

AGENDA

Special Council Meeting

Wednesday, 27 August 2025

Notice of Meeting

Council Members

A Council Meeting Agenda Forum of the City of Nedlands is to be held on Wednesday, 27 August 2025 in the Council Chambers at 71 Stirling Highway Nedlands commencing at 6.00pm.

This meeting will be livestreamed <u>Livestreaming Council & Committee Meetings » City</u> of Nedlands

Keri Shannon | Chief Executive Officer

26 August 2025

Information

Council Meeting Agenda are run in accordance with the City of Nedlands Standing Orders 2016. If you have any questions in relation to the agenda, procedural matters, addressing the Council or attending these meetings please contact the Governance Officer on 9273 3500 or council@nedlands.wa.gov.au

Public Question Time

Public question time at a Council Meeting is available for members of the public to ask a question about items on the agenda. Questions asked by members of the public are not to be accompanied by any statement reflecting adversely upon any Council Member or Employee.

Questions should be submitted as early as possible via the online form available on the City's website: Public question time | City of Nedlands

Questions may be taken on notice to allow adequate time to prepare a response and all answers will be published in the minutes of the meeting.

Deputations

Members of the public may make presentations or ask questions on items contained within the agenda. Presentations are limited to 3 minutes. Members of the public must complete the online registration form available on the City's website: Public Address Registration Form | City of Nedlands

Disclaimer

Members of the public who attend Council Meetings should not act immediately on anything they hear at the meetings, without first seeking clarification of Council's position. For example, by reference to the confirmed Minutes of Council meeting. Members of the public are also advised to wait for written advice from the Council prior to taking action on any matter that they may have before Council.

Any plans or documents in agendas and minutes may be subject to copyright. The express permission of the copyright owner must be obtained before copying any copyright material.

1. DECLARATION OF OPENING

This item will be dealt with at this point.

2. PRESENT AND APOLOGIES AND LEAVE OF ABSENCE

This item will be dealt with at this point.

3. PUBLIC QUESTION TIME

Questions received from members of the public will be read at this point. The order in which the CEO receives questions shall determine the order of questions, unless the Presiding Member determines otherwise. Questions must relate to a matter affecting the City of Nedlands.

4. DISCLOSURES OF FINANCIAL INTEREST

The Presiding Member to remind Council Members and Staff of the requirements of Section 5.65 of the Local Government Act to disclose any interest during the meeting when the matter is discussed.

A declaration under this section requires that the nature of the interest must be disclosed. Consequently, a member who has made a declaration must not preside, participate in, or be present during any discussion or decision-making procedure relating to the matter the subject of the declaration.

However, other members may allow participation of the declarant if the member further discloses the extent of the interest. Any such declarant who wishes to participate in the meeting on the matter, shall leave the meeting, after making their declaration and request to participate, while other members consider and decide upon whether the interest is trivial or insignificant or is common to a significant number of electors or ratepayers.

5. <u>DISCLOSURES OF INTERESTS AFFECTING IMPARTIALITY</u>

The Presiding Member to remind Council Members and Staff of the requirements of Council's Code of Conduct in accordance with Section 5.103 of the Local Government Act.

Council Members and staff are required, in addition to declaring any financial interests to declare any interest that may affect their impartiality in considering a matter. This declaration does not restrict any right to participate in or be present during the decision-making procedure.

The following pro forma declaration is provided to assist in making the disclosure.

"With regard to the matter in item x I disclose that I have an association with the applicant (or person seeking a decision). This association is (nature of the interest)".

As a consequence, there may be a perception that my impartiality on the matter may be affected. I declare that I will consider this matter on its merits and vote accordingly."

The member or employee is encouraged to disclose the nature of the association.

6. <u>DECLARATIONS BY MEMBERS THAT THEY HAVE NOT GIVEN DUE</u> CONSIDERATION TO PAPERS

This item will be dealt with during the meeting.

Purpose

This report is for the Council to consider the adoption of the City of Nedlands Annual Budget for 2025/26 and the Schedule of Fees & Charges for 2025/26.

Administration Recommendation

That Council:

- 1. ADOPTS the statutory Annual Budget for 2025/26, pursuant to the provisions of Section 6.2 of the Local Government Act 1995, and Part 3 of the Local Government (Financial Management) Regulations 1996, for the City of Nedlands, as contained in Attachment 1, inclusive of the following:
 - a) Statement of Comprehensive Income (by Nature)
 - b) Statement of Cash Flows
 - c) Statement of Financial Activity (by Nature)
 - d) Capital Expenditure Program
 - e) Transfers to and from Reserves
 - f) Notes to and forming part of the 2025/26 Statutory Annual Budget
- 2. ADOPTS the following Rates in the Dollar of GRV, based upon the predominant purpose for which the rated land is held, for 2025/26:
 - a) Residential 6.2851 cents in the dollar b) Non-Residential 7.7551 cents in the dollar
 - c) Residential Vacant Land 8.3158 cents in the dollar

3. ADOPTS pursuant to Section 6.35 of the *Local Government Act 1995* in respect of any rateable land the minimum rates payments to be imposed for 2025/26 as follows:

a)	Residential (GRV)	\$1,636
b)	Non-Residential (GRV)	\$2,157
c)	Residential Vacant Land (GRV)	\$1,989

- 4. APPROVES the options of one or four instalments for the payment of rates, with interest and administration fees applicable as follows:
 - a) An amount of 5.5% per annum interest to be charged if a four-instalment option is selected;
 - b) An administration charge of \$48 (3 instalments at \$16 each, 1st instalment at no charge) is to be applied to four instalment options if selected; and
 - c) Nominates the following due dates for rate payment in full and by instalments, pursuant to Section 6.45 of the Local Government Act 1995 and Regulation 64(2) of the Local Government (Financial Management) Regulations 1996:
 - i. Full payment and first instalment 13 October 2025
 - ii. Second quarterly instalment 10 December 2025
 - iii. Third quarterly instalment 16 February 2026
 - iv. Fourth quarterly instalment 24 April 2026
- 5. APPROVES an interest rate of 11% applicable to overdue rates and service charges and permits the charging for costs of proceedings to recover amounts that remain unpaid after becoming due and payable.
- 6. APPROVES the proposed transfers to and from Reserves as detailed in the Annual Budget for 2025/26.
- 7. RECEIVES the Forward Capital Works Program for 2025/26 as detailed in Attachment 2.
- 8. ADOPTS pursuant to the provisions of Section 6.16 of the Local Government Act 1995, Section 67 of the Waste Avoidance and Resources Recovery Act 2007, and Regulation 53(2) of the Building Regulations 2012, the Fees and Charges for 2025/26, as per Attachment 3.
- 9. NOTES that one submission was received following the advertising of the proposed differential rates for 2025/26.
- 10. NOTES that the Commissioners' fees and allowances are determined by the Minister responsible for the administration of the *Local Government Act 1995* in accordance with Schedule 2.4 clause 5(1) and are as follows:
 - a) The Commissioners are each entitled to be paid a portion of an annual salary of \$110,579.59, the proportion to be calculated on a pro-rata basis.

- b) The Commissioners are entitled to be paid superannuation contributions in accordance with the obligations applicable under the *Superannuation Guarantee (Administration) Act 1992* (Cth).
- c) The Commissioners are entitled to be reimbursed for intrastate or interstate travel and accommodation costs that are incurred in performing their function at the same rate applicable to the reimbursement of travel and accommodation costs in the same or similar circumstances under the *Public Service Award 1992* as at 9 July 2025.
- d) The Commissioners are entitled to be paid upon commencement an allowance of \$3,500 in lieu of reimbursement for ICT expenses.
- e) Reasonable expenses other than those covered by the allowances above that are an expense incurred by the Commissioners in performing their function are payable to the Commissioners on presentation of sufficient evidence to the City of the expense up to \$500 a week.
- f) For the purposes of clauses 4 and 7, travel costs incurred while driving a privately owned or leased vehicle (rather than a commercially hired vehicle) are to be calculated at the same rate contained in Schedule E of the *Public Service Award 1992* as at 9 July 2025.
- g) For Electric Vehicles, the 1600cc Motor Vehicle Allowance rate should be applied.
- 11. APPROVES the following annual fees for payment of Elected Members in lieu of individual meeting attendance fees, pursuant to Section 5.98 of the Local Government Act 1995 and Regulation 30 of the Local Government (Administration) Regulations 1996:

a) Mayor \$70,951.00 b) Councillors \$34,890.00

- 12. Approves the annual local government allowance of \$17,740.00 to be paid to the Mayor in addition to the annual meeting allowance, pursuant to Section 5.98(5) of the *Local Government Act 1995*;ii) adopts the annual local government allowance of \$4,435.00 to be paid to the Deputy Mayor in addition to the annual meeting allowance, pursuant to Section 5.98A(1) of the Local Government Act 1995;
 - i) Approves the Information and Communication Technology (ICT) allowance of \$3,500 for Elected Members, pursuant to Section 5.99A(a) of the Local Government Act 1995 and Regulations 31(1)(a) and 32(1) of the Local Government (Administration) Regulations 1996;
 - ii) Approves the annual travel and accommodation allowance of \$100 for Elected Members, pursuant to Section 5.99A(a) of the Local Government Act 1995 and Regulation 32(1) of the Local Government (Administration) Regulations 1996;
 - iii) Approves the training allowance of \$1,000 for Elected Members, pursuant to Section 5.129 of the Local Government Act 1995;

- 13.NOTES that minor typographical amendments, that do not affect the materiality of the document, may also be made to improve presentation, or make corrections.
- 14. ADOPTS pursuant to Regulation 34(5) of the Local Government (Financial Management) Regulations 1996, and Australian Accountings Standard AASB 1031 Materiality, the following thresholds for the reporting of material financial variances in the monthly statement of financial activity reports:
 - a) Operating items Greater than 10% and a value greater than \$20,000
 - b) Capital items Greater than 10% and a value greater than \$50,000
 - c) (notwithstanding that the Administration may choose to provide comment on items below those thresholds if deemed appropriate).

Voting Requirement

Absolute Majority

Background

Preparing the Annual Budget is a statutory requirement under Section 6.2 of the *Local Government Act 1995* (the Act). More broadly, Division 6 of the Act provides guidance on financial management matters related to budgeting. Regulations 22 - 33 of the *Local Government (Financial Management) Regulations 1996* prescribe the form and content of the statutory Annual Budget.

The Annual Budget plays an important role in defining the strategic financial management approach detailed in the Long-Term Financial Plan, which exerts persuasive influence on the content of the City's Annual Budget.

This budget ensures that the City has in place the necessary funding arrangements to support delivery of agreed services and programs, proposed capital renewal programs and new capital projects. The City of Nedlands Annual Budget 2025/26 is consistent with all relevant legislative requirements.

Full details of the City's 2025/26 Annual Budget including all statutory disclosures and supporting information is contained in the attachments to this report.

Discussion

Basis for the development of the Annual Budget

The City of Nedlands Annual Budget for 2025/26 has been developed to reflect the principles of prudence, sound financial management and consideration of the prevailing economic environment.

In Western Australia, local governments have experienced a challenging period with costs rising at a rapid rate, together with cost of living rises. This budget is focused on the delivery of core services in an effective and efficient manner, and the selective renewal and maintenance of City assets according to priority.

The budget has been developed over a 4-month period with feedback from the various Council briefings held from May to August 2025 which have been considered in the budget preparations and are reflected in the statements presented in the attachments. The City will focus on the successful delivery of the capital works program and the underground power projects for Nedlands North and Nedlands West.

Differential Rates, minimum payments and instalment payment arrangements Each year where the City of Nedlands seeks to impose differential rates, it is required under section 6.36 of the *Local Government Act 1995* to advertise the proposed differential rates by public notice for a period of at least 21 days. Any submissions received from the public are to be considered by Council. Only one submission was received during the advertising period and requested the Council to consider imposing rates higher than the 4.8% considered in the budget.

Since that time, the Council has indicated that a 3.8% rate increase should be applied. The City also expects to raise an additional \$400,000 from interim rates issued for the completion of new dwellings and additions to existing homes. These increases are in line with the adopted Long Term Financial Plan adopted by Council in March 2023.

For residential properties on the minimum rate, this represents an annual increase of \$60.00 or \$1.15 per week. For average residential properties, this amounts to an annual increase of \$155.24 or \$2.99 per week.

Rates are calculated by the Gross Rental Value (GRV) of a property and the rate in the dollar. GRVs are provided by the Office of the Valuer General and the Council determines the rate in the dollar and minimums.

Residential Bin Services

The City has proudly adopted a three-bin Food Organics and Garden Organics (FOGO) waste program, reinforcing its commitment to Western Australia's Waste Avoidance and Resource Recovery Strategy 2030. For nearly a decade, the City has maintained one of the lowest residential waste fees in the metropolitan area and ranks among the top three local governments for waste recovery, achieving an impressive rate of over 63%.

However, recent shifts in the waste industry have significantly impacted operational costs. These include:

- Increased processing and disposal expenses including landfill levy
- Annual contract price variation mechanisms
- Continued free resident access to the Western Metropolitan Regional Council's recycling facility at Brockway until 31 December 2025

To ensure the long-term financial sustainability of waste services and accurately reflect the true cost to the community, the City proposes a modest annual increase of modest 5% to all waste service charges.

Additionally, to safeguard the future of the City's waste infrastructure, it is essential to maintain a healthy waste reserve. Adjusting fees will allow for adequate funding allocation to support potential future investments. Without this adjustment, the reserve will face long-term sustainability challenges.

Other Fees and Charges

Other fees and charges within the City's control have been increased by 5% to reflect increasing costs of providing these services.

Commissioners' fees and allowances

Commissioners' fees and allowances are determined by the Minister responsible for the administration of the *Local Government Act 1995* in accordance with Schedule 2.4 clause 5(1).

Elected Members' fees and allowances

Elected Members' fees and allowances are determined by the Salaries and Allowances Tribunal (SAT).

Borrowings

Additional proposed borrowings of \$4.0 million have been included in the 2025/26 budget to partly fund the Underground Power project. The amount borrowed is impacted by the number of ratepayers who elect to defer their payments to future financial years which will not become certain until after the rates notices are issued following the adoption of the budget.

Underground Power

In May 2024 the Council made a final decision to proceed with the underground power projects in Nedlands North and Nedlands West. The Nedlands North stage was expensed in 2024/25 and is substantially complete as at August 2025. Works on the Nedlands West stage have commenced and are due for completion in April 2026; expenditure and funding has been included in the 2025/26 budget for this purpose.

Consultation

As required by the *Local Government Act 1995*, the City advertised the proposed differential rates on 7 June 2025 to 29 July 2025, inviting comments over a period of 21 days. Only one submission was received following this public consultation, and which was in favor of rates increase.

In addition to the statutory requirements listed above, the development of the Draft 2025/26 Annual Budget is a collaborative effort involving the whole management team and their staff and the Executive. Elected Members of Council and the appointed Commissioners were presented with the Draft 2025/26 Budget and rates information at a

series of Councillor Briefings held during May, June, July and August 2025. The budget has also been the subject of extensive review at the Audit Risk and Improvement Committee held on 6 August 2025, budget briefings and Special Council Meeting on 25 August 2025. The administration provided detailed prioritisation ranking of material expenditure for the Commissioners and provided briefing information in order to bring the Commissioners up to date with the City's strategic projects and objectives, provided substantiation of the City's work to attract and retain staff, rebuild its workforce and map corporate processes in FY2024/25. Following those meetings, the Administration has recognised approximately \$5.8m in savings mostly in the Materials and Contracts budget. The net savings were then applied as transfer to reserves for Major Projects and Business Systems.

Following the most recent consultation process the Commissioners have indicated support for a budget with a rate increase of 3.8% and reflecting any net savings as a general surplus. As a result, the City is reporting a net surplus of \$1.4m as shown in the attached budget.

Strategic Implications

This item relates to the following elements from the City's Council Plan.

Vision Sustainable and responsible for a bright future

All pillars will be supported

Budget/Financial Implications

The financial implications of Council's adoption of the 2025/26 Annual Budget are presented in Attachment 1 to this report. They result in a modest surplus of \$1.4m if all assumptions are fully realised.

The Draft Annual Budget for 2025/26 includes an increase in rates of 3.8%. This supports investment in information technology and business systems which have not been maintained at appropriate levels. Furthermore, the City is facing a significant backlog of required asset renewal to buildings and infrastructure, with many assets approaching end of life, requiring them to be removed from service. In response to the asset renewal backlog, the City has also proposed a modest amount of expenditure on the renewal and maintenance of buildings and infrastructure and will undertake further investigation and design for capital projects in 2026/27.

Key features of the 2025/26 Annual Budget are:

1. Total estimated operating revenue of \$45.1 million with fees and charges of \$9.5 million. The City has estimated a capital grants contribution of \$4.1 million to support the planned capital works.

- 2. Total operating expenditure of \$57.6 million which includes \$9.3 million on underground power.
- 3. An allocation of \$10.4 million towards capital works projects. Major capital work for the year includes:
 - a) Buildings \$814,303
 - b) Drainage \$668,050
 - c) Parks \$2,059,476
 - d) Roads \$5,455,104

Legislative and Policy Implications

Local Government Act 1995

Local Government (Financial Management) Regulations 1996

Integrated Planning and Reporting Framework

City of Nedlands - Corporate Business Plan

City of Nedlands - Community Strategic Plan

City of Nedlands - Long Term Financial Plan

City of Nedlands - Workforce Plan

City of Nedlands - Asset Management Plans

Decision Implications

Council endorsement of the above recommendation to adopt the Annual Budget will ensure the City achieves statutory compliance with the *Local Government Act 1995* and associated Regulations requiring the Annual Budget to be adopted before 31 August each year.

Postponing the adoption of the Annual Budget will create delays in delivery of operations services and infrastructure projects. Ministerial approval is required to adopt the budget after 31 August.

The Council has indicated that the budget process and revisions thereof may require more frequent review which imposes additional workload on the Finance department. It is likely that additional staff resources will need to be employed to support these extra activities. The impact is yet to be determined and therefore has not been included in the budget papers.

Conclusion

Council's adoption of the Annual Budget will allow the City to deliver its services and infrastructure to the Community in 2025/26.

CITY OF NEDLANDS FOR THE YEAR ENDED 30 JUNE 2026 INDEX OF NOTES TO THE BUDGET

Note 1	Basis of Preparation	6
Note 2	Rates and Service Charges	7
Note 3	Net Current Assets	12
Note 4	Reconciliation of cash	15
Note 5	Property, Plant and Equipment	13
Note 6	Depreciation	17
Note 7	Borrowings	19
Note 8	Lease Liabilities	20
Note 9	Reserve Accounts	21
Note 10	Other Information	22
Note 11	Council Members Remuneration	23
Note 12	Major Land Transactions	24
Note 13	Trading Undertakings and Major Trading Undertakings	25
Note 14	Revenue and Expenditure	27
Note 15	Program Information	28
Note 16	Fees and Charges	29

1 BASIS OF PREPARATION

The annual budget of the City of Nedlands which is a Class 2 local government is a forward looking document and has been prepared in accordance with the Local Government Act 1995 and accompanying regulations.

Local Government Act 1995 requirements

Section 6.4(2) of the Local Government Act 1995 read with the Local Government (Financial Management) Regulations 1996 prescribe that the annual budget be prepared in accordance with the Local Government Act 1995 and, to the extent that they are not inconsistent with the Act, the Australian Accounting Standards. The Australian Accounting Standards (as they apply to local governments and not-for-profit entities) and Interpretations of the Australian Accounting Standards Board were applied where no inconsistencies exist.

The Local Government (Financial Management) Regulations 1996 specify that vested land is a right-of-use asset to be measured at cost, and is considered a zero cost concessionary lease. All right-of-use assets under zero cost concessionary leases are measured at zero cost rather than at fair value. except for vested improvements on concessionary land leases such as roads. buildings or other infrastructure which continue to be reported at fair value, as opposed to the vested land which is measured at zero cost. The measurement of vested improvements at fair value is a departure from AASB 16 Leases which would have required the City to measure any vested improvements at zero cost.

Accounting policies which have been adopted in the preparation of this annual budget have been consistently applied unless stated otherwise. Except for cash flow and rate setting information, the annual budget has been prepared on the accrual basis and is based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and liabilities.

The local government reporting entity

All funds through which the City controls resources to carry on its functions have been included in the financial statements forming part of this annual budget.

2024/25 actual balances

Balances shown in this budget as 2024/25 Actual are estimates as forecast at the time of preparation of the annual budget and are subject to final adjustments.

Budget comparative figures

Unless otherwise stated, the budget comparative figures shown in the budget relate to the original budget estimate for the relevant item of disclosure.

Comparative figures

Where required, comparative figures have been adjusted to conform with changes in presentation for the current financial year.

Rounding off figures

All figures shown in this statement are rounded to the nearest dollar.

Statement of Cashflows

Investing and financing transactions that do not require the use of cash or cash equivalents shall be excluded from a statement of cash flows. Such transactions shall be disclosed elsewhere in the financial statements in a way that provides all the relevant information about these investing and financing activities.

Initial application of accounting standards

During the budget year, the below revised Australian Accounting Standards and Interpretations are expected to be compiled, become mandatory and be applicable to its operations

- · AASB 2020-1 Amendments to Australian Accounting Standards
- Classification of Liabilities as Current or Non-current
- AASB 2022-5 Amendments to Australian Accounting Standards
- Lease Liability in a Sale and Leaseback
- AASB 2022-6 Amendments to Australian Accounting Standards
- Non-current Liabilities with Covenants AASB 2023-1 Amendments to Australian Accounting Standards
- Supplier Finance Arrangements
- AASB 2023-3 Amendments to Australian Accounting Standards
- Disclosure of Non-current Liabilities with Covenants: Tier 2
- AASB 2024-1 Amendments to Australian Accounting Standards
- Supplier Finance Arrangements: Tier 2 Disclosures

It is not expected these standards will have an impact on the annual budget.

 AASB 2022-10 Amendments to Australian Accounting Standards
 Fair Value Measurement of Non-Financial Assets of Not-for-Profit Public Sector Entities, became mandatory during the budget year. Amendments to AASB 13 Fair Value Measurement impacts the future determination of fair value when revaluing assets using the cost approach. Timing of future revaluations is defined by regulation 17A of Local Government (Financial Management) Regulations 1996. Impacts of this pronouncement are yet to be quantified and are dependent on the timing of future revaluations of asset classes. No material impact is expected in relation to the 2025-26 statutory budget.

New accounting standards for application in future years

The following new accounting standards will have application to local government in future years:

- AASB 2014-10 Amendments to Australian Accounting Standards
- Sale or Contribution of Assets between an Investor and its Associate or Joint Venture
- AASB 2024-4b Amendments to Australian Accounting Standards
- Effective Date of Amendments to AASB 10 and AASB 128 [deferred AASB 10 and AASB 128 amendments in AASB 2014-10 apply]
- AASB 2022-9 Amendments to Australian Accounting Standards
- Insurance Contracts in the Public Sector
- AASB 2023-5 Amendments to Australian Accounting Standards
- Lack of Exchangeability
- AASB 18 (FP) Presentation and Disclosure in Financial Statements
- (Appendix D) [for for-profit entities]
- AASB 18 (NFP/super) Presentation and Disclosure in Financial Statements
- (Appendix D) Ifor not-for-profit and superannuation entities]
- AASB 2024-2 Amendments to Australian Accounting Standards
- Classification and Measurement of Financial Instruments
- AASB 2024-3 Amendments to Australian Accounting Standards
- Standards Annual Improvements Volume 11

It is not expected these standards will have an impact on the annual budget.

Critical accounting estimates and judgements

The preparation of the annual budget in conformity with Australian Accounting Standards requires management to make judgements, estimates and assumptions that effect the application of policies and reported amounts of assets and liabilities, income and expenses.

The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances; the results of which form the basis of making the judgements about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates

As with all estimates, the use of different assumptions could lead to material changes in the amounts reported in the financial report.

The following are estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year and further information on their nature and impact can be found in the relevant note:

- · Fair value measurement of assets carried at reportable value including:
 - · Property, plant and equipment
 - Infrastructure
- Expected credit losses on financial assets
- · Assets held for sale
- · Impairment losses of non-financial assets
- · Investment property
- · Estimated useful life of intangible assets
- Measurement of employee benefits
- · Measurement of provisions

				-					-

Instalment plan charges Instalment plan interest

Late payment of rate interest

All rateable properties within the district used predominately for non-rural purposes are rated according to their Gross Rental Valuation (GRV), all other properties are rated according to their Unimproved Valuation

The general rates detailed for the 2025/26 financial year have been determined by Council on the basis of raising the revenue required to meet the estimated deficiency between the total estimated expenditure proposed in the budget and the estimated revenue to be received from all sources other than general rates and also considering the extent of any increase in rating over the level adopted in the previous year.

The minimum payments have been determined by Council on the basis that all ratepayers must make a reasonable contribution to the cost of local government services/facilities.

(c) Objectives and Reasons for Differential Rating

To provide equity in the rating of properties across the City the following rate categories have been determined for the implementation of differential rating.

(i) Differential general rate

Description	Characteristics	Objects	Reasons
GRV Residential	GRV residential category	The objective of the proposed rate in the dollar of	This includes the ongoing
	relates to property where the	\$0.062851 is to ensure that all ratepayers in this	maintenance and service
	predominant purpose for	category make an equitable contribution to the City's	provision of the City's assets
	which the property is used is	revenue and that the proportion of total rates	and services primarily used in
	predominantly residential.	revenue derived from residential properties remains	residentials.
		essentially consistent with the previous year.	

2. RATES AND SERVICE CHARGES (CONTINUED)

GRV Non Residential

GRV non residential categoryrelates to property where the predominant purpose for which the property is used is predominantly non residential.

GRV Residential Vacant. GRV residential vacant

category relates to property where the predominant purpose for which the property is used is predominantly vacant

residential.

The objective of the proposed rate in the dollar of \$0.077551 is to ensure that all ratepayers in this category make an equitable contribution to the City's provision of the City's assets revenue and that the proportion of total rates revenue derived from non residential properties remains essentially consistent with the previous year.

This includes the ongoing maintenance and service and services primarily used in non residentials.

The objective of the proposed rate in the dollar of \$0.083158 is to ensure that all ratepayers in this category make an equitable contribution to the City's provision of the City's assets revenue and that the proportion of total rates revenue derived from residential vacant properties remains essentially consistent with the previous year.

This includes the ongoing maintenance and service and services primarily used in residentials vacant.

(ii) Differential Minimum Payment

Minimum Residential

Minimum residential category relates to property where the predominant purpose for which the property is used is predominantly residential.

Mimimum Non Residential

Mimimum non residential categoryrelates to property where the predominant purpose for which the property is used is predominantly non residential.

The objective of the proposed rate of \$1,636 is to ensure that all ratepayers in this category make an equitable contribution to the City's revenue.

The objective of the proposed rate of \$2,157 is to ensure that all ratepayers in this category make an equitable contribution to the City's revenue.

This includes the ongoing maintenance and service provision of the City's assets and services primarily used in residentials.

This includes the ongoing maintenance and service provision of the City's assets and services primarily used in non residentials.

2. RATES AND SERVICE CHARGES (CONTINUED)

Mimimum Residential Vacant.

Mimimum residential vacant categoryrelates to property where the predominant purpose for which the property is used is predominantly vacant residential.

The objective of the proposed rate of \$1,989 is to ensure that all ratepayers in this category make an equitable contribution to the City's revenue.

This includes the ongoing maintenance and service provision of the City's assets and services primarily used in vacant residentials.

(d) Variation in Adopted Differential Rates to Local Public Notice

The following rates and minimum payments were previously set out in the local public notice giving notice of the intention to charge differential rates.

Differential general rate	•	Adopted Rate in		
or general rate	Proposed Rate in \$	\$	Reasons for the difference	
Residential	0.063456	0.062851	Due to 1% rate reduction proposed by the Commissioners	
Non residential	0.078298	0.077551	Due to 1% rate reduction proposed by the Commissioners	
Residential vacant	0.083959	0.083158	Due to 1% rate reduction proposed by the Commissioners	
Differential minimum		Adopted		
rate or mimimuml rate	Proposed Minimum \$	Minimum \$	Reasons for the difference	
Residential	1,652	1,636	Due to 1% rate reduction proposed by the Commissioners	
Non residential	2,178	2,157	Due to 1% rate reduction proposed by the Commissioners	
Residential vacant	2,008	1,989	Due to 1% rate reduction proposed by the Commissioners

EXPLANATION OF DIFFERENCE IN NET CURRENT ASSETS AND SURPLUS/(DEFICIT)

Items excluded from calculation of budgeted deficiency

When calculating the budget deficiency for the purpose of Section 6.2 (2)(c) of the *Local Government Act 1995* the following amounts have been excluded as provided by *Local Government (Financial Management) Regulation 32* which will not fund the budgeted expenditure.

(c) Non-cash amounts excluded from operating activities

The following non-cash revenue or expenditure has been excluded from amounts attributable to operating activities within the Statement of Financial Activity in accordance with <i>Financial Management Regulation 32</i> .	Note	2025/26 Budget 30 June 2026	2024/25 Actual 30 June 2025	2024/25 Budget 30 June 2025

0	10,398	
10,490,529	8,830,692	9,025,305

3. NET CURRENT ASSETS

(d) MATERIAL ACCOUNTING POLICIES

CURRENT AND NON-CURRENT CLASSIFICATION

The asset or liability is classified as current if it is expected to be settled within the next 12 months, being the City's operational cycle. In the case of liabilities where the City does not have the unconditional right to defer settlement beyond 12 months, such as vested long service leave, the liability is classified as current even if not expected to be settled within the next 12 months. Inventories held for trading are classified as current or non-current based on the City's intentions to release for sale.

TRADE AND OTHER PAYABLES

Trade and other payables represent liabilities for goods and services provided to the City prior to the end of the financial year that are unpaid and arise when the City becomes obliged to make future payments in respect of the purchase of these goods and services. The amounts are unsecured, are recognised as a current liability and are normally paid within 30 days of recognition. The carrying amounts of trade and other payables are considered to be the same as their fair values, due to their short-term nature.

PREPAID RATES

Prepaid rates are, until the taxable event has occurred (start of the next financial year), refundable at the request of the ratepayer. Rates received in advance are initially recognised as a financial liability. When the taxable event occurs, the financial liability is extinguished and the City recognises revenue for the prepaid rates that have not been refunded.

INVENTORIES

General

Inventories are measured at the lower of cost and net realisable value.

Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

SUPERANNUATION

The City contributes to a number of superannuation funds on behalf of employees. All funds to which the City contributes are defined contribution plans.

INVENTORY - LAND HELD FOR RESALE

Land held for development and sale is valued at the lower of cost and net realisable value. Cost includes the cost of acquisition, development, borrowing costs and holding costs until completion of development. Finance costs and holding charges incurred after development is completed are expensed.

Gains and losses are recognised in profit or loss at the time of signing an unconditional contract of sale if significant risks and rewards, and effective control over the land, are passed on to the buyer at this point.

Inventory - land held for resale is classified as current except where it is held as non-current based on the City's intentions to release for sale.

GOODS AND SERVICES TAX (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payables are stated inclusive of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with receivables or payables in the statement of financial position.

Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to, the ATO are presented as operating cash flows.

CONTRACT LIABILITIES

Contract liabilities represent the City's obligation to transfer goods or services to a customer for which the City has received consideration from the customer.

Contract liabilities represent obligations which are not yet satisfied. Contract liabilities are recognised as revenue when the performance obligations in the contract are satisfied.

TRADE AND OTHER RECEIVABLES

Trade and other receivables include amounts due from ratepayers for unpaid rates and service charges and other amounts due from third parties for grants, contributions, reimbursements, and goods sold and services performed in the ordinary course of business.

Trade and other receivables are recognised initially at the amount of consideration that is unconditional, unless they contain significant financing components, when they are recognised at fair value.

Trade receivables are held with the objective to collect the contractual cashflows and therefore the City measures them subsequently at amortised cost using the effective interest rate method.

Due to the short term nature of current receivables, their carrying amount is considered to be the same as their fair value. Non-current receivables are indexed to inflation, any difference between the face value and fair value is considered immaterial.

The City applies the AASB 9 simplified approach to measuring expected credit losses using a lifetime expected loss allowance for all trade receivables. To measure the expected credit losses, rates receivable are separated from other trade receivables due to the difference in payment terms and security for rates receivable.

PROVISIONS

Provisions are recognised when the City has a present legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured.

Provisions are measured using the best estimate of the amounts required to settle the obligation at the end of the reporting period.

EMPLOYEE BENEFITS

Short-term employee benefits

Provision is made for the City's obligations for short-term employee benefits. Short term employee benefits are benefits (other than termination benefits) that are expected to be settled wholly before 12 months after the end of the annual reporting period in which the employees render the related service, including wages, salaries and sick leave. Short-term employee benefits are measured at the (undiscounted) amounts expected to be paid when the obligation is settled.

The City's obligations for short-term employee benefits such as wages, salaries and sick leave are recognised as a part of current trade and other payables in the determination of the net current asset position.

The City's obligations for employees' annual leave and long service leave entitlements are recognised as provisions in the determination of the net current asset position.

Other long-term employee benefits

Long-term employee benefits provisions are measured at the present value of the expected future payments to be made to employees. Expected future payments incorporate anticipated future wage and salary levels, durations of service and employee departures and are discounted at rates determined by reference to market yields at the end of the reporting period on government bonds that have maturity dates that approximate the terms of the obligations. Any remeasurements for changes in assumptions of obligations for other long-term employee benefits are recognised in profit or loss in the periods in which the changes occur.

The City's obligations for long-term employee benefits are presented as non-current provisions in its statement of financial position, except where the City does not have an unconditional right to defer settlement for at least 12 months after the end of the reporting period, in which case the obligations are presented as current provisions.

4. RECONCILIATION OF CASH

For the purposes of the Statement of Cash Flows, cash includes cash and cash equivalents, net of outstanding bank overdrafts. Estimated cash at the end of the reporting period is as follows:

T T	\$ 6,185,117 0,057,864
Cash at bank and on hand 6,394,047 12,320,235 3

^{*} Note: The Statutory Budget for 2024/25 did not include the Net Current Assets note disclosure therefore the comparative values are not available.

MATERIAL ACCOUNTING POLICES

CASH AND CASH EQUIVALENTS

Cash and cash equivalents include cash on hand, cash at bank, deposits available on demand with banks, other short term highly liquid investments that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value and bank overdrafts.

Bank overdrafts are shown as short term borrowings in current liabilities in Note 3 - Net Current Assets.

FINANCIAL ASSETS AT AMORTISED COST

The City classifies financial assets at amortised cost if both of the following criteria are met:

- the asset is held within a business model whose objective is to collect the contractual cashflows, and
- the contractual terms give rise to cash flows that are solely payments of principal and interest.

MATERIAL ACCOUNTING POLICIES

RECOGNITION OF ASSETS
Assets for which the fair value as at the date of acquisition is under \$5,000 are not recognised as an asset in accordance with Financial Management Regulation 17A (5). These assets are expensed immediately.

Where multiple individual low value assets are purchased together as part of a larger asset or collectively forming a larger asset exceeding the threshold, the individual assets are recognised as one asset and capitalised.

GAINS AND LOSSES ON DISPOSAL

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains and losses are included in profit or loss in the period which they arise.

6. DEPRECIATION

By Class

Buildings - non-specialised
Plant and equipment
Infrastructure - roads
Infrastructure - footpaths
Infrastructure - drainage
Infrastructure - parks development
Right of use - plant and equipment

By Program

Education and welfare Recreation and culture Transport Other property and services

MATERIAL ACCOUNTING POLICIES

DEPRECIATION

The depreciable amount of all fixed assets including buildings but excluding freehold land, are depreciated on a straight-line basis over the individual asset's useful life from the time the asset is held ready for use. Leasehold improvements are depreciated over the shorter of either the unexpired period of the lease or the estimated useful life of the improvements.

The assets residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Major depreciation periods used for each class of depreciable asset are:

asset are.	
Buildings	10 to 100 years
Furniture and equipment	4 to 50 years
Plant and equipment	5 to 16 years
Roads - pavement	100 - 121 years
Roads -Sub Grade	Not depreciated
Roads - Top surface	18 - 40 years
Footpaths	20 - 50 years
Stormwater - Pipes and pits	44 - 103 years
Stormwater - Plant	68 - 96 years
Bus Shelters	24 - 38 years
Roundabouts	50 - 96 years
Street Lights	21 - 43 years
Parks	10 - 25 years
Parks Reticulation	11 - 41 years
Right of use (plant and equipment)	Based on the remaining lease

10,598,779	9,133,304	9,210,126

AMORTISATION

The depreciable amount of all intangible assets with a finite useful life, are depreciated on a straight-line basis over the individual asset's useful life from the time the asset is held for use.

The assets residual value of intangible assets is considered to be zero and useful live and amortisation method are reviewed at the end of each financial year.

Amortisation is included within Depreciation on non-current assets in the Statement of Comprehensive Income.

7. BORROWINGS

(a) Borrowing repayments

Movement in borrowings and interest between the beginning and the end of the current financial year.

50,000	50,000	50,000
6,909,130	4,282,241	4,057,064

MATERIAL ACCOUNTING POLICIES

BORROWING COSTS

The City has elected to recognise borrowing costs as an expense when incurred regardless of how the borrowings are applied.

Fair values of borrowings are not materially different to their carrying amounts, since the interest payable on those borrowings is either close to current market rates or the borrowings are of a short term nature.

Borrowings fair values are based on discounted cash flows using a current borrowing rate.

8. LEASE LIABILITIES

MATERIAL ACCOUNTING POLICIES

LEASES

At the inception of a contract, the City assesses whether the contract is, or contains, a lease. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

At the commencement date, a right-of-use asset is recognised at cost and a lease liability at the present value of the lease payments that are not paid at that date. The lease payments are discounted using the interest rate implicit in the lease, if that rate can be readily determined. If that rate cannot be readily determined, the City uses its incremental borrowing rate.

LEASE LIABILITIES

The present value of future lease payments not paid at the reporting date discounted using the incremental borrowing rate where the implicit interest rate in the lease is not readily determined.

9. RESERVE ACCOUNTS

12. MAJOR LAND TRANSACTIONS

It is not anticipated any land transactions or major land transactions will occur in 2025/26

13. TRADING UNDERTAKINGS AND MAJOR TRADING UNDERTAKINGS

It is not anticipated that any trading undertakings or major trading undertakings will occur in the 2025/26 financial year.

14. REVENUE AND EXPENDITURE

(a) Revenue and Expenditure Classification

REVENUES

RATES

All rates levied under the *Local Government Act 1995*. Includes general, differential, specific area rates, minimum payment, interim rates, back rates, ex-gratia rates, less discounts offered.

Exclude administration fees, interest on instalments, interest on arrears, service charges and sewerage rates.

GRANTS, SUBSIDIES AND CONTRIBUTIONS

All amounts received as grants, subsidies and contributions that are not capital grants.

CAPITAL GRANTS, SUBSIDIES AND CONTRIBUTIONS

Amounts received specifically for the acquisition, construction of new or the upgrading of non-current assets paid to a local government, irrespective of whether these amounts are received as capital grants, subsidies, contributions or donations.

REVENUE FROM CONTRACTS WITH CUSTOMERS

Revenue from contracts with customers is recognised when the local government satisfies its performance obligations under the contract.

FEES AND CHARGES

Revenues (other than service charges) from the use of facilities and charges made for local government services, sewerage rates, rentals, hire charges, fee for service, photocopying charges, licences, sale of goods or information, fines, penalties and administration fees. Local governments may wish to disclose more detail such as rubbish collection fees, rental of property, fines and penalties, other fees and charges.

SERVICE CHARGES

Service charges imposed under *Division 6 of Part 6 of the Local Government Act 1995*. Regulation 54 of the *Local Government (Financial Management) Regulations 1996* identifies the charges which can be raised. These are television and radio broadcasting, underground electricity and neighbourhood surveillance services and water. Exclude rubbish removal charges which should not be classified as a service charge. Interest and other items of a similar nature received from bank and investment accounts, interest on rate instalments, interest on rate arrears and interest on debtors.

INTEREST REVENUE

Interest and other items of a similar nature received from bank and investment accounts, interest on rate instalments, interest on rate arrears and interest on debtors.

OTHER REVENUE / INCOME

Other revenue, which cannot be classified under the above headings, includes dividends, discounts, rebates etc.

PROFIT ON ASSET DISPOSAL

Gain on the disposal of assets including gains on the disposal of long-term investments.

EXPENSES

EMPLOYEE COSTS

All costs associated with the employment of person such as salaries, wages, allowances, benefits such as vehicle and housing, superannuation, employment expenses, removal expenses, relocation expenses, worker's compensation insurance, training costs, conferences, safety expenses, medical examinations, fringe benefit tax, etc.

Note AASB 119 Employee Benefits provides a definition of employee benefits which should be considered.

MATERIALS AND CONTRACTS

All expenditures on materials, supplies and contracts not classified under other headings. These include supply of goods and materials, legal expenses, consultancy, maintenance agreements, communication expenses (such as telephone and internet charges), advertising expenses, membership, periodicals, publications, hire expenses, rental, leases, postage and freight etc.

Local governments may wish to disclose more detail such as contract services, consultancy, information technology and rental or lease expenditures.

UTILITIES (GAS, ELECTRICITY, WATER)

Expenditures made to the respective agencies for the provision of power, gas or water.

Exclude expenditures incurred for the reinstatement of roadwork on behalf of these agencies.

INSURANCE

All insurance other than worker's compensation and health benefit insurance included as a cost of employment.

LOSS ON ASSET DISPOSAL

Loss on the disposal of fixed assets.

DEPRECIATION ON NON-CURRENT ASSETS

Depreciation and amortisation expenses raised on all classes of assets.

FINANCE COSTS

Interest and other costs of finance paid, including costs of finance for loan debentures, overdraft accommodation and refinancing expenses.

OTHER EXPENDITURE

Statutory fees, taxes, provision for bad debts, member's fees or levies including DFES levy and State taxes. Donations and subsidies made to community groups.

14. REVENUE AND EXPENDITURE

(b) Revenue Recognition

Recognition of revenue from contracts with customers is dependant on the source of revenue and the associated terms and conditions associated with each source of revenue and recognised as follows:

Revenue Category	Nature of goods and services	When obligations typically satisfied	Payment terms	Returns/Refunds/ Warranties	Determination of transaction price	Allocating transaction price	Measuring obligations for returns	Timing of Revenue recognition
Grant contracts with customers	Community events, minor facilities, research, design, planning evaluation and services	Over time	Fixed terms transfer of funds based on agreed milestones and reporting	Contract obligation if project not complete	Set by mutual agreement with the customer	Based on the progress of works to match performance obligations	Returns limited to repayment of transaction price of terms breached	Output method based on project milestones and/or completion date matched to performance obligations as inputs are shared
Licences/ Registrations/ Approvals	Building, planning, development and animal management, having the same nature as a licence regardless of naming.	Single point in time	Full payment prior to issue	None	Set by State legislation or limited by legislation to the cost of provision	Based on timing of issue of the associated rights	No refunds	On payment and issue of the licence, registration or approval
Waste management entry fees	Waste treatment, recycling and disposal service at disposal sites	Single point in time	Payment in advance at gate or on normal trading terms if credit provided	None	Adopted by council annually	Based on timing of entry to facility	Not applicable	On entry to facility
Fees and charges for other goods and services	s Cemetery services, library fees, reinstatements and private works	Single point in time	Payment in full in advance	None	Adopted by council annually	Applied fully based on timing of provision	Not applicable	Output method based on provision of service or completion of works
Sale of stock	Aviation fuel, kiosk and visitor centre stock	Single point in time	In full in advance, on 15 day credit	Refund for faulty goods	Adopted by council annually, set by mutual agreement	Applied fully based on timing of provision	Returns limited to repayment of transaction price	Output method based on goods

15. PROGRAM INFORMATION

Key Terms and Definitions - Reporting Programs

In order to discharge its responsibilities to the community, Council has developed a set of operational and financial objectives. These objectives have been established both on an overall basis, reflected by the City's Community Vision, and for each of its broad activities/programs.

OBJECTIVE

Governance

To provide a decision making process for the efficient allocation of scarce resources

ACTIVITIES

Includes the activities of members of council and the administrative support available to the council for the provision of governance of the district. Other costs relate to the task of assisting elected members and ratepayers on matters which do not concern specific council services.

General purpose funding

To collect revenue to allow for the provision of services.

Rates, general purpose government grants and interest revenue.

Law, order, public safety

To provide services to help ensure a safer and environmentally conscious community.

Supervision and enforcement of various local laws relating to fire prevention, animal control and other aspects of public safety including emergency services.

Health

To provide an operational framework for environmental and community health.

Inspection of food outlets and their control, provision of meat inspection services, noise control and waste disposal compliance.

Education and welfare

To provide services to disadvantaged persons, the elderly, children and youth.

Maintenance of child minding centre, playgroup centre, senior citizen centre and aged care centre. Provision and maintenance of home and community care programs and youth services.

Housing

To provide and maintain elderly residents housing.

Provision and maintenance of elderly residents housing.

Community amenities

Provision and maintenance of elderly residents housing.

Rubbish collection services, operation of rubbish disposal sites, litter control, construction and maintenance of urban storm water drains, protection of the environment and administration of town planning schemes, cemetery and public conveniences.

Recreation and culture

To establish and effectively manage infrastructure and resource which will help the social wellbeing of the community.

Maintenance of public halls, civic centres, aquatic centre, beaches, recreation centres and various sporting facilities. Provision and maintenance of parks, gardens and playgrounds. Operation of library, museum and other cultural facilities.

Transport

To provide safe, effective and efficient transport services to the community.

Construction and maintenance of roads, streets, footpaths, depots, cycle ways, parking facilities and traffic control. Cleaning of streets and maintenance of street trees, street lighting etc.

Economic services

To help promote the City and its economic wellbeing.

Tourism and area promotion including the maintenance and operation of a caravan park. Provision of rural services including weed control, vermin control and standpipes. Building Control.

Other property and services

To monitor and control City of Nedlands's overheads operating accounts.

Private works operation, plant repair and operation costs and engineering operation costs.
