Vote 1 Charles Pan Dalkeith Ward

The 28th of March is an opportunity for you, residents and local business owners, to elect those who will best represent you over the next 4 years.

Dalkeith has been my family home for over 25 years and I'm running for Council because our City deserves a fresh start.

BUILDING TRUST AND RESPONSIBLE FINANCIAL MANAGEMENT

Rebuilding community trust is what the City of Nedlands needs right now. Together, we can rebuild a local City Council of which we can all be proud.

As your local representative, I will drive and support responsible financial decisions to provide better outcomes for our ratepayers investments in the City of Nedlands.

I have the time, the expertise, the qualifications to represent you over the next 4 years to guide the City with strategic and responsible decision-making on behalf of the community.

OUR COMMUNITY'S FUTURE

It's crucial that housing diversity and development respects our community values. The natural environment of the Swan River, local wildlife, leafy streets, parklands, and safer roads must all be considered in the decision-making process, so our future generations can enjoy the trademark liveability of our City.

NEXT STEPS

When your ballot paper arrives in your letterbox over the next few weeks, please consider voting for me as your local representative in Dalkeith Ward. I'll represent you with energy, accountability, and honesty in the City of Nedlands.
