Committee Recommendation

Council approves the retrospective development application for an extension constructed at the rear of the dwelling with setback variations at (Lot 194) No. 82 Louise Street, Nedlands, subject to the following conditions and advice:

- 1. The development shall at all times comply with the approved plans.**
- 2. This development approval pertains to the study room, bathroom and bedroom 1 only.**
- 3. The proposed 1.6m high lattice screen or functionally equivalent alternative shall be installed within 28 days from the date of this approval, and be maintained by the landowners to the City's satisfaction thereafter.**
- 4. Only one kitchen being permitted on the property. The kitchen within the original section of the dwelling being removed prior to the extension's practicable completion to the City's satisfaction (refer to Advice Note 1).**

Advice Notes specific to this approval:

- 1. With regard to Condition 4, the applicant is advised that if a kitchen within the original section of the dwelling is to be retained or installed, the extension will be deemed to be self-contained (ancillary accommodation). A separate development application for this will be required to be submitted to and approved by the City.**
- 2. Any fencing and/or further privacy screening behind the street setback area which is more than 1.8m in height above natural ground level and within 0.9m of a dividing lot boundary, requires approval from the City prior to erecting.**
- 3. All downpipes from guttering shall be connected so as to discharge into drains, which shall empty into a soak-well; and each soak-well shall be located at least 1.8m from any building, and at least 1.8m from the boundary of the block.**
- 4. All stormwater from the development, which includes permeable and non-permeable areas, shall be contained onsite by draining to soak-wells of adequate capacity to contain runoff from a 20 year recurrent storm event. Soak-wells shall be a minimum capacity of 1.0m³ for every 80m² of calculated surface area of the development.**

Committee Recommendation / Recommendation to Committee

Council

- 1. Refuses the retrospective development application for 1.8m high solid fencing within the street setback area of (Lot 75) No. 262 Marine Parade, Swanbourne, for the following reasons:**
 - a) The proposal would not be consistent with orderly and proper planning, as it does not satisfy the following:**
 - i. The Design Principles stipulated under clause 5.2.5 (Sight Lines) of the Residential Design Codes;**
 - ii. Clauses 4.3, 4.4 and 4.5 (Fencing Height Requirements) of the Fill and Fencing Local Planning Policy;**
 - iii. Clause 5.5.1 (Preservation of Amenity) of Town Planning Scheme No. 2; and**
 - iv. Schedule 2 Part 9 Clause 67 (b), (g) and (m) of the *Planning and Development (Local Planning Schemes) Regulations 2015*.**
 - b) The proposed height of the solid fencing within the street setback area setting an undesirable precedent.**
 - c) Alternative fencing is available which would serve the same purpose but have less of an impact on the local amenity.**
- 2. Advises the applicant/landowner that if the fencing and gates within the street setback area of the property are not removed within 60 days from the date of the decision the City may commence legal proceedings to have the fencing removed.**

Committee Recommendation

Council approves the development application for Additions (Patio) to the existing Single House at (Lot 159) No. 24 Neville Road, Dalkeith, in accordance with the application received 23 February 2016 and amended plans received on 04 May 2016, subject to the following conditions and advice notes:

Conditions:

- 1. The approval only relates to the proposed patio.**
- 2. The development shall at all times comply with the approved plans.**
- 3. All stormwater from the development, which includes permeable and non-permeable areas, shall be contained onsite.**

Advice Notes:

- 1. Prior to any construction, the applicant is required to obtain a building approval from the City of Nedlands.**
- 2. With regard to condition no. 3, it is recommended to comply with this requirement to have stormwater contained onsite by draining to soak-wells of adequate capacity to contain runoff from a 20 year recurrent storm event. Soak-wells are to be a minimum capacity of 1.0m³ for every 80m² of calculated surface area of the development. Each soak-well is to be located at least 1.8m from any building, and at least 1.8m from the boundary of the block.**

Recommendation to Committee

Council refuses the application for Additions (Patio) to Single House at (Lot 159) No. 24 Neville Road, Dalkeith, in accordance with the application received on 23 February 2016 and amended plans received on 04 May 2016, for the following reason:

1. The patio does not comply with the design principles of Clause 5.1.4 of the R-Codes as it will:
 - a) reduce morning sun into the dwelling during the winter months; and
 - b) add to building bulk and appear inconsistent with the low density locality and applicable density code.

Committee Recommendation

Council approves the development application for proposed Additions (Store) to the existing Single House at (Lot 7) No. 66 Wood Street, Swanbourne, in accordance with the application received 23 March 2016 and amended plans received on 14 April 2016, subject to the following conditions and advice notes:

Conditions:

- 1. The approval only relates to the proposed store on the eastern side of the dwelling.**

2. **The development shall at all times comply with the approved plans.**
3. **All stormwater from the development, which includes permeable and non-permeable areas, shall be contained onsite.**
4. **The store not being used for habitation or commercial purposes.**

Advice Notes:

1. **Prior to any construction, the applicant is required to obtain a building approval from the City of Nedlands, noting the design will need to include adequate fire separation measures.**
2. **With regard to condition no. 3, to achieve compliance with this requirement it is recommended that stormwater is contained onsite by draining to soak-wells of adequate capacity to contain runoff from a 20 year recurrent storm event. Soak-wells to have a minimum capacity of 1.0m³ for every 80m² of calculated surface area of the development. Recommendation to Committee

Council refuses the application for Additions (store) to Single House at (Lot 7) No. 66 Wood Street, Swanbourne, in accordance with the application received 23 March 2016 and amended plans received 14 April 2016, for the following reasons:

1. The store does not comply with the design principles of Clause 5.1.3 of the R-Codes as the reduced setback:
 - a) has a negative impact on the neighbouring property in terms of building bulk and amenity;
 - b) does not positively contribute to the prevailing streetscape and development context; and
 - c) does not make effective use of space for enhanced privacy of the subject or neighbouring properties.
