I am a long standing resident and loves the Nedlands community. I am standing to "Balance the Ship". I believe our community deserves a local government that excels at its core functions while being both financially and environmentally sustainable.

I will support

FISCAL ACCOUNTABILITY: We need a clean audit and ensure that ratepayers money is spent transparently and effectively.

GREENER NEDLANDS: Committed to improving our urban forest, targeting a the greening of our streets. I will incentivise local environmental projects and provide support to our bushland groups who nurture our natural areas.

PROTECTING CHARACTER: Work closely with all stakeholders to minimise the negative impacts of urban infill, ensuring our community's liveability is preserved.

ACTIVE SPACES: Cooperative support to our local sport and activity groups.

True leadership starts with listening to the community. I am dedicated to being an accessible representative who acts on your concerns and delivers positive outcomes
