Will you hear the call? Be a part of the 2018 Civic Design Awards!

The City of Nedlands is launching the biennial Civic Design Awards to recognise outstanding examples of heritage conservation, contemporary planning, design, landscaping, public art and other projects. But first we need two community members to join the judging panel. Nominations are now open for people with relevant experience and/or qualifications.

Please send a covering letter and your CV, outlining your experience and why you're interested, to council@nedlands.wa.gov.au. Alternatively, drop it into our Administration Centre at 71 Stirling Highway, Nedlands, or post it to PO Box 9, Nedlands WA 6909.

At the same time, the City is also looking for award sponsors – could your business do with a branding boost? It's an opportunity for your company to be featured on all marketing collateral relating to the Civic Design Awards and acknowledged through the City's various marketing channels.

More details about the awards – and sponsorship forms – are available at www.nedlands.wa.gov.au under Planning and Building.

Books on Wheels and library bus service

Did you know **Nedlands Library** provides free home delivery and a bus service to residents unable to visit the library independently?

After an initial consultation with library staff, Books on Wheels clients are matched with a friendly volunteer who selects from a range of library items that include large print and regular print books, audiobooks, music CDs, DVDs and magazines. Up to 12 items are delivered fortnightly.

Residents unable to visit the library due to lack of transport – but are otherwise mobile – can join the library bus service. Two separate routes run on alternating Monday mornings. Clients are picked up from their homes or designated location and driven to the library to select items and enjoy morning tea. For details, call **9273 3644** or email library@nedlands.wa.gov.au.
