Ballot paper name	MATHEWS, Jenny
Candidate name	Jennifer Elizabeth MATHEWS
District	City of Nedlands
Nominating for	Councillor for Dalkeith Ward
Election type	Section 4.13
Enrolment status	MATHEWS, Jenny is eligible to stand for election as a resident of the City of Nedlands.

We all know that what our community needs now is stable, experienced leadership.

That's why I've decided to run for Council.

I'm a former Director General of the Department of Local Government, with the expertise and experience in governance that Nedlands needs now, more than ever. I have decades of Board experience, with the financial expertise needed to oversee our Council budget - which is critical if we're going to protect our core services and keep rates low. I've lived in our area for thirty years and my husband and I raised our family here. I'm a member of the Nedlands Golf and Dalkeith Tennis Clubs and serve on the MLC college council.

I will stand up for you in planning and development decisions, pushing for high quality outcomes that respect our neighbourhood character.

Our planning outcomes, governance and finances can only be delivered by experienced leadership.

That's why I'm asking for your vote this election.

Let's give our community the leadership and experience it deserves.
