MACINTYRE, Omar

We live in a beautiful place, but there's still so much more we can do to ensure we unlock and fulfil this city's enormous potential. To reinvigorate Nedlands, we need to renew our aspiration for a thriving city of culture, community, and business.

I want to introduce future-focused initiatives that strengthen Nedland's livability in the long term, harnessing our city's incredible knowledge by doing things right the first time. More green open public spaces, better pedestrian access and transport, an ambitious focus on environmental sustainability and a stronger commitment to safety.

From 2019-2021, I helped deliver tangible outcomes for over 23,000 students as a UWA Guild Board Director before working extensively in a variety of fields across state and federal government.
