Ballot paper name	VON LEONHARDI, Anthony
Candidate name	Anthony Alexander VON LEONHARDI
District	City of Nedlands
Nominating for	Councillor for Melvista Ward
Election type	Section 4.13
Enrolment status	VON LEONHARDI, Anthony is eligible to stand for election as a resident of the City of Nedlands.

As a long term resident of 60 years in the City of Nedlands I bring to the table a wealth of knowledge about our much lauded neighbourhood.

I was raised here, went to school and University here and I am passionate about this community and our tree lined suburb.

There is a significant need for change and a fresh, new council will strive to deliver on issues such as infill, loss of amenity, loss of character and maintaining City assets.

I believe council must work cohesively and collaboratively with all parties but particularly its own administration without unnecessary conflict to achieve the best outcomes for ratepayers.

As a team player I will work tirelessly with honesty, integrity and openness alongside my fellow councillors to ensure a city that is transparent and responsible.

I stand for fairness, equity, openness and transparency and the right of every Nedlands ratepayer to celebrate the amenity of living in one of Perth's most magnificent suburbs.
