

Native Verge Conversion Workshops 2021

FREE

Would you like a beautiful native verge which is waterwise and supports local fauna?

WESROC is offering two **FREE workshops** to help you create a native verge.

The workshops are being run in association with Apace Nursery and the WESROC Native Plant subsidy scheme offered during May.

Workshop 1

Saturday 20 March

8.30 am - 12.00pm

The Ecology Centre
165 Perry Lakes Dve, City Beach

Workshop 2

Saturday 27 March

8.30am - 12.00pm

The Grove Library
1 Leake St, Peppermint Grove

Register online via www.cambridge.wa.gov.au/nativevergeworkshops

Brought to you by Western
Suburbs Regional Organisation
of Councils (WESROC)
