## Parking Permit Information Guide

Permits are issued subject to the following conditions:

1. The permit is valid only until the date of expiry 31 December 2020. The permit holder is required to reapply for the next calendar period (renewal forms will not be sent automatically).
2. Residential and Visitor Permits must be affixed to the bottom left hand corner of the vehicle windscreen and clearly visible. Photocopied Permits are not permitted and may incur infringements. Infringement notice may be issued if any Permit is not clearly displayed in the windscreen or dashboard.
3. Permits do not guarantee a parking space will be available in the allocated road/street. The permit entitles the holder to park within a reasonable distance on the street from the residence.
4. The Permit may only be used for:-
  - (i) parking on the road designated on the Permit, except on occasions nominated by the City,
  - (ii) parking on the verge of the property designated on the permit unless parking is prohibited by a sign.
  - (iii) parking on the road or verge for periods up to 24 hours only.
5. Parking is **not permitted** in the following areas: 30 minutes or less time limit, Loading Zones, No Standing, Footpaths or Crossovers, No Parking, and Bus or Taxi Stands.
6. Should you leave your present residence, the permits must be removed immediately from the vehicle and a new Permit applied for if required. Permits are not transferable.
7. In the event an infringement notice being issued to a vehicle displaying a permit, the driver/vehicle owner will be required to submit an appeal in writing to the City of Nedlands.
8. Permits will not apply until displayed on the designated vehicle.
9. Council reserves the right to revoke any Permit at any time.
10. Permits are not issued to Business/Commercial Premises.
11. Vehicle Registration papers must be sighted prior to issue of the Residential Permit.
12. Should a permit become faded or damaged, a replacement can be obtained free of charge on return of the faded or damaged permit. Lost or stolen permits incur a fee of \$15 per permit. This fee will be waived when a relevant Police report is produced.
13. Misuse of permits or failure to comply with the conditions may result in an infringement notice being issued and/or the permit being revoked.

Should you have any queries regarding Permits, please contact the Ranger Services on 92733500.

Applicants should bring or post all relevant documentation to the City of Nedlands, 71 Stirling Highway, Nedlands, so that they may be sighted and processed and the premises surveyed before a permit is issued.
