## **BASSON, Oliver**

I have lived in Nedlands for 24 years, was educated at Nedlands Primary School and have been a member of many sporting clubs in Nedlands.

My professional background in urban planning brings a valuable and relevant skill set to council, in light of the increased development we are facing. I also have a strong environmental focus on maintaining mature tree canopy, green spaces, urban bushland, and promoting sustainable initiatives.

At 30 years of age, recently married and family oriented, I will bring a balance of energy and maturity to council. I have the right values, relevant knowledge and skills to maintain the beautiful, vibrant, and leafy character of the Hollywood Ward.

I look forward to meeting with you to discuss your concerns and interests, and how I can best represent you.
