| Candidate name | Rachel Maree KRISTENSEN |
| District | City of Nedlands |
| Nominating for | Councillor for Hollywood Ward |
| Election type | Section 4.13 |
| Enrolment status | KRISTENSEN, Rachel is eligible to stand for election as a resident of the City of Nedlands. |

I am an environmental lawyer and ecologist who lives and grew up locally. I understand the priorities of Hollywood Ward residents: supporting families, protecting neighbourhood character, preserving green spaces and ensuring development is carefully planned.

I have qualifications in law, ecology and governance, and have worked in public sector and regulatory roles in Australia and internationally. My experience includes policy, planning and land use frameworks, giving me a clear understanding of how council decisions affect households, schools and communities.

Hollywood Ward is home to many families who value safe, walkable neighbourhoods, quality public spaces, mature trees and development that respects local character.

I will advocate for transparent governance and genuine community consultation. As a councillor, I will work to support families, protect amenities and ensure the Hollywood Ward remains a welcoming place to live and raise future generations for all local residents!
