My name is Melanie and I am originally from France. I have been living in Australia for the last 13 years with my husband, who is also French. We moved to Nedlands 2 years ago and our children attend the Hollywood Primary School, where we built wonderful relationships with parents and staff.

As someone who has come from overseas, I understand the importance of building strong connections within our diverse community and am deeply invested in making the city of Nedlands my family's permanent home.

With a solid experience in human resources, communications and community development, I have a real passion for creating inclusive, vibrant and innovative environments where people feel a sense of belonging and responsibility.

I am eager to collaborate with fellow Councillors and community members to address the issues that matter most to us, including education, culture, infrastructure, local services and building a sustainable city that will continue to thrive and attract people.
