OCTOBER 2022

## Mayors Message

The passing of Queen Elizabeth II last month has affected us all in various ways. For me, I valued the Queen's work ethic and her constant sense of calm in a world that evolved dramatically over the course in which she reigned.

As we mourn the loss of our Queen we recognise the outstanding 70 year service she committed to the Commonwealth. On behalf of the City, we offer our deepest sympathies to His Majesty King Charles III, The Royal Family, and all those across the world mourning her passing.

I am excited to report that the City of Nedlands will become a signatory of the United Nations Sustainable Development Goals, as passed by council in September. The United Nations (UN) Sustainable Development Goals (SDGs or the goals) provide a universal sustainability framework to guide sustainable development outcomes at all levels: global, national, local and regional.

Another significant win for the community in this month's council meeting was a simple majority vote to endorse the application for the redevelopment of the Nedlands Yacht Club Sail Training Centre. This will be a valuable asset to our beautiful foreshore and the entire the City of Nedlands community.

Kind wishes,  
Fiona Argyle  
Mayor, City of Nedlands
