Our God our help in ages past,
Our hope for years to come,
Our shelter from the stormy blast
And our eternal home.

Under the shadow of Thy throne,
Thy saints have dwelt secure,
Sufficient is Thine arm alone,
And our defence is sure.

Before the hills in order stood,
Or earth received her frame.
From everlasting Thou art God,
Through endless years the same.

Our God our help in ages past,
Our hope for years to come,
Be Thou our guard while troubles last
And our eternal home.

As we that are left grow old
Age shall not weary them nor the years condemn
At the going down of the sun
And in the morning
We will remember them.
The gathering repeats "We will remember them."
