

Candidate Details

Ballot paper name	SU, Dada
Candidate name	Dada SU
District	City of Nedlands
Nominating for	Councillor for Dalkeith Ward
Election type	Section 4.13
Enrolment status	SU, Dada is eligible to stand for election as a resident of the City of Nedlands.

A vote for Dada is a vote for balanced planning, safe streets and strong community assets.

Dalkeith resident, Curtin University sessional academic and mother of two.

I value City of Nedlands' leafy streets, open gardens and sense of space, and will advocate for planning decisions that protect neighbourhood character, tree canopy and generous setbacks.

I support careful assessment of increased density so development fits the surrounding streetscape and does not overload traffic, parking or infrastructure.

I support maintaining and activating the Sunset Heritage Precinct for community, cultural and educational use while preserving heritage and public access.

I will push practical school-zone safety and congestion fixes, including at the PLC crossing, working with schools and authorities.

I will champion transparent, responsible decisions based on community priorities.
