After much instability, this election provides an opportunity to restore confidence in our Council to make considered, long-term decisions for our community's wellbeing.

I have lived in the ward for 22 years and am an owner-occupier. My wife is a local primary school teacher, and our three children attended local schools and participated in community sport.

I have worked in a range of roles requiring integrity, clear communication skills, evidence-based decision making and fiscal discipline. I am a Specialist Musculoskeletal Physiotherapist and the Managing Director of an Internet domain name registry. I hold a Masters in Business Administration and a Company Directors qualification. I also have extensive experience overseeing complex organisations and budgets in the health, regulatory and internet sectors.

My priorities are to progress the amenity and liveability of our city. If elected, I will approach these goals with a focus on fiscal responsibility and constructive collaboration.
