# DEAR RESIDENTS

We wanted to let you know about an upcoming film screening being hosted at the Sunset Heritage Precinct. (please see all event details on the reverse side).

This light-hearted Australian drama/comedy, THE MERGER is a funny, feel-good movie about the Bodgy Creek 'Roosters,' a failing footy club who decide to team up with some local refugees and end up winning more than just a game. We would love to see you there for this film night under the stars.

Once parking onsite is full, audience have been advised to comply with all surrounding parking prohibitions, to only park on permitted surrounding streets and not to park on any residents' verges or footpaths.

The event will wrap up by 9.30pm and will comply with all sound restrictions.

## **WEATHER NOTICE**

The event will only be cancelled if weather poses a safety threat to patrons, staff or technical equipment.

If the screening is going to be cancelled due to weather, all ticket holders will be sent an email by 3pm letting them know. The event will either be rescheduled or refunds will be offered.

We hope you can join us in bringing refugee issues to light, and supporting the work of some wonderful local refugee charities.

Regards,  
The Team at the Minderoo Foundation
