor stores; but shall not include a service office, a general office, a professional office or a market."

2. A separate Planning application is required to be lodged and approved prior to the erection/installation of any signage on the lot which does not form part of this application.
3. Adequate staff and public sanitary conveniences shall be provided in accordance with the Building Code of Australia.
4. Prior to commencing an Application for the Establishment of Hairdressing is to be submitted to and approved by the City. The application form and information sheets can be obtained from the City's website: <http://www.nedlands.wa.gov.au/skin-penetration-hairdressing-and-beauty-therapy>
5. Prior to commencing the premises shall receive an inspection from an Environmental Health Officer at the City and be approved by the City's Environmental Health Section, prior to the business operating to determine compliance with *Hairdressing Establishment Regulations 1972*;
6. All internal water closets and ensuites without fixed or permanent window access to outside air or which open onto a hall, passage, lobby or staircase, shall be serviced by a mechanical ventilation exhaust system which is ducted to outside air, with a minimum rate of air change equal to or greater than 25 litres / second.
7. Adequate staff and public sanitary conveniences shall be provided in accordance with the Building Code of Australia.
8. This decision constitutes planning approval only and is valid for a period of two years from the date of approval. If the subject development is not substantially commenced within the two year period, the approval shall lapse and be of no further effect.

Committee Recommendation / Recommendation to Committee

Council approves the application for the proposed change of use (from Light Industry to a Shop) at (Lot 46) No. 2A Loch Street, Nedlands, in accordance with the application received on 26 February 2016, subject to the following conditions and advice:

1. The development shall at all times comply with the approved plans.
2. The operation complying with definition for the use 'Shop' stipulated under Town Planning Scheme No. 2 (refer to Advice Note 1).
3. The shop only being permitted to operate at the following times:

Monday – Closed
Tuesday – 10.00am to 6.00pm
Wednesday – 10.00am to 6.00pm
Thursday – 11.00am to 8.00pm
Friday – 10.00am to 6.00pm
Saturday – 9.00am to 5.00pm
Sunday - Closed

Advice Notes specific to this proposal:

1. The applicant/landowner is advised that the use 'Shop' is defined as being the following under Town Planning Scheme No. 2:

"Means any building wherein goods or services are exposed or offered for sale by retail and without limiting the generality of the foregoing shall include:

shops for the sale of foodstuffs generally, clothing, drapery, furniture and furnishings, footwear, hardware, electrical goods, sporting goods, toys and secondhand goods; jewellers, chemists, stationers, newsagents, variety stores, photographic studios and supplies, florists, dry-cleaning agencies, barbers and hairdressers; and liquor stores; but shall not include a service office, a general office, a professional office or a market."

2. A separate Planning application is required to be lodged and approved prior to the erection/installation of any signage on the lot which does not form part of this application.
3. Adequate staff and public sanitary conveniences shall be provided in accordance with the Building Code of Australia.
4. Prior to commencing an Application for the Establishment of Hairdressing is to be submitted to and approved by the City. The application form and information sheets can be obtained from the City's website: <http://www.nedlands.wa.gov.au/skin-penetration-hairdressing-and-beauty-therapy>

5. Prior to commencing the premises shall receive an inspection from an Environmental Health Officer at the City and be approved by the City's Environmental Health Section, prior to the business operating to determine compliance with *Hairdressing Establishment Regulations 1972*;
6. All internal water closets and ensuites without fixed or permanent window access to outside air or which open onto a hall, passage, lobby or staircase, shall be serviced by a mechanical ventilation exhaust system which is ducted to outside air, with a minimum rate of air change equal to or greater than 25 litres / second.
7. Adequate staff and public sanitary conveniences shall be provided in accordance with the Building Code of Australia.
8. This decision constitutes planning approval only and is valid for a period of two years from the date of approval. If the subject development is not substantially commenced within the two year period, the approval shall lapse and be of no further effect.

PD30.16	(Lot 50) No. 13 Hobbs Avenue, Dalkeith – Proposed Increase to Height of Fencing to Laneways
----------------	--

Committee	14 June 2016
Council	28 June 2016
Applicant	Mr G and Mrs N Knights

 (Printed below for ease of reference)

LOST 2/9
 (Against: Mayor Crs. Binks Hodsdon Hay
 McManus Smyth Argyle & Hassell)

Moved – Councillor Hassell
 Seconded – Councillor Argyle

Council Resolution

Council approves the development application for over height fencing to the southern side and western rear boundaries at No. 13 (lot 50) Hobbs Avenue, Dalkeith, in accordance with the application received 24 February 2016 and amended plans dated 09 May 2016 subject to the following conditions and advice notes:

Conditions:

- 1. The fencing and all associated footings and site works are contained wholly within the lot boundaries and maintained by the landowner to the City's Satisfaction.**
- 2. The fencing is finished to a professional standard within 14 days of practical completion and maintained by the landowner, to the City's satisfaction.**
- 3. The finish of the fence shall include additional plantings (i.e hanging pots) and/or articulations to the satisfaction of the City. The purpose of the additional plantings and/or articulations is to reduce the impact of the bulk of the fence.**

Advice Notes:

- 1. This decision constitutes planning approval only and is valid for a period of two years from the date of approval. If the subject development is not substantially commenced within the two year period, the approval shall lapse and be of no further effect.**

**CARRIED 9/2
(Against: Crs. James & Horley)**

Committee Recommendation / Recommendation to Committee

Council refuses the development application to construct 3.6m high fencing along the southern side and western rear boundaries at (Lot 50) No. 13 Hobbs Avenue, Dalkeith, for the following reasons:

1. The height of the fencing is considered to adversely affect the amenity of the surrounding area and therefore does not comply with Clause 5.5.1 of the City's Town Planning Scheme No. 3; and
2. The height of the fencing exceeds the permitted height of 1.8m specified within the City's Fill and Fencing Policy and will therefore have a negative impact upon the laneway streetscapes and the amenity of neighbouring properties.
3. The height of the fencing setting an undesirable precedent for the locality.

CARRIED 10/1
(Against: Cr. James)

Council Resolution

Council approves the development application to construct two grouped dwellings (two storey) at (Lot 114) No. 8 Jacaranda Avenue, Mount Claremont, in accordance with the application received on 03 December 2015 and amended plans received 13 May 2016 subject to the following conditions and advice notes:

Conditions:

1. The development shall at all times comply with the approved plans.
2. All footings and structures to retaining walls shall be constructed wholly inside the site boundaries of the Certificate of Title.
3. The existing redundant crossover to shall be removed and the verge reinstated to the City's satisfaction
4. Any construction in the verge will require a Nature-Strip Development Application (NSDA) to be lodged with, and approved by, the City's Technical Services, prior to construction. The following is to be demonstrated as part of the NSDA:
 - a) All crossovers being constructed and drained to the City's specifications;
 - b) No street trees to be removed without Council approval
 - c) All development in the verge complying with the Council's Nature Strip / Verge Development Policy.
5. All existing and proposed fencing, visual privacy screens and obscure glass panels to Major Openings and/or Active Habitable Spaces, shown on the approved drawings, shall prevent overlooking in accordance with the visual privacy requirements of the *Residential Design Codes 2015* (R-Codes). The structure(s) shall be installed and remain in place permanently, unless otherwise approved by the City.
6. All privacy screening devices being installed within 14 days of the development's practicable completion and maintained thereafter by the landowner to the City's satisfaction.

7. All stormwater from the development, which includes permeable and non-permeable areas, shall be contained onsite.
8. A landscaping plan is to be submitted in accordance with Council's Planning Policy.

Advice notes:

1. Prior to any construction, the applicant is required to obtain a building approval from the City of Nedlands.
2. Fencing within the front setback area (including along the side boundaries) which is compliant with the deemed to comply provisions of the R-Codes and dividing fencing not more than 1.8m above the existing natural ground level does not require planning approval.
3. A grated channel strip-drain should be constructed across the driveway, aligned with and wholly contained within the property boundary, and the discharge from this drain to run to a soak-well situated within the property.
4. All stormwater from the development, shall be contained onsite by draining to soak-wells of adequate capacity to contain runoff from a 20 year recurrent storm event. Soak-wells shall be a minimum capacity of 1.0m³ for every 80m² of calculated surface area of the development. All downpipes from guttering shall be connected so as to discharge into drains, which shall empty into a soak-well; and each soak-well shall be located at least 1.8m from any building, and at least 1.8m from the boundary of the block.
5. All internal water closets and ensuites without fixed or permanent window access to outside air or which open onto a hall, passage, hobby or staircase, shall be serviced by a mechanical ventilation exhaust system which is ducted to outside air, with a minimum rate of air change equal to or greater than 25 litres / second.
6. The applicant is advised to consult the City's *Visual and Acoustic Privacy Advisory Information* in relation to locating any mechanical equipment (e.g. air-conditioner, swimming pool or spa) such that noise, vibration and visual impacts on neighbours are mitigated. The City does not recommend installing any equipment near a property boundary where it is likely that noise will intrude upon neighbours.

Prior to selecting a location for an air-conditioner, the applicant is advised to consult the online fairair noise calculator at www.fairair.com.au and use this as a guide to prevent noise affecting neighbouring properties.

Prior to installing mechanical equipment, the applicant is advised to consult neighbours, and if necessary, take measures to suppress noise.

- 7. Prior to the commencement of any demolition works, any Asbestos Containing Material (ACM) in the structure to be demolished, shall be identified, safely removed and conveyed to an appropriate landfill which accepts ACM.**
 - i. Removal and disposal of ACM shall be in accordance with *Health (Asbestos) Regulations 1992*, Regulations 5.43 - 5.53 of the *Occupational Safety and Health Regulations 1996*, *Code of Practice for the Safe Removal of Asbestos 2nd Edition*, *Code of Practice for the Management and Control of Asbestos in a Workplace*, and any Department of Commerce Worksafe requirements.**
 - ii. Where there is over 10m² of ACM or any amount of friable ACM to be removed, it shall be removed by a Worksafe licensed and trained individual or business.**
- 8. This decision constitutes planning approval only and is valid for a period of two years from the date of approval. If the subject development is not substantially commenced within the two year period, the approval shall lapse and be of no further effect.**

Council Resolution / Recommendation to Council

Council receives the Monthly Financial Report for May 2016.

Executive Summary

Administration is required to provide Council with a monthly financial report in accordance with *Regulation 34(1) of the Local Government (Financial Management) Regulations 1996*. The monthly financial variance from the budget of each business unit is reviewed with the respective manager and the Executive to identify the need for any remedial action. Significant variances are highlighted to Council in the attached Monthly Financial Report.

Strategic Plan

KFA: Governance and Civic Leadership

This report will ensure the City meets its statutory requirements.

Background

Regulation 34(1) of the Local Government (Financial Management) Regulations 1996 requires a local government to prepare a monthly statement

of financial activity reporting on the revenue and expenditure, as set out in the annual budget.

A statement of financial activity and any accompanying documents are to be presented to the Council at the next ordinary meeting of the Council following the end of the month to which the statement relates, or to the next ordinary meeting of the council after that meeting.

In addition to the above and in accordance with *Regulation 34(5) of the Local Government (Financial Management) Regulations 1996*, each year Council is required to adopt a percentage or value to be used in the reporting of material variances. For this financial year the amount is \$10,000 or 10% whichever is the greater.

Consultation

Required by legislation: Yes No
Required by City of Redlands policy: Yes No

Legislation / Policy

The monthly financial management report meets the requirements of *Regulation 34(1) and 34(5) of the Local Government (Financial Management) Regulations 1996*.

Budget/Financial Implications

As outlined in the Monthly Financial Report.

Risk Management

The monthly financial variance from the budget of each business unit is reviewed with the respective Manager and the Executive to identify the need for any remedial action. Significant variances are highlighted to Council in the Monthly Financial Report.

Discussion

This report gives an overview of the revenue and expenses of the City for the month of May 2016.

The operating revenue at the end of May 2016 was \$ 30.6 million which represents a \$0.39M favourable variance compared to the year-to-date Budget.

The total operating expense at the end of May 2016 was \$ 27.4 million, showing a favourable budget variance of \$2.4 million.

The attached Operating Statement compares “Actual” with “Budget” by Business Units. Variations from the Budget of revenue and expenses by Directorates are highlighted in the following paragraphs.

Governance

Expenditure:	Unfavourable variance of	\$ 33,382
Revenue:	Favourable variance of	\$ 129,400

The favourable expenditure variance is mainly due to WESROC projects, regional initiatives and legal expenses. Other favourable expenditure variances in corporate training, staff wellbeing, occupational health & safety and recruitment costs. The major unfavourable expenditure variance is special projects. Unfavourable expenditure is mainly due to salaries in Governance.

Over expenditure of WESROC projects are supported by the favourable revenue collected from other WESROC participating Councils.

The favourable revenue variance is mainly due to the receipt of parking revenue from Hollywood Bowling Club and WALGA heritage loan subsidy contribution.

Corporate and Strategy

Expenditure:	Favourable variance of	\$ 235,651
Revenue:	Favourable variance of	\$ 163,470

The favourable expenditure variance is mainly due to timing differences in the software licence and support payments and yet-to-start Finance project (Authority upgrade). Anticipated Finance project start date will be sometime after May 2016. Unfavourable expenditure variance include postage, stationery and photocopying and salaries in customer service.

The favourable revenue variance is due to a better outcome in interim rates collection, above budgeted investment interest received and sundry admin income.

Community Development

Expenditure:	Favourable variance of	\$ 253,436
Revenue:	Favourable variance of	\$ 141,966

The favourable expenditure variance is mainly due to the delay on providing CSRFF donation, employment costs, PRCC, HACC unit costs and community events.

The favourable revenue variance is due to the increased receipt of Trillian Art Centre course fees and HACC grants received. Unfavourable revenue item include PRCC.

Planning and Development

Expenditure:	Favourable variance of	\$ 468,224
Revenue:	Unfavourable variance of	\$ 201,175

The favourable expenditure variance is due to the difference in profiling of legal and consultants in strategic town planning, reduced expenditure in environmental conservation, sustainability and environmental health project expenses between the budget and actual expenditure.

The unfavourable revenue variance is due to a reduced amount of planning and building permit applications received over the period to May. Projected income from local laws health and food infringements are also down. Parking income (\$103,229) and development applications (\$183,387) defy the trend by showing an increase in revenue.

Technical Services

Expenditure:	Favourable variance of	\$1,470,892
Revenue:	Favourable variance of	\$153,617

The favourable expenditure variance (adjusted net of depreciation) is largely due to delays in receiving of invoices for labour hire, infrastructure maintenance works, building maintenance and utilities.

The small favourable revenue variance is due to profiling of several income items, and reduced and slow rental market of the City's two residential properties.

Capital Works Programme

At the end of May the expenditure on capital works were \$7.68 million with further commitments of \$1.55 million which is 67.61% of a total budget of \$13.65 million.

Conclusion

The financial statements to the end of May 2016 indicate that the operating expenses are under the year-to-date Budget by 8.0% or \$2.39 million, while revenue is above the Budget by 1.3% or \$387,278.

That the Recommendation to Council be adopted.
 (Printed below for ease of reference)

CARRIED UNANIMOUSLY 11/-

Council Resolution / Recommendation to Council

Council receives the Investment Report for the period ended 31 May 2016.

Executive Summary

In accordance with the Council's Investment Policy, Administration is required to present a summary of investments to Council on a monthly basis.

Strategic Plan

KFA: Governance and Civic Leadership

This report is in accordance with the Council's Investment Policy and demonstrates the investment of City's surplus cash in a sustainable and responsible manner.

Background

Council's Investment Policy requires a summary of investments to be presented to Council on a monthly basis.

Consultation

Required by legislation: Yes No
 Required by City of Redlands policy: Yes No

Legislation / Policy

Investment of Council Funds Policy

Section 6.14 of the *Local Government Act 1995*

Budget/Financial Implications

Investment income is more than the adopted Budget due to a larger portfolio of investments over the same period 12 months ago.

Risk Management

The Investment Policy of the City, which is reviewed each year by the Audit and Risk Committee of Council, is structured so as to minimise any risks associated with the City's cash investments. The officers adhere to this Policy, and continuously monitor market conditions to ensure that the City obtains attractive and optimum yields without compromising on risk management.

Discussion

The Investment Summary shows that as at the end of May 2016 the City held the following funds in investments:

Municipal Funds	\$ 9,713,451.65
Reserve Funds	<u>\$ 3,605,586.76</u>
Total	<u>\$ 13,319,038.41</u>

The total interest earned from investments as at the end of May 2016 was \$425,372.96 (YTD April \$392,486.02).

Following Council's decision in December 2012, all investments are placed with the 'big four' banks namely ANZ, CBA, NAB and Westpac.

The Investment Portfolio comprises holdings in the following institutions:

Financial Institution	Funds Invested	Interest Rate	Proportion of Portfolio
NAB	\$6,756,911.43	3.10% - 2.90%	50.73%
Westpac	\$3,060,117.60	2.75%	22.98%
ANZ	\$817,190.29	2.80% - 2.60%	6.14%
CBA	\$2,684,819.08	2.90% - 1.30%	20.16%
Total	\$13,319,038.41		100.00%

Conclusion

The Investment Report is presented to Council.

11B Mayfair Street

28 May 2016

Hello

We noticed that there were surveyors on the back of our blocks (golf course side) this past week pegging land for a footpath / cycle path butting directly onto the majority of blocks on Mayfair Street.

We rang the Nedlands Council to be told that WESROC which is a culmination of the Western Suburbs Councils who are based within the Nedlands Council Building were proposing to do a 7.9km sports circuit of which 1.04km of it is on the eastern side of the golf course which is the back of our blocks.

We believe this should not go ahead for the following :

1. Invasion of privacy (many of us do not have fences)
2. It will become a public thoroughfare
3. Safety of our houses and children
4. Decrease the value of our land, residents did not pay a premium to have school excursion groups walk past their back fence, we purchased here for privacy
5. Ongoing traffic from school excursions (they are proposing that schools use it as a fitness circuit)
6. Morning and evening traffic from people exercising (ARIA residents will make this their exercise route no doubt)
7. Installation of unsightly walls and netting as they will need to protect the path from golf balls
8. Danger of users being hit by golf balls
9. Conflict between Cottesloe Club golfers and the general public especially around the 2nd tee, proposed 3rd tee and the 1st, 3rd and 8th greens
10. Dark, bushy, secluded areas attract unsavoury people. Many of our young children play here.

There are many more reasons this is just a start. We have enclosed a petition for you to sign if you agree and make your own comments. It would be great if you could put your email address on there so we can talk as a group on email.

Also enclosed is a copy of the map and the highlighted line is the path.

Please drop your signed petition in the letter box at 59 Mayfair Street (McIntosh residence) as soon as you can as we would like to take them to council by this Wednesday 1st June 2016.

If you would like a full copy of the proposal, email marlomcintosh@hotmail.com and I will send it to you.

The person at the Council coordinating this is Sally Wallace - swallace@nedlands.wa.gov.au phone 92733500 Feel free to call and express your concerns – we need people power!

Mark Goodlet who is the Director of Technical Services is also involved. Call him to!

This is just to get the ball rolling but it would be great if anyone knows council process or knows members for council who represent our area could get involved as I am pretty sure they are not going to listen to me!

Thank you everyone!

EMAIL (1):

EMAIL (2):

COMMENTS: Regarding a 28th May 2016 "Petition Against School Sports Circuit, I have received NO consultation before stakes were banged into bushland behind our back fence. No letter explaining why or when this is being done and what for (from City of Nedlands and WESROC).

What do you do for safety when golf balls appear on our back lawn. Do we get a say on that?

A permanent track will be TOO CLOSE to our fence. Some people have a minimum space from fence line to back windows.

SIGNATURE D Beer.

Do you have lighting organized if a large number of people are running along a narrow track? What will be the track surface?

Also, with apparently no thought in mind, what happens when it is raining or someone is sick or falls over?

For the people you are writing to, decrease in house value will be a large impediment.

Just because we are not Peppermint Grove on Dalkeith, we had no consultation before stakes were put in for a footpath! We want tranquility from the City of Nedlands and WESROC.

Do we get a say on golf ball safety? or LOSE THE BEST VIEW WE'VE EVER HAD.

Denise Beer.

PETITION AGAINST SCHOOL SPORTS CIRCUIT

MAYFAIR STREET RESIDENTS

NAME : John & Yolande Dick (Vidyati Pty Limited)

ADDRESS : 57 Mayfair Street, Mount Claremont

EMAIL (1) :johnacdick@hotmail.com

EMAIL (2) :yolandjohn@hotmail.com

COMMENTS : This is an ill-conceived and ill-considered proposal. The creation of a public thoroughfare along the Eastern boundary of the Cottesloe Golf Club has a significant negative impact on the Mayfair Street residences:

- (a) Invasion of privacy (many of the landowners along Mayfair Street do not have rear fences and designed their houses around the existing boundary usage)
- (b) It will become a public thoroughfare, thereby compromising safety for houses and children. This will increase the risk of burglary and other crime.
- (c) Decrease the value of the land – the council has enjoyed increased rates based on land value, which will decrease significantly.
- (d) Based on the survey stakes, there is no distance between the path and the boundary fence thereby increasing risk to the properties for unstable ground.
- (e) Danger of users being hit by golf balls.
- (f) Installation of unsightly netting or walls as they will need to protect the path from golf balls. Ball are hit down from the driving range by golf iron clubs and back up the hill by much stronger force of golf driver clubs. This will also intrude on the rear of the properties by reducing

light if such things like netting is installed and creating a closed in effect on the properties.

- (g) If this path is intended for early morning and evening use for large groups of school children, noise will impact the residences. Also golf club members particular the older age gold club members, will not be happy with this noise during any time of day whilst playing their leisurely quiet golf games.
- (h) There is an acceptable alternate route to bypass the eastern boundary by continuing along Alfred Road to West Coast Highway. This route is already highlighted on the Walk Jog Run website, as seen in the map below.

COMMENTS: We believe the school sports circuit should not pass on the western side of the Mayfair Street properties because of the safety issues associated with golf balls being hit towards greens which have no space between them and the existing privately owned properties. There is no space between the 9th tee and our property at present. We cannot see where a path will fit at that point. There is no way a path can be built without the substantial use of safety nets. Such a large use of safety nets will negatively impact the aesthetic which Mayfair Street owners have paid a premium to enjoy.

PETITION AGAINST SCHOOL SPORTS CIRCUIT

MAYFAIR STREET RESIDENTS

Michael and Wendy Lee

55B Mayfair Street

Michael@mlee.com.au

Wendy@mlee.com.au

We oppose the creation of the School Sports Circuit at the rear of our house for the following reasons: -

- The path will become a public thoroughfare and expose the rear of our house to possible break-ins
- The infrastructure needed to protect users against flying golf balls e.g. high mesh fencing will be unsightly and detract from our amenity
- Our privacy will be compromised
- In our area there are many other opportunities for active and passive pursuits that already achieve what the proposed path would e.g. the pathways around Lake Claremont
- This whole process up to the pegging of the proposed path has been done without any consultation with us when it is going to have a major effect on our future enjoyment of the amenity that we currently experience is an example of local government not supporting the residents that it represents

NAME: Elie and Ben Statham

ADDRESS: 33 Mayfair St Mt Cinnamon

EMAIL (1): benandelle@bigpond.com

EMAIL (2): bstatham@icloud.com.au

COMMENTS: Our main concerns are:

1. Privacy as we are a sunken block

2. Bushy secluded areas are known
to attract unsavoury individuals
and create an unsafe environment
for children.

3. Dangerous for users adults and
children due to golfballs.

4. Become a public thoroughfare
and decrease the value of properties
that were purchased for privacy

COMMENTS :

I am completely against this
proposal for reasons cited below.

1. Invasion of privacy (many of us do not have fences)
2. It will become a public thoroughfare
3. Safety of our houses and children
4. Decrease the value of our land, residents did not pay a premium to have school excursion groups walk past their back fence, we purchased here for privacy
5. Ongoing traffic from school excursions (they are proposing that schools use it as a fitness circuit)
6. Morning and evening traffic from people exercising (ARIA residents will make this their exercise route no doubt)
7. Installation of unsightly walls and netting as they will need to protect the path from golf balls
8. Danger of users being hit by golf balls
9. Conflict between Cottesloe Club golfers and the general public especially around the 2nd tee, proposed 3rd tee and the 1st, 3rd and 8th greens
10. Dark, bushy, secluded areas attract unsavoury people. Many of our young children play here.

EMAIL (2): marlomcintosh@hotmail.com.

COMMENTS: Even the mere thought of suggesting to put a cycle path where you are proposing is careless, dangerous and thoughtless. You have ZERO respect for the residents this affects as well as the patrons at the golf club. There are security issues, health issues, safety issues, aesthetic issues and the impact on the quality of ^{life for those} ~~living in the area~~ that live here will be huge. The financial impact this has on us will also be substantial. The fact that you have done ZERO consultation is disgusting.

EMAIL (2):

COMMENTS: While we are not, at present, inconvenienced
by the relatively small numbers of walkers and golfers who use
the concrete path between our western fence and the 3rd green
of the golf course, we fear we shall possibly be somewhat annoyed
by large numbers of school children who might use such a route as
part of an exercise circuit. In the present discussion it should be
pointed out that the footpaths on Rochdale Rd and Mayfair St already
provide adequate access for the north-south walkers so that the
intended pathway from Alfred Rd to near Fortview Rd is probably
not required at all.

HAVE ENJOYED AND FELT COMFORTABLE WITH THE SECURITY,
PRIVACY AND VIEW OF THE NATURAL LANDSCAPE. THE
LEVEL OF NOISE TRANQUILITY IS PERFECT CURRENTLY.
THUS, SHOULD A PATHWAY / CYCLE PATH BE ERECTED AND
PLACED IT WOULD DISRUPT AND PROHIBIT SUCH.
THE VALUE OF OUR PROPERTY WOULD DECREASE SIGNIFICANTLY
AND THE INCREASE OF DANGEROUS TRAFFIC, ESPECIALLY
WITH OUR GRAND CHILDREN PLAYING IN THE BACKYARD,
WILL BE VICARIOUS AND ALSO ATTRACT SUSPICIOUS PATRONS
AMONGST THE BUSHES OF THE PATHWAY. (HIDDEN SPACES)
SIGNATURE OVERALL THIS PETITION IS WELL
SUPPORTED AND WARRANTED. I BELIEVE THE
FOOTPATH WILL ONLY HAVE A NEGATIVE
IMPACT ON OUR CURRENT NEIGHBOURHOOD.
JAMES CHONG

28 May 2016

Hello

We noticed that there were surveyors on the back of our blocks (golf course side) this past week pegging land for a footpath / cycle path butting directly onto the majority of blocks on Mayfair Street.

We rang the Nedlands Council to be told that WESROC which is a culmination of the Western Suburbs Councils who are based within the Nedlands Council Building were proposing to do a 7.9km sports circuit of which 1.04km of it is on the eastern side of the golf course which is the back of our blocks.

We believe this should not go ahead for the following :

- 1. Invasion of privacy (many of us do not have fences)
- 2. It will become a public thoroughfare
- 3. Safety of our houses and children
- 4. Decrease the value of our land, residents did not pay a premium to have school excursion groups walk past their back fence, we purchased here for privacy
- 5. Ongoing traffic from school excursions (they are proposing that schools use it as a fitness circuit)
- 6. Morning and evening traffic from people exercising (ARIA residents will make this their exercise route no doubt)
- 7. Installation of unsightly walls and netting as they will need to protect the path from golf balls
- 8. Danger of users being hit by golf balls
- 9. Conflict between Cottesloe Club golfers and the general public especially around the 2nd tee, proposed 3rd tee and the 1st, 3rd and 8th greens
- 10. Dark, bushy, secluded areas attract unsavoury people. Many of our young children play here.

There are many more reasons this is just a start. We have enclosed a petition for you to sign if you agree and make your own comments. It would be great if you could put your email address on there so we can talk as a group on email.

Also enclosed is a copy of the map and the highlighted line is the path.

Please drop your signed petition in the letter box at 59 Mayfair Street (McIntosh residence) as soon as you can as we would like to take them to council by this Wednesday 1st June 2016.

If you would like a full copy of the proposal, email marlomcintosh@hotmail.com and I will send it to you.

The person at the Council coordinating this is Sally Wallace - swallace@nedlands.wa.gov.au phone 92733500 Feel free to call and express your concerns – we need people power!

Mark Goodlet who is the Director of Technical Services is also involved. Call him to!

This is just to get the ball rolling but it would be great if anyone knows council process or knows members for council who represent our area could get involved as I am pretty sure they are not going to listen to me!

Thank you everyone!

** yes we believe and agree this project should not go ahead as per above reasons*

EMAIL (1): jane@perceptionmapping.com

EMAIL (2): grant@workteams.com

COMMENTS: _____

We agree the path should not be built for all the stated reasons in the letter. Additionally, the proposed path siting is far too close to our house being only a few metres from our main bedroom and living area. Early morning exercise traffic will create too much disturbance. There is also an increased security risk because the path will bring so many more people to the back yard of our property, which is open to the golf course.

EMAIL (1): briggs@bigpond.com

EMAIL (2):

COMMENTS: We are concerned about the
proposed track behind our house for
the following:

Security - ours and the path users and
how the council proposes to mitigate
the risk associated with opening up the area - golf
balls and clash between golfers and public and
security giving easy access to the back of our
house.

Loss of amenity and privacy by ground access behind
houses which have been purchased - designed & built
with the track and conditions & view down the
golf course.

DATE: 1 JUNE 2016

NAME: Bruce Hegge and Catherine Brooker

ADDRESS: 63 Mayfair Street

EMAIL (1): bruce@hegge.com.au

EMAIL (2): cathybrooker@hotmail.com

COMMENTS:

We write to express our strong opposition to the proposed alignment of the School Sports Circuit along the eastern boundary of the Cottesloe Golf Course as marked out by a series of survey pegs which were installed last week.

Firstly, we question the idea of the "circuit". It is hard to imagine a genuine user-base for a complete circuit. It is proposed to link sporting facilities; it is highly unlikely that users of the golf club would use this path to access the club. They would need to carry their clubs with them and the path alignment has no connection to the club house. The idea that this needs to be a circuit is not logical. If the idea is to connect the new Christ-Church playing fields and JTC with Lake Claremont then only a unidirectional path (eastern leg) is required. We ask for deeper consideration of the scope of the proposed paths to create genuine linkages to existing infrastructure, including high-use routes and other cycle ways and underpasses.

The alignment, immediately adjacent to the boundary of most of the properties of Mayfair Street will very significantly affect the amenity of these residences; many of whom do not have a rear fence. It will measurably change the security risk, privacy, views and noise levels. The significant issues of early morning exercise classes running in Subi-centro were well publicized and the council was forced to intervene in disputes. As homes on the boundary have been designed around the golf course vista and many have bedrooms in very close proximity to the proposed path.

The proposed dual use path (with a cleared width of ~6–7 m) would likely require clearing of a number of established trees. Nedlands council have in the past been very protective of old-growth trees and the importance of maintaining the canopy in urban areas.

Golf-balls, especially on the down-wind side of the driving range, where hundreds of balls land daily, will provide a grave danger to path users. The Seaview golf club in Cottesloe has had many legal issues to contend with due to golf ball injuries, eventually a decision was made to close a well used public road in view of this. Further, golf-ball trajectories are well understood to be parabolic. This is a particular risk at the end of the driving range when multiple balls end their trajectory close to the proposed path location. On summer mornings, when easterly winds prevail, the final fall angle would be even steeper. This has implications for the height of any proposed protective fencing further reducing amenity of all users of this facility.

High-level professional tournaments are often held at this world-renowned prestigious course. Golfing etiquette calls for silence for golfers teeing off. Several tees are located immediately adjacent to the proposed path. There is certainty that significant usage of this path would not mix well with such events.

The proposed path travels steeply down hill and exits from the golf course onto a very busy section of Alfred Rd. Cyclists will be debouched into imminent danger. Previously we have requested assistance from the council in considering barriers from existing paths along Alfred Rd to protect school children from the ever-increasing fast-flowing traffic. The council were very clear that any barriers pose significant danger of people getting caught between traffic and barrier and would not entertain such amenity, thus this danger would be faced by users of the circuit.

Presumably the idea of putting the path down the golf course (rather than down Mayfair St itself which has been in desperate need of a footpath for over 50 years now) is to allow users to enjoy a nature/bush experience. Yet, this value is immediately negated by running the path down the side of existing homes. Walkers and cyclists would much prefer to be away from such boundaries. A range of alternative routes should be considered and we provide some suggestions on the attached map.

In conclusion we strong oppose the proposed alignment of this path along the eastern boundary of the Cottesloe Golf Course

EMAIL (1): amber.banfield@worleyparsons.com

EMAIL (2): drewbanfield@bigpond.com

COMMENTS: We are opposed to this cycle
path and feel strongly that it should
not be installed as we are concerned
about security of our homes
through this increase in traffic.
Our house has already being burgled
over the past year causing almost
\$100,000 in damage/loss. We are
extremely concerned that such a cycleway
will expose our home even more given
it is easier for thieves to enter without
having street frontage and neighbours
SIGNATURE watching/looking on.

This cycleway will not only result in greater security risk but it will also highly devalue our land as a result of diminished privacy. We paid an absolute premium for our land recently because ~~of its~~ privacy and lack of traffic - the cycleway will erode this value.

We have 4 young children and we are concerned that such a development will attract people who may not have respectable and savory intentions and we worry about ~~the safety of our kids~~

We are strongly opposed to this cycleway.

Kind Regards,

Amber Bayfield

COMMENTS

The construction of a high volume pathway metres from our back door will have a negative effect on our property value. More importantly, it will severely affect our quality of life and be an invasion on our privacy.

The mere fact that this issue was brought to our attention when surveyors started pegging out our Western boundary, is outrageous! It shows an absolute contempt and disrespect by the Council, towards Mount Claremont residents. We are offended by the lack of communication between Council and Rate Payers.

EMAIL (1): mccarter@bigpond.net.au

EMAIL (2):

COMMENTS: The Council has not consulted with residents who will be affected by this development.
As a long term resident (since 1968) the Hedlands Council has widened Alfred Rd. to such an extent the only respite from traffic noise, cars, trucks, high tension electricity wires/lines, proposed residential developments on both sides of Alfred Rd, is the bushland abutting fence line on the western side of the property. This "Sports Circuit" will further create and encourage foot traffic along the path, making virtual prisoners of residents who will be under siege on all fronts.
