

Local Government (Uniform Local Provisions) Regulations 1996 – r. 5(1) & 6(2)

City of Nedlands Thoroughfares Local Law – cl. 7(2) & 10(1)

About this form:

- Approval from the City of Nedlands is required for the construction and/or installation of certain private improvements and associated works on local government land. Authorisation can be obtained by completing and submitting this application form, along with the fee(s) payable, to obtain a Nature Strip Improvement Permit.
- No permit is required for the installation of lawn, low growing native gardens or mulch. For more information, please refer to the City’s Nature Strip Improvement Guidelines brochure available on the City’s website or by contacting the City.
- This form should only be used for obtaining authorisation to construct and/or install private improvements on local government land and any directly associated works other than a crossover. For vehicle crossovers please use the Permit Application – Vehicle Crossover form. For all other non-permanent private/commercial activities please use the Permit Application - Private Works On, Over or Under a Public Thoroughfare form.
- Where a permit is required to be obtained, commencement of private works/construction activities without a valid permit constitutes an offence pursuant to *the Local Government (Uniform Local Provisions) Regulations 1996* and/or the *City of Nedlands Thoroughfares Local Law* and may result in enforcement action being commenced by the City.
- Failure to observe any condition imposed by way of a permit, in giving approval to undertake private works on the nature strip, constitutes an offence pursuant to the *Local Government (Uniform Local Provisions) Regulations 1996* or the *City of Nedlands Thoroughfares Local Law* and may result in enforcement action being commenced by the City.
